Academic Advisement for Undergraduates

Where do you go for academic advisement?
If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Open Major Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. Monday–Friday. They will be closed for devotionals on Tuesdays from 11:00 a.m. to noon. Write, visit, or call the advisement center of your choice:

Telephone	Advisement Center

How to Access the BYU Registration System

Touch-Tone Telephone Instructions

1. **Call the system number: (801) 378-5111.**
2. **Enter your social security identification number:** _ _ _ _ _ _ _ _ _ [#]
3. **Enter your personal identification number (PIN):** _ _ _ _ _ _ [#]
   The first time you use TTT enter the four digits representing your birth month and year. (Example: For a March 1978 birthday, enter 0378). You will then be prompted to enter a new six-digit PIN. (Choose one you can remember so you can use it for future touch-tone telephone transactions.)
4. **Enter an action code:**
   (To access another action code when finished in one area, just enter the new action code.)

REGISTRATION

[7][0][*] _ _ _ _ _ [#] **Year:** 2000 = 2000 **Semester Codes:** Winter = 1, Spring = 3, Summer = 4, Fall = 5
Year and Semester

Enter a registration request:

	Registration Code	Star Key	Section Number	Star Key	Registration Number	Pound Key	
Add:	[7][2]	[*]	____	[*]	_____	[#]	If the section requested is full, enter 6#, and the computer will list the next five available sections.
Drop:	[7][3]	[*]	____	[*]	_____	[#]	To drop all classes for the semester, see the Discontinuance action code below.
List open Sections:	[7][6]	[*]	____	[*]	_____	[#]	
Raincheck:	[7][8]	[*]	____	[*]	_____	[#]	If all sections of the course you want are full, and you must have the course this semester, use the Raincheck option to place your name on the department list of students unable to enroll. Continue to monitor the course by phone or by AIM in case students drop. **A raincheck will not guarantee that you will be able to register for the class.**

Listen to schedule: [7][2] [#] To listen to your class schedule.

DISCONTINUANCE

[7][9][*] _ _ _ _ _ [#] To drop all your classes or discontinue. This function is available until midnight of the day before classes begin. This may affect your eligibility for future enrollment. See pages 7, 11, and 24 for details.
Year and Semester

GRADES

[8][0][*] _ _ _ _ _ [#] To list grades for semester requested. (This feature may not be available during the first week of a semester or term.)
Year and Semester

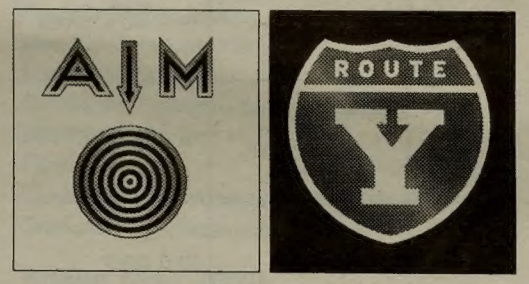

PIN CHANGE

[9][0][#] To change your PIN. (The computer will prompt you to enter your new PIN. All PINs must be six numeric digits.)

EXIT SYSTEM

[#][#] To terminate phone call.

AIM Instructions for Internet Access

You must have an ISP (Internet service provider) in order to register online. Consult a local telephone directory to find a provider that works best with your needs. You must use Netscape Communicator 4.0+ or Internet Explorer 4.0. Both of these browsers are available for downloading on the World Wide Web.

AIM (Academic Information Management) is BYU's online Web-based student information system. AIM is available on BYU campus at Access Point Labs and kiosks in most buildings. You can also find computers connected to the Web at most public libraries. To register, follow the steps below:

1. **Open the BYU home page.** The Internet address is ***www. byu.edu.***
2. **Open Route Y** by clicking on its icon at the top right-hand side of the page.
3. **Enter your net ID and password.** When you open Route Y, you will be prompted to enter your net ID and password. If this is your first time accessing the system, locate on the main Route Y screen the icon labeled "Find net ID" to search BYU's network for your ID. The page that downloads will guide you through the search. You also need to know your password. Again, for first-time users, use your birth month, day, and year. (For example, the password for a May 16, 1974, birthday is 051674.) You will be prompted to change your password for security reasons. **If you experience problems entering Route Y with your net ID or password, contact the Registration Office at 378-2824 (8 a.m.–5 p.m. MST).**

4. **Open AIM.** Find the AIM button on the "Interchange" page and click on it.

AIM (Academic Information Management)

5. **Choose "Registration" from the AIM menu options.**
6. **Choose winter semester 2000 and begin to register.** A pull-down menu will appear asking you to choose a semester/term. Once you choose, another pull-down menu with the departments will appear. Choose a department and the classes available for that semester/term will appear. Select the classes in the department you wish to take. Choose another department and repeat the process until you have registered for all of your classes.
7. **Select "Exit" to leave the AIM system.**

Registration Work Sheets

We suggest that you use the following form to plan your ideal schedule. Be careful not to select classes that meet at the same time on the same days. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available. The computer will not schedule you in more than one section of the same class (except for R classes and labs).

*Cannot be used for scholarships

◆Cannot be used by Law School

Free application for Federal Student Aid (FAFSA): You must also complete the FAFSA or the Renewal Application if you apply for any of the following: Pell Grant, Subsidized Stafford Loan, Unsubsidized Stafford Loan, need-based scholarships, and many private scholarships.

Returned Missionaries: If you served a portion of your mission in 1998 or 1999, additional information will be required.

Electronic Funds Transfer (EFT): If you request a Stafford or Plus Loan, the touch-tone system will ask whether you authorize your lender to electronically transmit your loan funds to your BYU student account by EFT.

Mailing Address: The Financial Aid Office will mail correspondence to the mailing address on record in the BYU Registration Office. The Scholarship Office will use your permanent address. To update either address, call (801) 378-2824.

Scholarship Information: To apply for need-based and specific private scholarships, visit the scholarship Web site from the university's home page at www.byu.edu. When you apply for scholarships by telephone or the Internet, you authorize the university to release your transcript to appropriate personnel, including scholarship donors.

Registration Requirements

1. Admission

You are eligible to register for winter semester 2000 if you registered for and completed regular day school classes during fall 1999 or if you have been issued a valid letter of admission for winter semester 2000 by the Admissions Office.

Continuing BYU students can interrupt their studies for one semester (fall/winter) by submitting a Continuing Student Enrollment and Scholarship Deferment Application. Students wanting to serve an LDS mission can defer their admission status by submitting an LDS Mission Deferment Criteria Form. Both are available from the Admissions Office, telephone (801) 378-2507. Students who interrupt their studies for more than one semester (except missionaries) should contact the Admissions Office for the appropriate reapplication materials.

Continuing degree-seeking graduate students are eligible if they have fulfilled the minimum registration requirements (6 hours per year) in the preceding academic year.

Students who graduate from BYU lose their eligibility and will not be allowed to continue to attend classes unless they have been admitted to a graduate or non-degree-seeking graduate program.

2. Continuing Student Ecclesiastical Endorsement Requirement

All enrolled, continuing undergraduate and graduate students are required to obtain a Continuing Student Ecclesiastical Endorsement for each new academic year. Students must have their endorsements completed, turned in, and processed by the Honor Code Office before they can register for fall semester or any semester thereafter. Priority registration for the upcoming fall semester will begin April 5.

LDS students may be endorsed only by the bishop of the ward (1) in which they live and (2) that holds their current Church membership record.

Non-LDS students are to be endorsed by (1) the local leader of their preferred religious denomination or (2) the bishop of the LDS ward in which they currently reside.

Requirements

Whether on or off campus, all students are expected to abide by the Honor Code, which includes: the Academic Honesty Policy, the Dress and Grooming Standards, and the Residential Living Standards.

LDS students must fulfill their duty in The Church of Jesus Christ of Latter-day Saints, attend Church meetings, and abide by the rules and standards of the Church on and off campus.

Withdrawn Ecclesiastical Endorsement

A student's endorsement may be withdrawn at any time if the ecclesiastical leader determines that the student is no longer eligible for the endorsement. Students without endorsements, except in unusual circumstances, must discontinue enrollment. Excommunication, disfellowshipment, or disaffiliation from The Church of Jesus Christ of Latter-day Saints results in the withdrawal of the student's endorsement. The decision to withdraw an endorsement may be appealed through the appropriate ecclesiastical channels and then to the university through the Honor Code Office.

How Forms Are Obtained

Students are responsible for obtaining their own Continuing Student Ecclesiastical Endorsement Forms. Forms are available at campus information desks, at college advisement centers, from bishops of BYU wards, and from the Honor Code Office in 4440 WSC.

3. Health Insurance Requirement

BYU students enrolled at least three-fourths (3/4) time are required to carry adequate medical insurance. This applies the entire time a student has continuing status, including students taking a semester or term off. All participants in groups on tour, Study Abroad, or internships are required to carry adequate medical insurance.

Enrollment in the BYU Student Health Plan (SHP) satisfies the university's insurance requirement, as does enrollment in a comparable group medical plan provided by an employer or a spouse's or parent's employer. Medical insurance other than the SHP must meet the following requirements:

- provide at least 70 percent coverage for all major medical expenses, including physician, hospital, and ancillary services;
- have an individual annual deductible of no more than $500; and
- have an annual plan limit of no less than $25,000.

Students must enroll in the BYU Student Health Plan or provide verification of other adequate insurance coverage when first enrolling at BYU and prior to the beginning of fall semester each year thereafter. Students who do not return a properly completed waiver form to the BYU Insurance Office will be automatically enrolled in and assessed the appropriate premium (single or married student rate) for the BYU Student Health Plan. The insurance fee payment is due with tuition.

Registration Procedures: Priority Registration

PRIORITY IS BASED ON CLASS STANDING OR THE TOTAL NUMBER OF CREDIT HOURS COMPLETED THROUGH SUMMER TERM 1999.

Priority begins with graduate students, then seniors, juniors, sophomores, continuing freshmen, and non-degree-seeking graduate students. Newly admitted freshmen will register in a separate priority (see Priority Registration Schedule, Step 3).

To Register Before School Begins

Step 1: Receive a Registration Notice

Note Your Beginning Registration Time

The registration system will be open from your beginning time, as indicated on the Registration Notice, until January 18. The registration system will not allow you to register before the given time.

Update Address Information

It is important that your mailing address be updated at the Registration Office, B-130 ASB, Provo, UT 84602-1112, telephone (801) 378-2824. Please call or return the address section of the Registration Notice to the Registration Office if you need to do so. A list of classes and a Tuition Billing Statement will be mailed to you in December if you have registered for at least one class.

Check Holds That May Block Your Registration

Prior Balance Due

If you owe a prior balance as of the date of the Registration Notice, the form will indicate the amount due. You must clear your account before registration will be open to you.

College Advisement Center (CAC) Hold

If you have a CAC hold, it will be indicated after the number of completed hours on the Registration Notice. The CAC hold targets students with special needs who will be required to seek assistance from their college advisement center before registering. Students with a CAC hold must visit their college advisement center or department advisor to complete a plan for graduation and will be prevented from registering until the hold is cleared by the college advisement center.

Other

Check with the appropriate office according to your hold:

Academic standards	Academic Support	(801) 378-2723
Ecclesiastical endorsement	Honor Code Office	(801) 378-2847
Financial (prior balance)	Student Accounts	(801) 378-5415
Graduate school	Office of Graduate Studies	(801) 378-4091
University standards	Honor Code Office	(801) 378-2847
CAC hold	Your college advisement center	(see inside front cover)
Loans	Collections Office	(801) 378-7648
	or Financial Aid	(801) 378-4104

Step 2: Plan Your Schedule

Use the Registration Work Sheet to plan your ideal schedule, blocking out work and study time. **Be careful not to select classes that meet at the same time on the same days.** Consult the class list beginning on page 25. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

*Step 3: Register by Touch-Tone Telephone or AIM**

Priority Registration Schedule:

Credit Hours/Class Standing	*Day You Can Begin Registering*
Graduate students	Monday, October 11
117 +	Tuesday, October 12
110	Wednesday, October 13
90	Thursday, October 14
80	Friday, October 15
70	Monday, October 18
50	Tuesday, October 19
40	Wednesday, October 20
20	Thursday, October 21
15	Friday, October 22
Fewer than 15 and non-degree-seeking graduates	Monday, October 25
Newly admitted freshmen	Tuesday, October 26

If all sections of the course you want are full, and you must have this course this semester, use the raincheck option to be placed on the department list of students unable to enroll (see touch-tone instructions on page 1 or raincheck option on AIM). Continue to monitor the course by phone or by AIM in case students drop. **A raincheck will not guarantee that you will be able to register for the class.**

***Academic Information Management (AIM)** is a computer aid available to you on the Internet and at the following locations across campus: all college advisement centers, Heritage Halls Central Building lobby, Wymount Terrace computer lab, Cannon Center central lobby, Morris Center computer lab, WSC Word Center computer lab, and the ASB, BNSN, CB, CTB, HBLL, HFAC, HGB, JSB, MHC, MSRB, RB, SFLC, SWKT, TMCB, and TNRB. You can do the following things at these terminals:

- Register for classes
- Access class schedule
- Determine course availability
- Monitor GE and major progress report (ABC)
- Look at grades and BYU credit

Step 4: Pay Tuition

TUITION PAYMENT DEADLINE JANUARY 18, 2000 (TO AVOID LATE FEE).

WHETHER OR NOT YOU RECEIVE A BILLING STATEMENT, IT WILL BE YOUR RESPONSIBILITY TO PAY TUITION BY THIS DEADLINE TO AVOID THE LATE TUITION FEE.

The tuition billing statement will be mailed only to students who are registered for at least one class by December 20. **Tuition assessment on the billing is based on anticipated full-time enrollment of 12 credit hours or more for the semester.** The Federal Pell Grant amount on the Tuition Billing Statement is based on the assumption that enrollment is for 12 credit hours. If your grant eligibility, loan, or scholarship is for less than the tuition due, you must pay the difference by the deadline to avoid a late fee. **If you are not a full-time student, adjust the statement and pay only for the hours you expect to take.** (See Tuition and Fees section for more information).

A check or money order to cover the amount of tuition due should be mailed in the preaddressed envelope provided with the Tuition Billing Statement. If you do not have this envelope, mail your tuition to the Cashiers' Office, D-148 ASB, Provo, UT 84602-1128. A drop box is provided in D-148 ASB for all students on campus. Do not use campus mail. You may also make online payments through Route Y.

Important notice: If you fail to meet the tuition deadline, you will be assessed a late fee ($90 beginning January 19). You will be assessed a late tuition fee if you pay less than full-time tuition by January 18 and are then enrolled or later become enrolled for more than 12 credit hours. Also, if your tuition check is not honored by the bank, you will be charged the late fee in effect at the time the check is redeemed.

To Register or Make Class Changes After School Begins

Add/Drop cards may be obtained beginning the first day of class from the Smith Family Living Center (SFLC), college advisement centers, and the Registration Office. The card must be returned to the SFLC step-down area between 8:00 a.m. and 5:00 p.m. during the first ten class days. The following dates apply to full-semester classes; for block classes see the calendar for deadlines.

Adding: ***January 4–18***

You may add classes the first ten days of a semester. During this time some classes may be added using the touch-tone telephone or AIM systems. All other classes require an add card with the instructor's signature. For details on the add methods assigned to classes see page 25 and the class list. If you wish to audit a class, see the Auditing Classes section that follows.

Dropping: ***January 4–18 (without a W)***

All drops can be done using the AIM system or touch-tone telephone the first ten days of the semester. There is no drop fee during these ten days.

January 19–February 8 (with a W)

All drops must be done on an add/drop card. Students will be charged $10 per class and will receive a W (official withdrawal) on their transcript. Drop cards must be submitted to the Registration Office, B-130 ASB.

*A student can be registered for more than one section of an R-suffix course and therefore must drop each unwanted section.

Discontinuance (Dropping All Classes for the Semester or Term)

What to Do Before Classes Begin

Once you register for classes, you are officially enrolled and committed to attend. If you are not coming to school this semester, you must discontinue or drop your classes prior to the first day of school or they will remain on your record and **you will be charged tuition.** Classes may be dropped using the discontinuance action code (79*20005#—see the touch-tone-telephone instructions in this class schedule) or the AIM system (by dropping each class) until midnight of the day before classes begin.

What to Do After Classes Begin

On the first day of classes and thereafter you will need to contact the Discontinuance Office in B-150 ASB or telephone (801) 378-7705. Tuition will be charged starting the first day of classes to the date of discontinuance at the percentage rate listed in the Tuition and Fees section of this class schedule.

Warning: Discontinuance from fall or winter semester or from the term to which you are newly admitted will forfeit your eligibility to attend future semesters without reapplying through the Admissions Office.

Continuing BYU students who interrupt their studies for one semester (fall or winter) only or who serve an LDS mission may request an admission deferment during their absence from the university. Call the Admissions Office, telephone (801) 378-2507, for more information. Other students who interrupt their studies should contact the Admissions Office for the appropriate reapplication materials.
Note: See pages 11 and 24 for detailed instructions.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 credit hours in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card once school begins. Auditing classes, registering for a class without receiving credit, or registering for Evening Classes constitutes a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) can only do so on an add/drop card during the first ten class days (six days of a term). Students must obtain the instructor's approval on a signed add/drop card. It is not possible to register for an audit class on the touch-tone telephone system. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official records, will not be considered in calculating enrollment verifications, and do not fulfill the minimum registration requirement for graduate degree-seeking students. Students who are registered for credit and wish to change to audit must first drop the class. The class may then be added for audit during the add period (first ten days of a semester, six days of a term).

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Other rolls, sent out during the second, third, and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

A student's enrollment status is determined by the number of credit hours taken, as follows:

Hours Enrolled		
Semester	**Term**	**Enrollment Status**
12+	6+	Full-time
9–11.5	4.5–5.5	Three-fourths
6–8.5	3–4	Half-time
.5–5.5	.5–2.5	Less than half-time

Audited courses do not count in total enrollment hours. Graduate students should refer to the Graduate Education section of this class schedule. Contact the Records Office, B-150 ASB, for enrollment verification.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they register by touch-tone telephone for day school.

Semester Online Courses

Classes listed in the class schedule as sections 478 are courses offered over the Internet at no additional cost to full-tuition-paying students. Semester Online courses may provide immediate feedback, chat rooms, and informative, exciting links, and they allow students to progress at their own pace within the semester period. Check it out at http://www.byu.edu/home1.html (see Courses Online on the BYU home page).

Independent Study

Independent Study can bring many university courses to your home. You may register for courses any time during the year and take up to a year to finish each course. Tuition is $90 per credit hour—this fee is not included in your regular BYU daytime tuition. Independent Study courses are indicated in the course list by the phrase "Offered by Independent Study." Many courses are now available by Internet, and new courses are continually being added. For further information and a free catalog, contact the Independent Study Office, 206 HCEB, Provo, UT 84602-1514, telephone (801) 378-2868, or www http://coned.byu.edu/is/.

Note: Independent Study courses do not apply toward a **BYU graduate** degree.

Questions/Answers for New Undergraduate Students

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal classroom instruction each week, although you will find some exceptions to this in certain majors. The average student can successfully complete from 14 to 16 credit hours per semester or from 6 to 8 credit hours per term. A total of 120 credit hours is required to graduate. Students who plan to graduate in four years will need to complete an average of 15 hours per semester.

How much preparation or study time is usually needed outside class?

For the average student, the expectation for undergraduate courses is two hours of outside preparation time for every hour spent in class. For example, a 3-credit-hour English class meets for one hour three times a week. A student should be prepared to spend six additional hours each week outside class for study and preparation. However, more time may be required to achieve excellence in a particular subject.

What is general education?

The general education program for undergraduates at BYU assures that you have achieved competence in certain skills and knowledge before graduation. Proof of competency is achieved by successfully passing required courses. Some students pass these required courses by receiving an approved score on an AP exam or by taking special examinations for credit when they arrive on campus. For more information on the GE program, refer to pages 13–18 of this class schedule.

What is a major?

A major is a concentrated group of classes in a particular field designed to help you achieve your educational goals. Colleges and departments establish required and optional courses to be completed for each major. For more information on specific majors, please refer to the BYU Undergraduate Catalog and the respective major on the web; or you may contact the appropriate college advisement center (see list on the inside front cover of this class schedule). You may have selected a major on the admissions application; if so, you should be in contact with the appropriate advisement center. If you are presently undecided or wish to explore additional options, you may contact the Open Major Advisement Center, 2500 WSC, (801) 378-3826.

Do I need to know my major now?

No. In fact, many students have found it helpful to explore various fields of study before deciding on a major. However, if you are leaning toward a major in the sciences, nursing, engineering, or visual arts, there are specific recommendations for classes your first semester. A delay in pursuing a major in these areas can lengthen the time to graduation. For more information in these areas, please contact the appropriate college advisement center (see list on the inside front cover of this class schedule).

I have a documented disability. Are there accommodations available at BYU?

Yes. All students who either have a documented disability or are in the process of obtaining documentation for a physical, emotional, or learning disability (including ADD) are invited to visit with an advisor from Services for Students with Disabilities (SSD), located at 1520 WSC, (801) 378-2767 v/tty. Advisors can assist you with reasonable and appropriate accommodations, testing, and advice concerning your class schedule and can answer questions on accessibility issues.

What if I'm still confused?

Contact the BYU Hotline, 1-800-290-BYU1. From 8:00 a.m. to 5:00 p.m. (MDT) each working day advisors are available to help answer your questions or point you in the right direction. Or you can visit our Web site at http://ar.byu.edu/dept_orientation/orient_home.html or e-mail us at frorientation@byu.edu.

Advanced Placement Credit at Brigham Young University

The credit-granting policy in effect at Brigham Young University for Advanced Placement examinations taken during the 1998–99 school year (tested in May 1999) is listed below. Every full-year AP course will earn a minimum 3 semester hours of credit for examination scores of 3, 4, or 5. Questions regarding the AP program at BYU should be directed to the Office of School Relations, A-209 ASB, Provo, UT 84602-1229, telephone (801) 378-5000.

Registration for Faculty, Staff, Administrative Personnel, and Their Spouses

Full-time regular faculty, staff, and administrative personnel may register for no more than 6 credit hours per semester, within the guidelines indicated below, and will not be required to pay the cost of tuition. This benefit is applicable to undergraduate and graduate tuition; however, there may be income-tax ramifications on graduate tuition. Before registering for **graduate** courses, personnel must contact the Benefits Office.

Written approval is required for personnel to take daytime classes (7:00 a.m. to 5:00 p.m.). Applications for approval may be obtained at the Benefits Office, D-240 ASB, **before registration**. (Final approval for daytime class work rests with the tuition manager in the Benefits Office.) *Personnel eligible to take daytime classes need to be properly admitted through the Admissions Office.*

Full-Time Regular Faculty, Staff, and Administrative Personnel

(See University Personnel Tuition Policy in the University Electronic Handbook)

To be eligible for tuition benefits during a given semester, individuals must be regular personnel at the close of late registration for that semester. The last day of late registration is specified in each class schedule.

Regular teaching faculty, staff, and administrative personnel may register for courses of study up to 6 hours per semester. Those wishing to take daytime classes will need the written approval of the department chair or supervisor, the dean or director over the area, and the tuition manager of Benefits. Administrative and staff personnel who take classes in the daytime hours are expected to make up the time they are absent from their regular work.

With the required approvals, staff personnel with staggered-hours schedules (see Work Hours Policy in the University Electronic Handbook) may register for daytime classes. A staggered-hours work schedule, which must first be approved by the person's supervisor, allows an individual to work eight hours between 7:00 a.m. and 6:00 p.m. with a meal period of at least one-half hour. Meal periods may not be used for class attendance. The work schedule should remain as constant as possible. Whether or not an individual can have a staggered-hours schedule and take day classes will depend on the seasonal and daily workload of the department.

During the spring and summer terms, faculty members who have teaching duties and staff and administrative personnel may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken spring term, 6 credit hours may not be taken summer term, or vice versa.) However, faculty who are not teaching during a spring or summer term, and who are not on contract with the university for research, administrative, or other special assignments, may take as many credit hours during that term as their department permits.

Spouses of Regular Faculty, Staff, and Administrative Personnel

(See University Personnel Tuition Policy in the University Electronic Handbook)

To be eligible for tuition benefits for their spouses, personnel must (a) be at least age thirty with one year of service **or** (b) have completed five years of service with the university, whichever occurs first. Regular personnel who terminate employment and are rehired may be able to add prior employment to the most recent period of employment, within the limits indicated in the university policy on service credit, to achieve the required years of service for eligibility for spouse tuition benefits.

Eligible spouses of regular, full-time faculty, staff, and administrative personnel may register for undergraduate or graduate courses of study with no limit as to the total number of hours (day or evening classes) and will not be required to pay the cost of tuition. *Those who wish to take daytime classes need to be properly admitted through the Admissions Office*. **Before registering for** *graduate* ***courses of study, eligible spouses must contact the Benefits Office regarding possible income-tax ramifications on graduate tuition.***

Part-Time Personnel

(See University Personnel Tuition Policy in the University Electronic Handbook)

Part-time, adjunct, on-call, and temporary personnel and their spouses are not eligible for tuition benefits.

Additional Information

Auditing Classes

All full-time personnel and their eligible spouses who desire to audit daytime classes should go to the Registration Office, B-130 ASB, for auditing procedures. Those wishing to audit evening classes should do so through the Evening Classes office. Any class audited will not appear on official records; however, all audited classes must be cleared through the Benefits Office.

Withdrawals and Registration Discontinuance

Personnel or their spouses enrolled through day school who withdraw from classes and/or discontinue their registration at the university are required to do so through the Discontinuance Office, B-150 ASB, telephone (801) 378-7705. **If this is done on or after the first day of classes, and if attendance has not commenced, the tuition benefit will be forfeited, and accrued fees will be charged to the individual.**

Evening Classes

Registration

Eligible faculty, staff, and administrative personnel and their spouses who wish to register for evening classes *only* may do so at the Evening Classes Office, 122 HCEB. Individuals may obtain their tuition benefit there at the time they register by completing the Clearance to Register Form and presenting their personnel or spouse ID card.

Daytime students taking Evening Classes (sections 400–499) may automatically register through the touch-tone telephone system.

Changes in Registration

When a change in Evening Classes registration becomes necessary, individuals must obtain an add/drop card from 122 HCEB and get the required approval and signature of the instructor. This card must then be returned to 122 HCEB, PO Box 21513.

Discontinuance

A student discontinuing his or her entire registration in Evening Classes is required to discontinue through the Evening Classes Office. A $10 fee is charged to the individual for the service after registration has been finalized.

Tuition and Fees

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of the Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational cost.

Tuition and class fees are due and payable by the add deadline. It is expected that students who fail to pay tuition by this date will discontinue their enrollment. Students who fail to pay tuition by the scheduled final day to late register will jeopardize their eligibility to enroll for the following semester/term. Past financial delinquencies must be cleared before a new registration may be completed. Refer to Tuition and Fees Information on page 4 for deadlines.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars). Once students register for classes, they are officially enrolled and committed to attend. Students who decide not to attend must officially withdraw from classes prior to the day school begins to avoid being charged tuition. Classes may be dropped using the discontinuance action code (see the touch-tone telephone instructions, page 1) or the AIM system (by dropping each class) until midnight of the day before classes begin. On the first day of classes and thereafter you will need to contact the Discontinuance Office in B-150 ASB or telephone (801) 378-7705. If you do not drop your classes, they will remain on your records and **you will be charged tuition.** Tuition will be charged starting the first day of classes to the date of discontinuance at the percentage rate listed under Tuition Refunds/Charges—Discontinuance.

Students who anticipate receiving financial aid will be held responsible to pay tuition charges incurred whether or not financial aid is available or forfeited.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 10 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time for tuition assessment. However, noncredit courses do not count for Federal Pell Grant or Federal Stafford Loan eligibility. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Graduate students (for tuition purposes) are those students who have received their bachelor's degree or will have received it by the beginning of winter semester and are not students of the Law School or the Graduate School of Management.

Full-time classification (for tuition assessment) for all students is registration for 12 or more credit hours per semester or 6 or more credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to Financial Services.

Tuition and General Fees Per Semester

Undergraduate Students	LDS	Non-LDS
Full-time (12 or more credit hours)	$ 1,415	$ 2,125
Three-fourths time (9–11.5 credit hours)	$1,345	$2,000
Half-time (8.5 credit hours or less) per credit hour	$145	$218
Graduate Students	**LDS**	**Non-LDS**
Full-time (8.5 or more credit hours)	$ 1,665	$ 2,500
Part-time per credit hour	$185	$278
Graduate School of Management Students and Law School Students	**LDS**	**Non-LDS**
Full-time (8.5 or more credit hours)	$ 2,665	$ 4,000
Part-time per credit hour	$296	$444

Tuition will be assessed per half-credit hour. Minimum tuition charged will be $73. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

Late Tuition Fee

Beginning January 19 . . . . . $90

A late tuition fee will be assessed to all students who fail to pay tuition by the payment deadline. The late fee will also be assessed to students who pay less than full-time tuition by the January 18 deadline and are then or later become registered for more than 11.5 credit hours.

Any student whose tuition check is not honored by the bank will be charged the late registration fee in effect at the time the check is redeemed.

Tuition Adjustments—Change in Credit Hours

After the semester begins, a part-time student who increases the number of credit hours and remains a part-time student must pay for these additional hours **by the last day to add classes.** If this is not done, a late fee will be assessed. A change to three-fourths or full-time status requires that additional tuition be paid to avoid paying the late fee beginning January 19.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Financial Services Office, D-151 ASB. A full refund of the difference between full-time assessment and part-time assessment will be allowed through January 18. Refunds for courses dropped after that date will be subject to the refund schedule listed under Tuition Refunds/Charges—Discontinuance.

Tuition Refunds/Charges—Discontinuance

Both full-time and part-time students who discontinue school will be charged tuition from the first day of classes until the date of discontinuance. A refund is based on the date they report their discontinuance to the Discontinuance Office, B-150 ASB, telephone (801) 378-7705. The following rates apply:

Discontinuance	Tuition Charged	Refund of Tuition Paid
Before Jan 4	None	100%
Jan 4–Jan 7	10%	90%
Jan10–Jan14	15%	85%
Jan 18–Jan 21	20%	80%
Jan 24–Jan 28	25%	75%
Jan 31–Feb 4	30%	70%
Feb 7–Feb 11	35%	65%
Feb 14–Feb 18	40%	60%
Feb 22–Feb 25	45%	55%
Feb 28–Mar 3	50%	50%
Mar 6–Mar 10	55%	45%
After Mar 10	100%	None

A petition for exception to the refund schedule will be considered for students forced to discontinue because of personal medical incapacitation after the 85 percent refund period. Petition forms are in D-208 ASB.

A refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately two weeks from the date of **discontinuance.** Refunds due to students who have a Federal Pell Grant and/or Federal Stafford/PLUS Loan will be returned to the lending agency and/or the Pell Grant Program. Contact the Tuition Office, D-151 ASB, for specific information.

Late fees are not refundable.

Refunds for Class Fees

Class fee refunds are based on the same schedule as listed for tuition refunds.

Class Fees

AgHrt 112 . . . . . $90
AgHrt 312 . . . . . $120
AnSc 124, 231R, 331R (equitation) $150
Army ROTC Leadership Laboratory $40
*Geol 410 . . . . . $150
*Geol 412, 436 . . . . . $350
HomEc 285, 385 . . . . . $30
ISys 98 . . . . . $25
Ling 98 . . . . . $25
Math 97 . . . . . $75
MCom 98 . . . . . $25
Music 160R, 260R, 360R, 460R, 560R, 660R . $270
PE 116, 117 (bowling) $35
PE 124 (equitation) $150
PE 150 (ice skating, paid at rink) $55
PE 161, 162, 164 (skiing) $35
RMYL 199R (sections 350, 351) $80
RMYL 480 . . . . . $100

*See department for a refund application.

*Student Teaching/Practicum Fees**

CSE 380R $20
CSE 480R, 481R $10
CSE 496R, 581R, 582R, 584R, 586R, 680R . . $60
ECE 322 . . . . . $10
ECE 423, 424 . . . . . $30
ECE 425 . . . . . $55
ElEd 358 . . . . . $20
ElEd 360 . . . . . $10
ElEd 362 . . . . . $20
ElEd 400 . . . . . $60
ElEd 496R $75
ScEd 476R, 496R $100

*Because of pending changes in Utah State certification fees, the student teaching and practicum fees will probably be increased sometime this year.

Materials/Service Fees

Fee payment cards are available in the following classes for materials and services used:

Chem 103, 107, 111H, 213, 223, 227, 353, 354, 455, 464, 523, 584, 586.
CM 155, 210, 211, 217, 218, 241, 305, 408, 411, 412, 426, 494R.
EcEn 220, 311.
EET 103, 136, 228, 231, 322, 342, 343, 345, 443, 447.
TecE 120, 140, 149, 150, 160, 200, 205, 209, 229, 240, 250, 251, 260, 270, 281, 300, 301, 315, 319, 325, 329, 354, 360, 386, 387, 388, 400, 405, 440, 450, 453, 455, 477, 489, 490R, 505, 535, 593R.
TMA 285, 385, 475R.
VACor 133.

VAStu 104, 105, 106, 204R, 205R, 206R, 216, 217, 218, 219, 349R, 350R, 351R, 354R, 355R, 356R, 358R, 359R, 450R, 451R, 456R, 459R, 656R, 659R.

Miscellaneous Fees and Fines

Activity Cards

Duplicate card fee $10
Identification photo fee $3
Spouse activity card (nonrefundable, does not include Health Center privileges) $6

Admission Evaluation Fee (nonrefundable)

New applying student $25

Class Drop Fee (fee per class)

Through January 18, free. January 19 and thereafter, $10 per class.

Deposits (payable at department locations)

Industrial education $1
Physical education locker fee (nonrefundable) $4

Dishonored Check Charges $15

Examinations

Examination through Testing Center to exempt student from taking a required class $10
Examination, special equivalency, nonrefundable fee to take exam $20

Graduation Fees (nonrefundable)

Bachelor's degree $15
Master's degree $20
Doctoral degree $25

Incomplete Grade Contract

Available in B-150 ASB after the twelfth week of the semester $10

Parking Fees and Information

Motor Vehicles

Parking permits are required to park on campus. To purchase a permit, bring the following to the Parking and Traffic Services Office (in the PTSB):

1. Current vehicle registration
2. Proof of emissions compliance. Vehicles registered in areas that do not have an emissions program meeting Utah County requirements will need to pass an emissions test. For further information contact the Parking and Traffic Services Office, telephone (801) 378-3906.
3. BYU identification card
4. Proof of housing residency such as your housing contract or room key (required only for a singles on-campus housing C permit)
5. Fee

Fees vary by permit and semester as follows:

Permit	*Fall*	*Winter*	*Spring/Summer*
G	$40	$25	See L Permit
Y	$15	$10	See L Permit
R	$ 5	$ 5	See L Permit
C	$ 7	$ 5	$ 3
L (G, Y, R lots for Sp/Su)			$ 5
Motorcycle/ Moped	$10	$ 8	$ 4

G, Y, R, C, and motorcycle/moped parking permits expire September 15, 2000. L parking permits are valid spring and summer terms only.

Out-of-State Plates

Faculty and staff employees with out-of-state plates must license their vehicles with the state of Utah and clear them for tax payment before they can receive their parking permits.

Bicycles

Bicycles must be licensed within Utah County. Provo City licenses cost $1 at the Parking and Traffic Services Building or at the Provo Police Department. Bicyclists must:

1. Always park bicycles in racks.
2. Never ride on sidewalks during class breaks.
3. Yield to pedestrians.
4. Obey all traffic rules.

Bicycles not parked in racks will be impounded. BYU will not be responsible for cut locks, chains, or cables. Locks, chains, or cables may be cut only when uniformed police or traffic personnel are present.

Other Regulations and Information

Owner/Operators of motor vehicles operated in Utah County should be prepared to pass Utah County Vehicle Emissions Inspection Maintenance requirements.

Neighborhoods adjoining campus are sometimes inundated with parked vehicles. Students are encouraged to obtain BYU parking permits and to park in university parking lots authorized by the permit.

Traffic regulation information may be obtained from Parking and Traffic Services. It is the responsibility of all students, faculty, and staff members to obey all traffic rules and regulations.

Questions may be directed to Parking and Traffic Services personnel at (801) 378-3906.

Parking and Traffic Violation Fines . . . . . $10–$300
Individuals receiving seven or more citations in a 12-month period (whether paid or unpaid) will have their driving and parking privileges revoked.

Records Fees

Search fee (duplicate receipt) $1
Transcript fee (per copy—pay at Records Office) . . $2

Health Insurance Requirement

BYU students enrolled at least three-fourths (3/4) time are required to carry adequate medical insurance. This applies the entire time a student has continuing status, including students taking a semester or term off. All participants in groups on tour, Study Abroad, or internships are required to carry adequate medical insurance.

Enrollment in the BYU Student Health Plan (SHP) satisfies the university's insurance requirement, as does enrollment in a comparable group medical plan provided by an employer or a spouse's or parent's employer. Medical insurance other than the SHP must meet the following requirements:

- provide at least 70 percent coverage for all major medical expenses, including physician, hospital, and ancillary services;
- have an individual annual deductible of no more than $500; and
- have an annual plan limit of no less than $25,000.

Students must enroll in the BYU Student Health Plan or provide verification of other adequate insurance coverage when first enrolling at BYU and prior to the beginning of fall semester each year thereafter. Students who do not return a properly completed waiver form to the BYU Insurance Office will be automatically enrolled in and assessed the appropriate premium (single or married student rate) for the BYU Student Health Plan. The insurance fee payment is due with tuition.

Debt Collection Fees

Students' past-due debts are referred to Student Financial Services for collection. If the BYU debt collection officer is unable to collect the debt within a reasonable time, the debt will be referred to an outside collection agency. In addition to paying the debt, the student debtor will be required to pay the collection agency fees before obtaining a release of a financial hold on his or her transcript or before being considered for readmission. Also, eligibility for graduation may be delayed or denied.

University Requirements for Undergraduates

There are three components to an undergraduate education at Brigham Young University: religious education, major education, and general education. Religion courses are provided at BYU so that students may progress in their religious understanding and convictions simultaneously with their educational progress in secular fields. Education in the major provides students with depth in a particular academic discipline. It introduces them to the type of thinking, language, and skills that prepare them for a career or further study in postgraduate or professional programs. General education is intended to provide students with intellectual breadth. It covers the range of human accomplishments: the development of language and civilization; the arts; and the social, behavioral, physical, and biological sciences. These three aspects of the baccalaureate degree—religious education, major education, and general education—are described briefly in the following sections.

Religious Education

It has always been the view of The Church of Jesus Christ of Latter-day Saints that education is not complete without proper integration of secular and religious knowledge and values. Secular understanding and skill are important attainments in life and will better serve the individual when accompanied by religious convictions, attitudes, and standards of behavior. Ideally, students should take one religion class each semester of enrollment.

Fourteen hours of religion credit taken ***at BYU*** are needed to graduate—a core of 8 hours plus 6 hours of electives. The core consists of two Book of Mormon courses (RelA 121 and 122, 4 hours); one New Testament course (2 hours); and one Doctrine and Covenants course (2 hours). Students may choose from an array of other courses offered by the Department of Ancient Scripture and the Department of Church History and Doctrine to fill the other 6 hours of religion credit needed.

No more than 4 hours of religion credit per semester may be counted toward the religion requirement.

Students who are not members of The Church of Jesus Christ of Latter-day Saints are encouraged to take Introduction to Mormonism (RelC 100) during their first semester at BYU. This course may be used in lieu of either a New Testament or Doctrine and Covenants course.

Transfer Students

Transfer students must fulfill the BYU graduation requirement in religion. *All students must complete a minimum number of religion credits taken* **at BYU, according to the table at right, regardless of the number of religion hours completed elsewhere.**

Religion Requirements for the Baccalaureate Degree	
Courses	***Credit Hours***
Two Book of Mormon courses	4
One New Testament course	2
One Doctrine and Covenants course	2
Elective courses	6

Total Transfer Credits	**BYU Religion Hours Required**	
0–15.9	14	Book of Mormon (RelA 121 and 122), one New Testament class, and one Doctrine and Covenants class
16–31.9	12	
32–47.9	10	
48–63.9	8	
64–79.9	6	Book of Mormon (RelA 121 and 122) and one Doctrine and Covenants class
80–95.9	4	
96 or more	2	Unless more hours are needed to fill Book of Mormon requirement

Major Education

Brigham Young University students are expected to develop competence in at least one area of concentration. Such competence is acquired through in-depth study in an area referred to as the major. Through the major requirements students encounter a rigorous, coherent, and progressively more sophisticated program of study. Such study is intrinsically valuable, and it prepares students to enter the world of work or to pursue further study. By the time they graduate, students should have a grasp of their discipline's essential knowledge and skills and thus be able to compete in and contribute to the larger world outside the university.

BYU offers approximately 150 undergraduate major programs. Most of these programs are centered in the more than 50 academic departments, but several interdisciplinary programs are also available. The complete list of these degrees is given in the BYU Undergraduate Catalog under the heading Alphabetical List of Undergraduate Majors at BYU. Of the 120 credit hours required as a minimum for the baccalaureate degree, the major program typically comprises between 40 and 60 credit hours, although some exceed 60 credit hours. Requirements for major programs are detailed under specific departments in the catalog. Students need not feel undue pressure to declare a major immediately upon entering the university, and they may wish to enroll in general education courses that can introduce them to possible areas for major study. However, some majors, including those in the natural sciences, engineering, music, and visual arts, are tightly structured. Efficient graduation from these programs requires students to undertake degree requirements during the first semester of their freshman year. Students who are considering these programs are encouraged to begin them as soon as possible. The academic departments and college advisement centers can provide advice about particular degree requirements and selection of a major.

General Education

The general education (GE) program at Brigham Young University complements the other two areas of a university education. Through its perspective we gain vantage points from which to view the development of our own culture and how it relates to others.

GE courses teach one to think critically, and they pose questions that foster the development of moral judgment and aesthetic and cultural sensitivities. At Brigham Young University these courses are taught in the context of the restored gospel and the implications that the gospel of Jesus Christ holds for knowledge, truth, and society.

GE Program Modified

The general education program was revised in 1995. Students who entered the university prior to fall 1995 have the option to continue with their original GE program or to switch to the newer program. Students enrolled prior to fall 1995 should visit their college advisement center to discuss the optimal program, given their current status.

Modifications to the 1988 GE program are:

- A music option was added to satisfy the Advanced Languages requirement.
- A combination of courses may satisfy some of the core requirements.
- The number of required Arts and Letters elective courses was reduced from four to three.
- The Physical Education and Health university requirement has been changed to the Wellness requirement and is now included as part of general education.

Students who entered BYU fall 1995 or thereafter are automatically on the GE program described on the following pages.

Description of the GE Program

The GE program is separated into three categories called Languages of Learning, the Liberal Arts Core, and Arts and Sciences Electives.

The objectives for each of the three areas are explained below. Brief statements of the ways to satisfy GE Program requirements are provided in the accompanying table. Detailed information concerning the mechanisms available to complete each requirement is given in the General Education Courses section of this class schedule.

Languages of Learning

In our modern, complex society, the ability to communicate effectively is deemed a critical skill. Under the Languages of Learning category are grouped the areas of writing, mathematics, foreign language, and music, each of which represent an important way to convey information and understanding. Because writing at the college level is considered essential to success at the university, students are asked to complete a First-Year Writing course. Later, once students have identified an area for major study, they are provided with an opportunity to develop writing skills in that discipline. To function in a technological society, a basic knowledge of mathematics as a means of communication and problem solving is essential. All students, upon admission, are asked to certify a basic level of numeracy, either with an appropriately high score on the Mathematics section of the ACT or SAT exams or by completion of a BYU course. We then ask that students exhibit a mastery of either mathematics, music,

or a foreign language at an advanced level. At this level students achieve an exposure to cultures and to the ways in which practitioners of the language structure their knowledge. See the tables on pages 16 and 17 for more information.

Liberal Arts Core

A traditional university education includes introductions to the core or fundamental areas of knowledge. These typically cover the biological and physical sciences and aspects of cultures and civilizations. Here at BYU we also include as part of our core American Heritage, an introduction to the political and economic foundations of the American democratic system, and Wellness, a requirement to assist in developing one's physical and mental well-being.

For every requirement in the core, with the exception of Civilization, there are two pathways to complete the requirement—a one-course option and a multiple-course (two or three) option. The multiple-course options are structured to cover much of the same material that is included in the one-course options but in greater depth.

The options for different core requirements are independent of each other. That is, one may choose the two-course sequence to satisfy the Biological Science core requirement but choose the one-course option for the Physical Science, American Heritage, and Wellness requirements. In general, students will find it most efficient to take the one-course options for a given requirement. However, students in some majors will find that a particular core requirement can be satisfied using the multiple-course pathway with courses they are already taking for their major. Students with career or personal interests outside their major may find that the two-course options better serve their needs. For example, the philosophy or language major who hopes to become a physician may satisfy the Physical and/or Biological Science core requirement by virtue of the science courses required for admission to medical school.

Both the Languages of Learning and the Liberal Arts Core provide for multiple ways to satisfy individual requirements. The number of courses and credit hours needed to satisfy a requirement will vary with the particular option chosen and/or the student's previous preparation. See the table on page 17 for more information.

Arts and Sciences Electives

The Arts and Sciences electives are divided into three categories: Arts and Letters, Natural Sciences, and Social and Behavioral Sciences. These three divisions encompass the spectrum of human endeavors. The objective of elective courses certified to satisfy this requirement is to introduce students in a more focused way than the core courses to specific disciplines or areas of study. Students must take **one** course from **each** of the three areas. Unless the major program dictates a specific course, students are free to select from a large list of approved courses. These courses are certified for approval by a faculty council, and students are encouraged to check a current class schedule for an up-to-date list of approved courses.

Some courses are approved as both Arts and Sciences electives and as one of the two-course sequences for the alternate option to the Liberal Arts Core requirements. The same course cannot be used for both the elective requirement and to partially complete the core requirement.

Because a significant objective of general education is to provide breadth to the student's education, we recommend that elective courses be taken outside the major. However, once a course certified to satisfy an elective is completed, the GE requirement will be considered satisfied. Changes in majors will not affect the student's progress toward completion of the GE program. Nevertheless, the new major may impose additional requirements, such as a particular Advanced Writing course.

Where variable numbers of courses or credit hours are indicated, the effort required to complete the requirement depends upon the student's level of preparation. The complete list of courses currently certified to satisfy a particular requirement and additional details of how to complete the requirements are given in a later section of this class schedule entitled General Education Courses. See the tables on page 18 for more information.

GE and the Honors Program

The Honors Program offers a number of courses that satisfy both GE and Honors requirements. These courses provide a deeper, more intense exposure to the subject matter for the student who is interested in a challenging experience. Additional information concerning these courses may be obtained from the General Education and Honors Office, 102-A MSRB, telephone (801) 378-5497, or by consulting the University Honors Program Course Guide.

Selection and Timing of GE Classes

To gain approval to meet a GE requirement, a course is subjected to a rigorous evaluation. Such approval is not granted lightly, and students should ensure that the courses they select are, in fact, approved for GE credit. This information is updated each semester/term and published in the current class schedule.

Although the time to complete GE requirements varies according to the major, students should complete the First-Year Writing and American Heritage requirements during the freshman year. Students planning to satisfy the Biological Science, Physical Science, and Precollege Mathematics core requirements with the one-course options (e.g., Biol 100, PhyS 100, and Math 110) should also complete these during the freshman year. History of Civilization courses are designed as sophomore-level courses, although some programs include them during the freshman year. Advice as to when to complete the other GE requirements can be obtained at college advisement centers or department offices.

Ways to Complete GE Requirements Other Than by Course Work

In addition to taking approved courses, there are several mechanisms by which students may satisfy the components of the GE program: transferring acceptable credit from other academic institutions; receiving credit from advanced placement (AP) and International Baccalaureate (IB) examinations or from the College Level Examination Program (CLEP); or passing special examinations at the university.

Transfer Credit

The application of transfer credit to GE requirements is handled by the Transfer Evaluation Office, B-238 ASB. Consortium agreements have been reached with several junior and community colleges to facilitate the transfer process for students who have completed certain associate degrees. The Transfer Evaluation Office can be contacted for up-to-date information regarding the status of those agreements with a particular junior or community college.

Advanced Placement and International Baccalaureate Credit

The results of some Advanced Placement (AP) and International Baccalaureate (IB) exams may be used to waive certain GE requirements and to obtain general university credit. AP or IB credit posted to a transfer institution will be evaluated upon BYU's standards and not those of the transfer institution. The Academic Advisement Office, B-238 ASB, telephone (801) 378-3641, can be contacted for details regarding credit hours and exemption from GE requirements for both AP and IB exams.

College Level Examination Program

BYU will grant credit for the College Level Examination Program (CLEP). For each general examination on which a student scores 610 or higher, the university will grant 3 hours of credit. Students can contact the Admissions Office, A-153 ASB, telephone (801) 378-2507, for additional information.

Exemption and Challenge Examinations

Some requirements can be accomplished by successful completion of an examination. Two types of examinations are available, the exemption exam and the challenge exam. *A student may only take an exemption or challenge exam once during each exam period.* Students do not have to be enrolled in a course to take an exemption or challenge exam. However, some of the exams are given early enough each semester/term so that students who are enrolled and pass the exam may drop the course. Students not enrolled in a course have an opportunity to take the challenge or exemption exams offered at the Testing Center during the middle of fall and winter semesters. Please consult the table on page 15 for specific exam dates.

Exemption Exams: No Credit or Grade

(Offered for select general education courses only)

Exemption exams do not earn academic credit or grades. Exemption exams are given in the Testing Center on the dates shown on the table that follows. A fee payable at the Testing Center is required for the exams. A passing score on an exemption exam is reflected on the Advisement-by-Computer (ABC) report as fulfilling the requirement. However, no academic credit will be posted on the transcript of grades. The procedure to take an exam and request exemption from a course follows.

Challenge Exams: Graded Credit

Some challenge exams for credit are offered in the Testing Center, and others are arranged through the department offering the course. A fee payable at the Testing Center is charged for exams offered in the Testing Center. A fee payable at the Cashiers' Office in D-155 ASB is required for exams that are offered through individual departments. **Check with the department to see if the exam is offered in the department or in the Testing Center.** To earn academic credit and a letter grade for the course, the student must submit a Special Examination Form, provided by the Testing Center or the department, to the Records Office, B-150 ASB. No additional fees are charged to post credits to the transcript. The student's transcript and grade point average reflect the grade earned on the exam. The procedure to take exams and request academic credit follows.

Procedure for Exemption and Challenge Exams Given at the Testing Center

A. Procedure for Exemption Exams

1. Contact the appropriate academic department for exam procedure and content before going to the Testing Center.
2. Go to the Testing Center (265 HGB) on one of the examination dates on page 15.
3. Pay the required fee at the Testing Center.
4. If you are enrolled in the course when you pass its exemption exam, you **must** also complete an Add/Drop Card and drop the

course. Students who drop the class after the *add deadline* (ten class days after a semester starts or six class days after a term starts) will receive a W on their transcript for dropping the course, and their ABC report will reflect fulfillment of the GE requirement. If the exempted course is not *officially* dropped before the drop deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.

Note: If you pass an exemption exam at the Testing Center, your ABC Report will be updated automatically at the end of the semester. Please retain your score report for your records.

B. Procedure for Challenge Exams Given at the Testing Center

1. Contact the appropriate academic department for exam procedure and content before going to the Testing Center.
2. Go to the Testing Center (265 HGB) on one of the examination dates on page 15.
3. Pay the required fee at the Testing Center.
4. After the exam is graded, if you choose to receive graded credit, obtain a Special Examination Form at the Testing Center and have it validated there. To accept the grade and receive credit for the course, turn in the Special Examination Form to the Records Office, B-150 ASB, within one year from the date the exam is taken. Graded credit will be added to your official university transcript, and the ABC Report will show any GE requirement as fulfilled. (Students taking the Physical Science exam may take the grade or an exemption if their score is 75 percent or above. If their score is between 60 and 74 percent, then they may receive graded credit.)
5. If you are enrolled in the course when you pass its challenge exam, you **must** also complete an Add/Drop Card and drop the course. Students who drop the class after the *add deadline* (ten class days after a semester starts or six class days after a term starts) will receive a W on their transcript for dropping the course, and their ABC Report will reflect fulfillment of any GE requirement. If the course is not *officially* dropped before the drop deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.

Procedure for Challenge Examinations *Not* Given at the Testing Center

A. Whether or not you are enrolled in the course you are challenging:
   1. Complete the Special Examination Form available from the department.
   2. Arrange with the department to take the exam.
   3. Pay the required $20 testing fee at the Cashiers' Office, D-155 ASB, and have the form validated there ($20 fee per course except for the language exams).
   4. Present the validated form to the department examiner.
   5. Have the grade and credit recorded on the form by the examiner and obtain the necessary departmental signatures.
   6. Present the completed form to the Records Office, B-150 ASB, within one year from the date the exam is taken.

B. If you are enrolled in the course when you pass its challenge exam, you **must** also complete an Add/Drop Card and drop the course. Students who drop the class after the *add deadline* (ten class days after a semester starts or six class days after a term starts) will receive a W on their transcript for dropping the course, and their ABC Report will reflect fulfillment of any GE requirement. If the course is not *officially* dropped before the drop deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.

How Do You Get Help with Specific Questions Concerning General Education?

The essential information concerning general education is found in the current BYU Undergraduate Catalog. Additional, late-breaking information, plus advice, about general education requirements can be obtained from your college advisement center. The ten college advisement centers, together with the Open Major Advisement Center, 2500 WSC, provide assistance with registration, graduation requirements, policies and procedures, fields of study, changes of major, and many other aspects of academic life. Computer terminals are available in the advisement centers and other locations on campus to provide you with an up-to-date report of your academic status. In addition, an Advisement-by Computer (ABC) Report is sent to you early each semester. These list the GE courses you have completed and also the GE requirements that remain to be completed.

Schedule of Exemption and Challenge Examinations Given in the Testing Center

The Testing Center, 265 HGB, offers special examinations for some GE classes on the dates noted below. Please contact the appropriate academic department before going to the Testing Center for specific exam information.

WINTER SEMESTER 2000

Course	Term	Exemption Exam (No Credit or Grade)	Challenge Exam (Graded Credit)	Fee (Pay at Testing Center)	Last Day to Drop W/O W on the Transcript	Department Contact
Precollege Math (Math 97)	Winter	Jan 5–18 Feb 25–28 (score of 64% and above)		$10	Jan 18	Math Lab 60 KMB
Biological Sciences (Biol 100)	Winter		Jan 5–18 Feb 25–28	$20	Jan 18	Biol 100 Office 2276 SFLC
First-Year Writing (Engl 115)	Winter		Jan 5–26	$20	Jan 18	Engl Comp Office 3110 JKHB
Physical Science (PhyS 100)	Winter	Jan 5–18 Feb 25–28 (score of 75% and above)	Jan 5–18 Feb 25–28 (score of 60% to 74%)	$10	Jan 18	PhyS 100 Office N252 ESC
American Heritage (AHtg 100)	Winter		Jan 5–18 Feb 25–28	$20	Jan 18	AHtg Office 2303 SFLC

For information regarding all other challenge examinations, please contact the department that offers the course or exam.

Testing Center Hours

	Center Open	Exams Collected	Center Vacated
Mon–Fri	8:00 a.m.	9:00 p.m.	9:30 p.m.
Sat	9:00 a.m.	12:30 p.m.	1:00 p.m.

General Education Program

Note: The courses listed in the tables on pages 16–18 are subject to change each semester. Some classes listed have approval on a trial basis and may be removed from the list at a later date. Please consult a current class schedule each semester/term to ensure that the class you take is still approved for GE. Some requirements can also be satisfied via AP or IB credit. Check with the Academic Advisement Office, B-238 ASB, telephone (801) 378-3641, for the current mapping of AP/IB exams to GE requirements.

Requirement	Options		Total Hours Req.
LANGUAGES OF LEARNING			
Precollege Math	ACT math subscore of 22 or above; SAT math subscore of 500 or above; or Math 97, 110, 111, or any higher college-level mathematics course.		0–3
First-Year Writing	Engl 115, 216H, HonP 200, Phil 105, or Phil 105H.		3
Advanced Writing	Prerequisite is First-Year Writing or its equivalent. See the list of approved courses in the current class schedule. Some majors require a specific course. Recommended to be taken during junior year.		3
Advanced Languages Four options: Advanced Math, Statistics, Foreign Language, or Advanced Music	Requirement to be satisfied either in mathematics, statistics, in one of three music tracks, or in a foreign language. See the current class schedule for approved math, statistics, music, and foreign language classes.		3–16
***LIBERAL ARTS CORE** (Check with your college advisement center to know which courses you should take.)			
	Option A	**Option B**	
Biology	One course: Biol 100; 130; Mcbio 130; HonP 260; or Zool 101 *and* 102	One course each from two of the three groups: Group 1: Biol 150, Botny 125 Group 2: Biol 276, Zool 205, 355, 276 Group 3: Mcbio 221	3–6
Physical Science	PhyS 100; or PhyS 110A *and* 110B; or HonP 259	One course each from two of the three different departments: Chem 100, 101, 105, 111, 111H, 152 Geol 101, 101H, 103, 111, 330 Phscs 100, 105, 121, 122, 127, 127H	3–7
American Heritage	One course: AHtg 100 or 100H	One of the following two-course combinations: Hist 120 and PISc 110; or Hist 120 and Econ 110; or PISc 110 and Econ 110; or Hist 121 and PISc 110	3–6
Wellness	HEPE 129 or three physical education or dance activity courses (see detailed information in the current class schedule)		1.5–2
Civilization	One 201 and *one* 202 course from the approved list in the current class schedule		6
***ARTS AND SCIENCES ELECTIVES**			
Natural Sciences	Choose from the approved list.		3
Social and Behavioral Sciences	Choose from the approved list.		3
Arts and Letters	Choose from the approved list.		3
			Subtotal: 37.5**

*Classes in the Liberal Arts Core under Option B cannot be used to satisfy both the Liberal Arts Core and the Natural Sciences or Social and Behavioral Sciences Electives; one course or combination of courses cannot fulfill more than one requirement.
**Total "required" hours of general education courses equal 37.5 hours. Students may choose or be required by their department to take options that will add hours, e.g., a 6-hour core option or Foreign Language or Music Advanced Languages tracks. On the other hand, high school algebra or an ACT math score of 22 or above reduces the required GE hours to 34.5.

General Education Courses

Languages of Learning, Liberal Arts Core, and Arts and Sciences Electives

The official list of all courses that satisfy GE requirements for winter 2000 follows. In addition, a GE code appears within the class list in this class schedule. The codes identify all GE courses, both required and elective. Definitions of these codes are listed under Class List Codes on page 25.

Languages of Learning

Requirement	Two Ways to Satisfy Precollege Math Requirement		Comments or Advice
Precollege Math (Precollege Math is equivalent to algebra 2 in high school or Math 97 at BYU) **Note:** Math 97 is a non-credit course and requires an extra fee.	**(1)** If ACT Math subscore is 22 or above or SAT Math subscore is 500 or above, then no college course is required.	**(2)** Any ONE of the following math courses satisfies the Precollege Math requirement: Math 97, 110, or any higher college-level calculus course.	*Freshmen:* If your ACT Math subscore was 22 or above, you have satisfied this requirement. If your score was 21 or below and the last high school math class you passed was (1) algebra 1 or geometry: take Math 97; if (2) algebra 2: take Math 110 or the Precollege Math exemption exam administered by the BYU Testing Center. If you had a full year of college-preparatory mathematics in high school following a year of algebra 2, you have had the material contained in math 110; to satisfy the Precollege math requirement if your ACT Math subscore was less than 22, then take the exemption exam or a math course from the previous column that repeats the last course you had in high school. If you are uncertain of your preparation, please consult the Mathematics Department, 292 TMCB, (801) 378-2061. *Transfer Students:* If your ACT Math subscore was 22 or above, you have satisfied this requirement, If not, submit transfer credit equivalent to any of the courses listed in the previous column, or take the exemption exam. Regarding transfer credit, consult Transfer Evaluations, B-238 ASB, (801) 378-3641.
First-Year Writing (One course, to be completed during freshman year)	Engl 115, 216H, HonP 200, Phil 105, 105H		*Freshmen:* We **strongly** encourage you to take a First-Year Writing course even if you have received AP credit for English, because the skills taught in these courses are essential to a successful university education.
Advanced Writing (One course or sequence)	ArtHC 300; Chem 391; Engl 252, 311, 311H, 312, 313, 315, 315H, 316, 316H; MCom 310, 310H; Phil 311, 311H; HonP 300; PISc 200 **plus** one of the following: 400, 410, 430, 450, 470; Hist 200 **plus** 490.		Completion of the First-Year Writing requirement is a prerequisite for all Advanced Writing courses. Most, but not all, programs recommend completing this requirement in the junior year. Consult your college advisement center.

Languages of Learning (continued)

Requirement		Ways to Satisfy Requirement	Comments or Advice
Advanced Languages (Requirement to be satisfied either in Mathematics, in one of three music tracks, or in a foreign language.)			
Mathematics		Math 112, 112H, 113, 113H, or 119; Stat 221, 221H; Phil 305	The mathematics and statistics courses have Math 110 as a prerequisite; Phil 305 has Phil 205 as a prerequisite.
Music	**Option A**	Music 205	Music 105 or equivalent and 3 hours of Music 160R are prerequisite to Music 205. See the College of Fine Arts and Communications Advisement Center for details. Recommended for non-music majors.
	Option B	Music 301	Music 301 has prerequisites. See the current BYU Undergraduate Catalog for details. Recommended for music majors only.
	Option C	Music 300, Dance 300, TMA 300	These courses have prerequisites. See the current BYU Undergraduate Catalog for details. Recommended for music dance theatre majors only.
Foreign Language (Complete a culminating course in an approved language, or, for less commonly taught languages that have no culminating course, pass proficiency exam and then Anthr 420.) **Returned Missionaries** or others with similar foreign residency should enroll in the 300-level course listed; however, returned missionaries with proficiency in Cantonese, Mandarin Chinese, Japanese, or Korean should enroll in the appropriate 200-level course.		**Approved Culminating courses:** Afrik 202, Arab 301, ASL 301, Bulgn 202, 330, Cant 202, Chin 202, 301, Czech 202, 330, Dansh 202, 340, Dutch 202, 340, Finn 202, 340, Fren 202, 340, Germ 202, 330, Greek (Classical) 301, 302, Heb (Modern) 202, Heb Biblical) 431, Hung 202, 330, Iclnd 202, 429, Ital 202, 340, Japan 202, 221, 301, Korea 202, 301, Latin 301, 301, Norwe 202, 340, Polsh 330, Port 202, 302, 345, 355, Rom 340, Russ 202, 330, Span 202, 302, 345, 355, SrbCr 202, 330, Swed 202, 340, Ukrai 202, 330 **Less commonly taught languages:** Aymara, Cakchiquel, Indonesian, Maori, Navajo, Quechua, Rarotongan, Samoan, Tagalog, Tahitian, Thai, Tongan, Vietnamese, Welsh	For languages with approved culminating courses: The culminating courses are intended to allow the student to access major historical, intellectual, literary, and artistic accomplishments of a foreign culture in its native language. Students entering with high school, college, or extensive prior experience with a foreign language may be able to enroll directly in a culminating course. others will require more basic instruction in the language to achieve the level necessary to succeed in the culminating course. The Humanities Publications Center Lab administers placement testing to determine the appropriate level at which students should begin their course work in 3065 JKHB, telephone (801) 378-7428. Grammar or conversation courses will not substitute for a culminating course. *For less commonly taught languages:* Students independently prepare themselves to take a proficiency exam administered by the Humanities Research Center. Following completion of the exam, students enroll in Anthr 420, where they work with cultural anthropology and linguistics faculty and conduct, in their language of choice, an ethnographic interview project. After successful completion of the proficiency exam and the foreign language section of Anthr 420, students are responsible for petitioning to have the foreign language credit posted to their transcripts. Contact the Humanities Research Center, 3060 JKHB, telephone (801) 378-3511, for additional information. *Nonnative speakers of English:* These students may fulfill the requirement through Engl 230, 232, or Hum 261. However, they are encouraged to fulfill the requirement by completing work in a language other than English or their native tongue.

Liberal Arts Core

Requirement	Ways to Satisfy Requirement		Comments or Advice
Biological Science	**Option A (Core)**	**Option B (Noncore)**	
	One course from Biol 100, Biol 130, Mcbio 130, HonP 260, Zool 101 and 102	One course each from two of the three groups: Group 1: Biol 150, Botny 125 Group 2: Biol 276, Zool 205, 355, 276 Group 3: Mcbio 221	Classes used under Option B to satisfy the core requirement cannot be used to satisfy simultaneously the Natural Sciences elective.
Physical Science	Once course from PhyS 100 or HonP 259; or PhyS 110A *and* 110B	One course each from two of the three departments: Chem 100, 101, 105, 111, 111H, 152 Phscs 100, 105, 121, 122, 127*, 127H* Geol 101, 101H, 103, 111, 330 *Astronomy classes	Classes used under Option B to satisfy the core requirement cannot be used to satisfy simultaneously the Natural Sciences elective.
American Heritage	AHtg 100 or 100H	One of the following two-course combinations: Hist 120 and PISc 110; Hist 120 and Econ 110; PISc 110 and Econ 110; Hist 121 and PISc 110	Classes used under Option B to satisfy the core requirement cannot be used to satisfy simultaneously the Social and Behavioral Sciences elective.
Wellness	HEPE 129	Three physical education or dance activity classes: a. Three 100-level physical education or dance classes *or* b. Two 100-level physical education or dance classes *plus* one enrollment in an intercollegiate or extramural sports or dance performance company class.	An enrollment in PE 100R, 200R, 201R, Dance 468R, 478R, 488R, or 498R may be counted only one time toward the three-course requirement under Option B.
Civilization (One course that covers antiquity to the 1500s *and* one that covers from the 1500s to modern times)	***Course Number*** ArtHC 201, 201H; 202, 202H ClCv 201, 202; 201H, 202H CLit 201, 202; 201H, 202H Engl 201, 202; 201H, 202H Hist 201, 201H; 202, 202H HonP 201, 202 Hum 201, 202; 201H, 202H Mfg 201, 202 Music 201, 202 Phil 201, 202; 201H, 202H Phil 210, 211; 210H, 211H PISc 201, 202; 201H, 202H	***Course Title*** World Civilization to 1500; World Civilization Since 1500 The Classical Tradition 1, 2 History of Civilization: Literature 1, 2 Masterpieces of World Literature 1, 2 World Civilization to 1500; World Civilization Since 1500 History of Civilization 1, 2 Arts in Western Culture 1, 2 History of Creativity in the Arts, Science, and Technology 1, 2 History of Civilization: Music 1, 2 History of Philosophy 1, 2 Science of Civilization 1, 2 Western Political Heritage 1, 2	A number of departments offer two-course sequences arranged chronologically, with the dividing line at approximately 1500 A.D. Students are to take one class from each of the two time periods. The courses need not be taken from the same department nor in chronological order. Some major programs specify a particular civilization sequence, so students are advised to check major requirements before selecting their civilization courses.

Arts and Sciences Electives

Requirement	Ways to Satisfy Requirement	Comments or Advice
Arts and Letters (One course) In addition to the courses listed to the right, courses offered by the Honors Program with numbers HonP 203–220 or HonP 303–320 or by the General Education and Honors Office with numbers GE 203–220 or GE 303–320 will fill an Arts and Letters elective. HonP 214R is ***not*** an Arts and Letters elective.	***Course Number*** — ***Course Title*** ArtHC 111 — Introduction to Art History ArtHC 260 — Survey of Western Architecture ClCv 110, 110H — Introduction to Greek and Roman Literature ClCv 241, 241H — Greek and Roman Mythology ClCv 245 — Golden Age of Greece ClCv 246 — Golden Age of Rome Dance 260, 260H — Introduction to Dance Engl 230 — Fiction, Drama, Poetry Engl 232 — Shakespeare Engl 235 — Masterpieces of American Literature Engl 236 — Masterpieces of English Literature Engl 300 — English Literature in a Cultural Setting Engl 336 — The American Novel Engl 350 — The Bible as Literature Engl 359 — The Short Story Engl 368 — Literature of the Latter-day Saints Engl 391 — Introduction to Folklore FnArt 270 — European Fine Arts Foreign Literature Chin 344; Germ 430, 431; Ital 460; Japan 343, 344, 353, Korea 340; Port 339; Russ 241, 242; Span 339. Brigham Young University Honors Program

University Honors is a distinction awarded to all graduates of BYU who have met the honors requirements in general education as described below. This prestigious designation is recorded on the university diploma, on the official transcript of grades, and in the graduation program. It is widely recognized as an indication of exceptional academic achievement.

Participation in Honors

Honors education provides an unusually rich and challenging experience for capable and motivated undergraduate students. Its purpose is to assist students as they establish lifelong patterns of learning and appreciation of the world's great treasures of knowledge. Honors education is not merely a more intensive general education or a more strenuous program in a major. Rather, it provides students with the advantages of an enriched education in a small-class setting with excellent professors, while utilizing all of the advantages of a large university. Students who pursue honors education at Brigham Young University take honors courses that meet general education requirements and participate in an intensive honors thesis experience in their major.

To graduate from BYU, students must meet not only the requirements of a major department but also the requirements of general education and religion. Most students complete the nonmajor requirements through courses in the general university curriculum. Because all students must complete general education requirements, some required general education classes have high enrollments, and there is little opportunity for students to interact with the professors. The honors program invites capable and motivated students to satisfy general education and religion requirements through honors as alternatives to the standard general and religious education programs. Honors courses have small enrollments (usually less than 30 students per class) and are focused on class discussion and writing.

Although it is hoped that students will choose to complete all of the requirements for the University Honors designation, those who do not intend to do so are welcome to participate in the honors program to whatever extent they choose. All students are invited to consider honors as a way to achieve the kind of academic experiences they seek. Students may register for honors courses at any time during their undergraduate years without necessarily intending to complete all the honors graduation requirements.

Honors education is open to all students who choose to participate; there is no formal membership in the honors program. Students who intend to graduate with University Honors should complete a commitment form that may be obtained from the Honors Advisement Center in 102A Maeser Building (MSRB).

Facilities and Opportunities Available to Honors Students

The honors program is housed in the historic Maeser Building on the southwest part of campus. This quiet corner of campus is surrounded by beautiful grounds and wooded areas. The building is named after Karl G. Maeser, the first principal of Brigham Young Academy (the school that later became Brigham Young University). A bronze statue of Karl G. Maeser stands at the building's east entrance. The Maeser Building was constructed in 1911 and is the oldest building on the current campus. Its marble halls are richly decorated with oak and brass trim. The building was restored in 1985 with modern electrical and ventilation systems, but its historic architecture and decoration were retained.

Facilities for honors students in the Maeser Building include the Honors Reading Room in 150 MSRB, with study tables and a small library of reference works and classics; the Honors Common Room in 102 MSRB, where students can meet for informal discussions; an art gallery in the lower-floor hall; the Honors Advisement Center in 102A MSRB, where students receive counseling about their honors education; and the Martha Jane Knowlton Coray Lecture Hall in 321 MSRB, where classes, lectures, and musical concerts are held.

Students who have committed to graduate with University Honors and are active participants in the honors program are eligible for reduced-rate or free admission to selected musical and theatrical performances, some of which include visiting performers of international renown. Honors students receive free admission to International Cinema, a series of foreign films shown on the BYU campus. They also have priority registration privileges for honors courses. The honors program sponsors lectures, concerts, symposia, and socials. The students can also participate in intercampus events with honors students from other universities and colleges. Each week during fall and winter semesters the honors program sponsors an honors devotional featuring a religious presentation by a professor or member of the community. Students are invited to participate with the Honors Student Advisory Council, a group of student representatives who assist in policy development, social activities, and academic functions of the honors program.

Who Should Participate in Honors

The characteristics that best define honors students are motivation and a strong desire to obtain the most from the educational experience that BYU has to offer. Honors students seek breadth in their education by taking honors courses outside of their majors. They excel within their majors by learning how to conduct research and scholarly work within their chosen fields. They usually tend to work harder and spend more time on their course work than other students, not because their courses are more difficult but because they take courses that interest them. They attend concerts, plays, films, lectures, and art exhibitions, and they participate in informal discussions with their professors and fellow students. Because many of their classes are small and discussion-oriented, they are personally acquainted with their professors. They become well-rounded, literate, and humane scholars whose faith in the restored gospel is strong. Their thirst for knowledge lasts a lifetime. They are not necessarily those with the highest grade-point averages or the highest standardized test scores, nor do all honors students have scholarships. Approximately 9 percent of the BYU student body participates in honors, but many of these students do not complete all of the requirements for graduation with University Honors. To whatever degree students participate in honors, they benefit from an enriched education. The honors program invites all BYU students who seek enhancement in their educational experience to take advantage of the many opportunities that the honors program offers.

Overview of Requirements for Graduation with University Honors

This section provides a brief overview of the requirements to graduate with University Honors. Detailed explanations of each requirement follow this section. The staff in the Honors Advisement Center in 102A MSRB (801-378-5497) is available to answer questions about honors requirements. To graduate with University Honors, you must:

1. Commit to graduate with University Honors and consult with an Honors Advisement Center representative once each semester.
2. Complete the honors curriculum requirement.
3. Complete the honors great works requirement.
4. Complete the honors advanced languages requirement.
5. Complete the honors service requirement.
6. Complete the honors thesis requirement.
7. Have a cumulative grade point average of at least 3.5.
8. Submit a graduation portfolio that summarizes your honors experiences.

These requirements are intended to enhance all aspects of your undergraduate education. At Brigham Young University there are three components of an undergraduate education: major education, general education, and religious education. The requirements for graduation with University Honors enhance all three of these components. The honors curriculum, great works, and advanced languages requirements enhance the general and religious education components. The honors thesis requirement enhances the major education component.

Detailed Explanations of Requirements for Graduation with University Honors

1. Commit to Graduate with University Honors and Consult with an Honors Advisement Center Representative Once Each Semester.

Students may commit to graduate with University Honors at any time during their undergraduate years by completing a form available at the Honors Advisement Center. Students who have formally committed to graduate with University Honors have certain privileges, among them the opportunity to preregister for honors courses and to receive reduced-rate admission to certain musical and theatre performances and films. To keep the commitment current, students must enroll in at least one honors course per semester for the first two years in the program and consult with an Honors Advisement Center representative once each semester. Consultation with the advisement center allows the honors program to know your plans so advisement personnel can help you register for the correct classes and keep you informed of honors activities.

2. Honors Curriculum Requirement.

The honors curriculum requirement enhances the general and religious education components of your undergraduate education. Nearly all honors courses and honors sections of department courses meet the general and religious education requirements that all BYU students must complete. You should consult this course guide to be sure which general and religious education requirements are met by the courses for which you choose to register.

To fulfill the honors curriculum requirements, you must complete 22 credit hours selected from honors courses and honors sections of department courses, subject to the following limitations:

(a) Three of the 22 credit hours must be from one of the following writing courses: Honors 200, Philosophy 105H, or English 216H.

(b) No more than 12 credit hours from honors sections of department courses can be used to meet this requirement. Of these, no more than four credit hours can be from honors sections of religion courses.

(c) No more than three credit hours of Honors 214R can be used to meet this requirement.

All BYU students must complete at least 34.5 credit hours to meet general education requirements and 14 credit hours to meet religious education requirements.

Honors options are available for nearly all of these requirements. Honors 499R (honors thesis) does not count as credit for the honors curriculum requirement but can be used as credit for completion of the honors thesis requirement.

3. Great Works Requirement.
The honors great works requirement introduces you to the world's treasures of literature, music, theatre, film, and art. It is intended to enhance not just your undergraduate education but your entire life as it encourages you to develop a lifelong pattern of experiencing the great works of humanity. You can fulfill this requirement entirely on your own, or you may include works of literature, music, theatre, film, and art that you study as part of your course work. BYU provides many opportunities to fulfill this requirement within its course offerings and its rich schedule of musical, theatrical, and artistic productions. Some of the great works are part of many honors courses. The honors program provides reduced-rate admission for honors students to attend selected performance events. Most faculty and student recitals and most art exhibitions are open to students and the public with no admission charge.

This requirement must be met during the time you are an undergraduate student. You cannot reduce the requirement by counting works that you studied during high school. You will benefit most from this requirement if you spread it out over your undergraduate years. Each area requires you to study or attend 16 works, performances, or exhibitions—which is four per year in each area if you spread them out over a period of four years. A packet entitled How to Complete the Great Works Requirement provides detailed information about this requirement and will soon be available at the Honors Advisement Center (102A MSRB) or electronically at http://ucs.byu.edu/gened/honors/greatworks/. This packet includes the detailed information you will need and a checklist that you can use to ensure that you properly complete this requirement.

To fulfill this requirement during your four years as an undergraduate, you must:

(a) Read 16 works of literature from the approved reading list in the How to Complete the Great Works Requirement packet or from approved substitutions to that list. You must choose at least one work from each of the following categories of literature in the Western tradition: classical, medieval, renaissance and reformation, 17th and 18th centuries, 19th century, and 20th century; and at least one work from the non-Western tradition. The remaining nine works can be from any of the time periods and from Western or non-Western traditions. As you make your selections, choose at least one work from each of the following fields: science and mathematics, social science, female author, and persons of color.

Inclusion of works not on the approved list is permitted but requires completion of a substitution form (available in the Honors Advisement Center) that must be preapproved by the dean or an associate dean of General Education and Honors before you begin reading the substituted work.

(b) Attend 16 theatrical performances, including at least one play by Shakespeare.

(c) Attend 16 musical performances. The performances must include at least two symphonies, one concerto, one opera, four faculty or student recitals, one jazz performance, and one dance performance.

(d) Attend 16 films presented through BYU's Department of Theatre and Media Arts or the International Cinema program. At least eight of the films should be in a language other than English. (Foreign language films shown in International Cinema have English subtitles.)

(e) Attend 16 art exhibitions (either traveling exhibitions or permanent collections) at local art museums (BYU Museum of Art, Springville Museum of Art, and Church Museum of History and Art) and/or at renowned national or international art museums. Students who have the opportunity to travel are strongly encouraged to visit renowned national or international art museums to meet this requirement.

(f) As part of your graduation portfolio, submit 10 response papers that examine two works of literature, two theatrical works, two pieces of music, two films, and two works of art from the lists included in the How to Complete the Great Works Requirement packet. The packet also contains detailed instructions on how to write your responses.

4. Honors Advanced Languages Requirement.
Honors students must gain proficiency in a foreign language (at least two semesters of foreign language study, or the equivalent) and proficiency in advanced mathematics, statistics, or logic (at least one course from Math 112, 112H, 113, 113H, 119, Stat 221, 221H, 222, 222H, 321, Phil 305, or an acceptable substitute). Fulfillment of this requirement meets and exceeds the general education advanced languages requirement.

5. Honors Service Requirement.
Students who participate in honors are invariably gifted and highly motivated. The honors program encourages students to share their gifts with others through meaningful service. To complete this requirement you must participate in some form of service that draws upon your unique talents and abilities during your undergraduate years. This requirement is flexible in that it allows you to define the form of service you plan to use to meet this requirement. Your contribution may be in a single project or spread out over several projects. Examples of service projects that students have used to complete this requirement include volunteer tutoring of high school or college students; assistance in programs that benefit people who are handicapped, elderly, ill, or impoverished; service as a volunteer in museums, hospitals, parks, or other public facilities; and participation on restoration or conservation projects. Your service can be part of activities sponsored by educational, religious, government, business, or charitable organizations, including BYU and the LDS Church, or you can plan and carry out service on your own. For those students who serve full-time LDS missions, the service that meets this requirement should be carried out while you are a student and should be in addition to any service you perform as a full-time missionary. Missions often provide students with skills and opportunities that they can use to provide significant service after their full-time missions are completed.

6. Honors Thesis Requirement.
The honors thesis requirement gives you the opportunity to participate in original research or creative work in the discipline of your major. Honors students typically complete the thesis requirement during their junior and senior years after they have obtained sufficient training in their major to conduct independent work in a specialized academic field. Each student chooses a faculty advisor in the department of his or her major and in consultation with the advisor chooses a thesis topic. The topic must be one that is acceptable for a master's thesis in the discipline. The level of an honors thesis does not need to be as high as a master's thesis, although many honors theses achieve the same level as a good master's thesis.

Students should complete significant course work within the subject area of the thesis (usually at least 30 credit hours, several of which are from 300- or 400-level major courses). The thesis is intended to acquaint students firsthand and in depth with the type of scholarly work that characterizes the field they intend to pursue professionally. For these reasons, only under very rare circumstances is an honors thesis topic outside of the major area approved. In most cases students who complete a thesis outside of the major do so in a very closely related area. In a few cases a thesis topic outside of a student's major may be approved if the student intends to pursue a career in the area of the thesis and has significant academic preparation in that area. For example, a music major who intends to enroll in medical school may have taken 30 credit hours of course work in chemistry, mathematics, physics, and biology in preparation for medical school and may complete a thesis in an area such as cancer research, even though the thesis has little to do with the student's major. In the absence of such justification, students should not pursue thesis work outside of their majors.

Before you begin work on an honors thesis, you must submit a written thesis proposal and have it approved by the Honors Program Office. Guidelines for writing the thesis proposal are available in a packet entitled How to Complete the Honors Thesis Requirement that will soon be available in the Honors Advisement Center or electronically at http://ucs.byu.edu/gened/honors/thesis/. You can request financial support as a part of the thesis proposal. Many honors students obtain competitive undergraduate research grants from BYU's Office of Research and Creative Activities for honors thesis work. Also, many professors and departments have research funding that can be devoted to research on an honors thesis. Personnel in the Honors Program Office can help you explore the various opportunities that are available to support your work on an honors thesis.

After the thesis research is complete and the thesis is written, each student must present a thesis defense. The thesis advisor, a faculty referee, and the dean or an associate dean of General Education and Honors will attend the thesis defense. After the thesis defense is completed and all final changes are incorporated into the thesis, the honors program will have the thesis bound and make it available for others to read.

7. Have a Cumulative Grade-Point Average (GPA) of at Least 3.5.
Honors students are not necessarily those with the highest GPAs, although most perform very well in their classes. Rather than select easy courses to receive high grades, honors students tend to seek challenging courses taught by excellent professors, and they participate in a variety of activities. Honors students are expected to perform well academically, defined as a minimum GPA of 3.5 at the time of graduation.

8. Submit a Graduation Portfolio That Summarizes Your Honors Experiences.
The honors portfolio is a record of your undergraduate experience. It is a file kept by all candidates for University Honors graduation and is submitted for review at the same time the completed thesis is submitted. The portfolio contains samples of your best academic work from your undergraduate program. Although you should place your best work in the portfolio, the file is intended as a record of growth; thus early struggling attempts also have their place. It is always illuminating to see where you have been and how far you have come.

When submitted for examination, the portfolio should contain (but is not limited to):

1. A one- or two-page summary, semester-by-semester, of the major highlights and achievements of your undergraduate experience.
2. A one-page evaluation of the most memorable service you contributed as an undergraduate student.

3. A current transcript indicating a GPA of at least 3.5.
4. A list of three faculty members who know you and can recommend your academic record.
5. A representative collection of your best academic work, reflecting educational progression throughout the undergraduate years.
6. Ten great works response papers.

Note: The general website for the BYU Honors Program is http://ucs.byu.edu/gened/honors/.

Honors Courses

Dates and times for honors classes are listed in the class list of this class schedule under Honors or by any class with the suffix *H* accompanied by a section number in the 200s.

The University Honors Program Course Guide also contains a complete list of honors courses and detailed course descriptions. It is an essential supplement to the current undergraduate catalog and this class schedule. To obtain the course guide or further information about the honors program, contact the Honors Advisement Center, 102A MSRB, telephone (801) 378-5497.

Brigham Young University Academic Standards

Academic Support Office, 2500 WSC, (801) 378-2723

A student's academic standing at BYU is determined according to the grades that the student earns at BYU. The following outline shows the conditions and expectations according to the student's academic standing. **Note:** College advisement centers (CACs) may also set registration blocks on students not progressing toward timely graduation. In such cases, students must also meet with their CAC to have this block removed.

ACADEMIC STANDING		*UNDER THESE CONDITIONS*	*EXPECTATIONS*
GOOD	SATISFACTORY	When the most recent semester/term GPA and the BYU cumulative GPA are 2.0 or above.	The student should continue to maintain a BYU cumulative GPA of 2.0 or higher until graduation.
GOOD	PREVIOUS	The same as Satisfactory standing but distinguishes students who have been on Probation or Suspension standing in the past.	The student should continue to maintain a BYU cumulative GPA of 2.0 or higher until graduation. The student will go directly to Probation if in the future the student has a semester or term GPA below 2.0.
WARNING	WARNING **Includes** a registration block.	When the most recent semester/term GPA is below 2.0 and the student has not been on Probation or Suspension standing in the past. OR When the most recent semester/term GPA is 2.0 or higher but the BYU cumulative GPA is below 2.0 and the student has not been on Probation or Suspension standing in the past.	The student must contact the Academic Support Office to review the student's academic standing. Any enrollment beyond the current semester/term will be dropped, and the student **WILL NOT** be allowed to register for future semesters/terms until faculty mentor support is obtained and the student is cleared through the Academic Support Office.
PROBATION	PROBATION **Includes** a registration block.	When the most recent semester/term GPA is below 2.0 and the student was on Warning standing. OR When the most recent semester/term GPA is below 2.0 and the student has been on Probation or Suspension in the past (was on Previous standing). OR When the most recent semester/term GPA is 2.0 or higher but the BYU cumulative GPA is below 2.0 and the student has been moved to Probation standing.	The student must contact the Academic Support Office to review the student's academic standing. Any enrollment beyond the current semester/term will be dropped and the student **WILL NOT** be allowed to register for future semesters/terms until faculty mentor support is obtained and the student is cleared through the Academic Support Office. **Note:** If a student is receiving university or federal financial aid, the student must also contact the Financial Aid Office, A-41 ASB, (801) 378-4104. Students on Probation are usually not eligible for financial aid.
SUSPENDED	SUSPENSION	When the most recent semester/term GPA is below 2.0 and the student was on Probation standing. OR When a student fails to comply with the conditions prescribed by the Academic Standards Committee.	1. A student who is academically suspended from BYU will be dropped immediately from all enrollment in day, evening, or extension classes (except Independent Study). 2. A suspended student is denied enrollment in BYU day, evening, or extension classes (except Independent Study) for a minimum of 12 months. After 12 or more months out of BYU, the student may apply for readmission for winter semester or spring or summer term. If the student completes any college-level work while on Suspension, the student must receive an overall GPA of 3.0 or higher to be allowed readmission to BYU. The student should contact the Admissions Office, A-153 ASB, (801) 378-2507, for details and pertinent information about deadlines for consideration and expectations upon readmission. 3. A student with extenuating circumstances who has appropriate support and justification may appeal the 12-month period out of BYU through the Academic Standards Committee. The student should contact the Academic Support Office for assistance. No other appeals will be considered. 4. "SUSPENSION FOLLOWING (specific semester/term)" will be noted on the student's official BYU transcript.
SUSPENDED	DISMISSED	When a student is suspended a second time from the university.	"DISMISSED FOLLOWING (specific semester/term)" will be noted on the student's official BYU transcript. The student is denied any future enrollment at Brigham Young University. No appeals will be considered.

Graduate Studies

Brigham Young University offers doctoral and master's degrees in a broad range of fields, as well as professional degrees in law and management. The doctoral degree requires you to demonstrate an impressive scholarly competence, which includes the ability to conduct and report significant research in a highly effective way. Advanced systematic study in a discipline is also essential, and it is followed by comprehensive examinations that require you to integrate and understand the collective knowledge of your discipline. An impeccably written dissertation resulting from independent research is scrutinized and tested in a concluding oral examination. The master's degree also requires advanced course work, demonstrated mastery in vital aspects of a discipline, skill in research methodology and theory, and preparation for future creative work. Nearly all nonprofessional master's programs at Brigham Young University require integrating examinations and a major culminating piece of written work—usually a thesis, sometimes a project—and an oral examination on that work. Professional programs also demand high-level performance of students, blending scholarly insight with technical knowledge and skill.

Admission to Graduate Study

Application to graduate study is made through the Office of Graduate Studies, B-356 ASB, PO Box 21339. Except in a small number of integrated programs, the bachelor's degree is required before you may register in a graduate program. Admission to graduate study is determined by individual departments, once standard university requirements have been met. Applicants are admitted to study in specific programs, many of which are highly selective and admit only a limited number of students each year. If you are a prospective applicant, you should communicate your interest to the specific departments to which you wish to apply, and they will forward program and admission information.

Advisement of Graduate Students

Once admitted to a department graduate program, you are advised by particular faculty members and the department graduate coordinator rather than through college advisement centers. Direct general questions about university admissions, procedures, and graduation to the Office of Graduate Studies, where advisors work individually with students and departments in admitting students and seeing them through their programs to graduation. Graduate students should read and regularly consult the current BYU Graduate Catalog for information about university policies and procedures as well as department programs.

Degree Requirements

University minimums require 54 credit hours for the doctoral degree and 30 credit hours for the master's degree. A number of programs, particularly professional programs, require more than those minimums. The highly individual nature of graduate work is reflected in the specialized programs offered by departments and the selection of courses appearing on each student's program of study. Except in professional programs, programs of study are tailored for individual students, and their progress through those courses is tracked by the Office of Graduate Studies and reported to the students and their department advisors three times a year.

Graduate Curriculum

Graduate courses in the university are numbered in the five, six, and seven hundreds. Seniors with exceptional ability may, on occasion, register for courses numbered in the 500 series but should be aware that such courses are taught at a graduate level, and expectations may exceed the undergraduate's preparation. Graduate courses generally require significant research and individual initiative.

Registration Requirements

Given the more intensive nature of graduate study, a normal semester registration is from 9 to 12 credit hours. Some programs limit students to a 6-hour registration. It is the responsibility of each graduate student to understand and follow both the general university requirements for graduate work and the specific department requirements for individual programs.

U.S. graduate students must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester or term in which they are (a) admitted into a graduate program or (b) plan to graduate. No D, E, UW, NS, or I grades; audits; or correspondence courses may count toward these totals or toward a graduate degree.

Immigration regulations require international students to register for at least 9 semester hours each fall and winter semester until they have fewer than 9 credit hours remaining to finish their programs. Then they must register for at least 2 semester hours and receive clearance from International Services, 1351 WSC, PO Box 25520.

Academic Standards

Grade Point Average (GPA) Requirements

Graduate students whose graduate program of study GPA falls below 3.0 (prerequisite and skill courses are exempted) will not be allowed to graduate and may be dismissed from their graduate programs. No D credit may apply toward a graduate degree.

Annual Reviews of Graduate Students

Departments are asked to make a formal evaluation of the performance of graduate students at least once a year; some evaluate more frequently. Each department establishes its own evaluation criteria and the standards it requires graduate students to meet, but generally evaluations are based on students' total academic performance, their fulfillment of program requirements (program of study submitted, courses completed on schedule, prospectus approved by department, student advanced to candidacy), and their professional performance (including quality of teaching and research).

Enrollment Verification

Graduate students may request verification of their enrollment status as full-time or part-time students, for loans or for other purposes, from the Records Office, B-150 ASB, PO Box 21114, telephone (801) 378-2631. Registration for a minimum 8.5 credit hours constitutes full-time enrollment in a semester, and 4.5 credit hours does so in a term. Registration for fewer hours constitutes part-time enrollment.

Graduate students (master's and doctoral students) who are enrolled for at least 2 hours per semester, and who can be certified by their department as being engaged full-time in pursuit of their degrees, can petition for graduate full-time status. Requests for such an exception should be directed to the Office of Graduate Studies.

Campus Privileges for Graduate Students

Graduate students who are registered for at least 2 hours per semester or 1 hour per term receive a university (ID) activity card and are eligible for all on-campus privileges afforded students who are registered full-time, i.e., on-campus employment, student housing, student insurance, intramurals, use of physical education facilities, graduate parking permits, and discount admission to sporting and cultural events.

Changing Degree Levels

With department approval, students may change from one degree level to another within a department and without interruption of enrollment. Request the change by submitting to the Office of Graduate Studies a Request to Change Degree Level (Form 1c), paying the application fee, and following the instructions on the back of the form. After receiving a department's recommendation to approve or deny the request, the Office of Graduate Studies will officially notify you.

Changing Departments

To change departments, you must submit another complete application, including another application fee, by the required deadline for the new program.

Discontinuance from BYU

Graduate students who wish to withdraw from the university must initiate that process at the Discontinuance Office, B-150 ASB, telephone (801) 378-7705.

Termination of Graduate Status

Termination of graduate status may result if you:

1. Fail to fulfill the university's minimum registration requirement.
2. Fail to meet the degree time limit.
3. Make a request to withdraw (with the intent to pursue a degree at another university, for personal reasons, or in response to department recommendation).
4. Receive a Marginal or Unsatisfactory rating in a periodic review by the academic department and are unable or unwilling to comply with conditions for continuance outlined by the department.
5. Fail to make what the department or the university deems to be satisfactory progress toward a graduate degree.
6. Fail the departmental comprehensive examination.
7. Fail the final oral examination (defense of dissertation, thesis, or project).
8. Violate the university's Honor Code.

Church Educational System Honor Code

Brigham Young University, Brigham Young University—Hawaii, Ricks College, and LDS Business College exist to provide an education in an atmosphere consistent with the ideals and principles of The Church of Jesus Christ of Latter-day Saints. That atmosphere is created and preserved through commitment to conduct that reflects those ideals and principles. Members of the faculty, administration, staff, and student body at BYU, BYU—H, Ricks College, and LDSBC are selected and retained from among those who voluntarily live the principles of the gospel of Jesus Christ. Observance of such is a specific condition of employment and admission. Those individuals who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standards of conduct, except church attendance. All who represent BYU, BYU—H, Ricks College, and LDSBC are to maintain the highest standards of honor, integrity, morality, and consideration of others in personal behavior. By accepting appointment on the faculty, continuing in employment, or continuing class enrollment, individuals evidence their commitment to observe the Honor Code standards approved by the Board of Trustees "at all times and . . . in all places" (Mosiah 18:9).

Honor Code Statement

We believe in being honest, true, chaste, benevolent, virtuous, and in doing good to all men. . . . If there is anything virtuous, lovely, or of good report or praiseworthy, we seek after these things.
—THIRTEENTH ARTICLE OF FAITH

As a matter of personal commitment, students, faculty, and staff of Brigham Young University, Brigham Young University—Hawaii, Ricks College, and LDS Business College seek to demonstrate in daily living on and off campus those moral virtues encompassed in the gospel of Jesus Christ, and will

Be honest
Obey the law and all campus policies
Live a chaste and virtuous life
Use clean language
Respect others
Abstain from alcoholic beverages, tobacco, tea, coffee, and substance abuse
Observe the Dress and Grooming Standards
Participate regularly in church services
Encourage others in their commitment to comply with the BYU Honor Code.

Specific policies embodied in the Honor Code include (1) the Academic Honesty Policy, (2) the Dress and Grooming Standards, (3) the Residential Living Standards, and (4) the Continuing Student Ecclesiastical Endorsement. (Refer to institutional policies for more detailed information.)

Academic Honesty Policy

The first injunction of the BYU Honor Code is the call to "be honest." Students come to the university not only to improve their minds, gain knowledge, and develop skills that will assist them in their life's work, but also to build character. "President David O. McKay taught that character is the highest aim of education" (The Aims of a BYU Education, p. 6). It is the purpose of the BYU Academic Honesty Policy to assist in fulfilling that aim.

BYU students should seek to be totally honest in their dealings with others. They should complete their own work and be evaluated based upon that work. They should avoid academic dishonesty and misconduct in all its forms, including but not limited to the following: plagiarism, fabrication or falsification, cheating, and other academic misconduct.

Plagiarism

Intentional plagiarism is a form of intellectual theft that violates widely recognized principles of academic integrity as well as the Honor Code. Such plagiarism may subject the student to appropriate disciplinary action administered through the university Honor Code Office, in addition to academic sanctions that may be applied by an instructor. Inadvertent plagiarism, although not in violation of the Honor Code, is nevertheless a form of intellectual carelessness that is unacceptable in the academic community. Plagiarism of any kind is completely contrary to the established practices of higher education, where all members of the university are expected to acknowledge the original intellectual work of others that is included in one's own work. In some cases, plagiarism may also involve violations of copyright law.

Intentional Plagiarism

Intentional plagiarism is the deliberate act of representing the words, ideas, or data of another as one's own without providing proper attribution to the author through quotation, reference, or footnote.

Inadvertent Plagiarism

Inadvertent plagiarism involves the inappropriate, but nondeliberate, use of another's words, ideas, or data without proper attribution. Inadvertent plagiarism usually results from an ignorant failure to follow established rules for documenting sources or from simply being insufficiently careful in research and writing. Although not a violation of the Honor Code, inadvertent plagiarism is a form of academic misconduct for which an instructor can impose appropriate academic sanctions. Students who are in doubt as to whether they are providing proper attribution have the responsibility to consult with their instructor and obtain guidance.

Examples of Plagiarism

Direct Plagiarism—The verbatim copying of an original source without acknowledging the source.

Paraphrased Plagiarism—The paraphrasing, without acknowledgment, of ideas from another that the reader might mistake for your own.

Plagiarism Mosaic—The borrowing of words, ideas, or data from an original source and blending this original material with one's own without acknowledging the source.

Insufficient Acknowledgment—The partial or incomplete attribution of words, ideas, or data from an original source.

Plagiarism may occur with respect to unpublished as well as published material. Acts of copying another student's work and submitting it as one's own individual work without proper attribution is a serious form of plagiarism.

Fabrication or Falsification

Fabrication or falsification is a form of dishonesty where a student invents or distorts the origin or content of information used as authority. Examples include

1. Citing a source that does not exist.
2. Attributing ideas and information to a source that are not included in the source.
3. Citing a source for a proposition that it does not support.
4. Citing a source in a bibliography when the source was neither consulted nor cited in the body of the paper.
5. Intentionally distorting the meaning or applicability of data.
6. Inventing data or statistical results to support conclusions.

Cheating

Cheating is a form of dishonesty where a student attempts to give the appearance of a level of knowledge or skill that the student has not obtained. Examples include

1. Copying from another person's work during an examination or while completing an assignment.
2. Allowing someone to copy from you during an examination or while completing an assignment.
3. Using unauthorized materials during an examination or while completing an assignment.
4. Collaborating on an examination or assignment without authorization.
5. Taking an examination or completing an assignment for another, or permitting another to take an examination or to complete an assignment for you.

Other Academic Misconduct

Academic misconduct includes other academically dishonest, deceitful, or other inappropriate acts that are intentionally committed. Examples of such acts include but are not limited to

1. Inappropriately providing or receiving information or academic works so as to gain unfair advantage over others.
2. Planning with another to commit any act of academic dishonesty.
3. Attempting to gain an unfair academic advantage for oneself or another by bribery or by any act of offering, giving, receiving, or soliciting anything of value to another for such purpose.
4. Changing or altering grades or other official educational records.
5. Obtaining or providing to another an unadministered test or answers to an unadministered test.
6. Breaking and entering into a building or office for the purpose of obtaining an unauthorized test.
7. Continuing work on an examination or assignment after the allocated time has elapsed.
8. Submitting the same work for more than one class without disclosure and approval.

Procedures for Handling Incidents of Academic Dishonesty or Other Academic Misconduct

Faculty are responsible to establish and communicate to students their expectations of behavior with respect to academic honesty and the student's conduct in the course. The responsible instructor shall investigate the incident, determine and take appropriate action. Instructors should also notify the Honor Code Office of the final disposition of any incident of academic dishonesty to encourage appropriate behavior and to discourage repeated violations. If the incident of academic dishonesty involves the violation of a public law, e.g., breaking and entering into an office or stealing an examination, the act should also be reported to University Police. If an affected student disagrees with the determination or action and is unable to resolve the matter to the mutual satisfaction of the student and the instructor, the student may have the matter reviewed through the university's grievance process (Student Academic Grievance Procedure).

Applicable Actions

A wide range of possible actions exists for cases of academic dishonesty. Instructors should take actions that are fair and equitable under the circumstances and should attempt to reach an understanding with

the affected student on the imposition of an appropriate action. In some cases, the department, the college, or the university may also take actions independent of the instructor. Examples of possible actions include but are not limited to the following:

For instructors, programs, departments, and colleges:

- Reprimanding the student orally or in writing.
- Requiring work affected by the academic dishonesty to be redone.
- Administering a lower or failing grade on the affected assignment, test, or course.
- Removing the student from the course.
- Recommending probation, suspension, or dismissal.

For the university:

The university may elect to place an affected student on probation or to suspend or dismiss the student, and to place a temporary or permanent notation on the student's permanent academic transcript that he or she was suspended or dismissed due to academic misconduct.

The university may report an incident of academic misconduct to appropriate law enforcement officials and may prosecute an affected student if the act in question involves the commission of a crime (e.g., breaking into an office or building, stealing an examination, etc.).

Honor Code Office Involvement

The Honor Code Office will maintain a record of all violations of the Academic Honesty Policy reported to it by the faculty. If the occurrence is sufficiently egregious or if a pattern of dishonesty or misconduct is discovered, the Honor Code Office may take additional action on behalf of the university based upon the nature of the infraction(s). The Honor Code Office, in consultation with the involved academic personnel, may determine to place a student on probation or to recommend a student be suspended or dismissed for academic dishonesty and other forms of academic misconduct.

Shared Responsibility Policy Statement

Students are responsible not only to adhere to the Honor Code requirement to be honest but also to assist other students in fulfilling their commitment to be honest.

Faculty Academic Integrity

The substantive standards of academic honesty stated in this policy apply *a fortiori* to faculty. Indeed, all members of the BYU community are expected to act according to the highest principles of academic integrity.

Sources

A large number of publications and policies of colleges and universities were reviewed in creating BYU's Academic Honesty Policy. Some of the content and structure of this policy were adapted from the following sources:

1. "Academic Honesty," a brochure produced by the Office of Judicial Affairs, University of Florida.
2. "Academic Honesty and Dishonesty," a brochure produced by the Office of the Dean of Students, University of Delaware.
3. "Academic Honesty and Dishonesty," a brochure produced by the Dean of Students' Office, Louisiana State University.
4. "A Statement on Plagiarism," a committee report from the October 1994 Conference on the Center for Academic Integrity, Tom Langhorne, Binghamton University (chair).
5. "Definition of Plagiarism," by Harold C. Martin, taken from *The Logic and Rhetoric of Exposition*, by Harold C. Martin, Richard M. Ohmann, and James H. Wheatly, 3rd ed. (New York: Holt, Rinehart and Winston, 1969).
6. *Legal Aspects of Plagiarism*, by Ralph D. Mawdsley (Topeka, Kansas: National Organization on Legal Problems of Education, 1985).
7. "Plagiarism—The Do's and Don'ts," a brochure produced by the Office of Student Judicial Affairs of the University of California—Davis.

Dress and Grooming Standards

The dress and grooming of both men and women should always be modest, neat, and clean, consistent with the dignity adherent to representing The Church of Jesus Christ of Latter-day Saints and any of its institutions of higher learning.

Modesty and cleanliness are important values that reflect personal dignity and integrity, through which students, staff, and faculty of BYU represent the principles and standards of the Church. Members of the BYU community commit themselves to observe the following standards, which reflect the direction of the BYU Board of Trustees and the Church publication *For the Strength of Youth.* The BYU Dress and Grooming Standards are as follows:

Men. A clean and well-cared-for appearance should be maintained. Clothing is inappropriate when it is sleeveless, revealing, or form fitting. Shorts must be knee-length or longer. Hairstyles should be clean and neat, avoiding extreme styles or colors, and trimmed above the collar leaving the ear uncovered. Sideburns should not extend below the earlobe or onto the cheek. If worn, moustaches should be neatly trimmed and may not extend beyond or below the corners of the mouth. Men are expected to be clean-shaven; beards are not acceptable. Earrings and other body piercing are not acceptable. Shoes should be worn in all public campus areas.

Women. A clean and well-cared-for appearance should be maintained. Clothing is inappropriate when it is sleeveless, strapless, backless, or revealing; has slits above the knee; or is form fitting. Dresses, skirts, and shorts must be knee-length or longer. Hairstyles should be clean and neat, avoiding extremes in styles and colors. Excessive ear piercing (more than two per ear) and all other body piercing are not acceptable. Shoes must be worn in all public campus areas.

Continuing Student Ecclesiastical Endorsement

All enrolled continuing undergraduate, graduate, intern, and study abroad students are required to obtain a Continuing Student Ecclesiastical Endorsement for each new academic year. Students must have their endorsements completed, turned in, and processed by the Honor Code Office before they can register for fall semester or any semester thereafter. Priority registration for the upcoming fall semester will begin in early April. To avoid registration delays, endorsements should be submitted to the Honor Code Office by March 15.

LDS students may be endorsed only by the bishop of the ward (1) in which they live and (2) that holds their current Church membership record.

Non-LDS students are to be endorsed by (1) the local ecclesiastical leader if the student is an active member of the congregation,(2) the nondenominational BYU chaplain, or (3) the bishop of the LDS ward in which they currently reside.

Requirements

Whether on or off campus, all students are expected to abide by the Honor Code, which includes: the Academic Honesty Policy, the Dress and Grooming Standards, and the Residential Living Standards.

LDS students must fulfill their duty in The Church of Jesus Christ of Latter-day Saints, attend Church meetings, and abide by the rules and standards of the Church on and off campus.

Students who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standard of conduct. They are encouraged to participate in services of their preferred religion.

Withdrawn Ecclesiastical Endorsement

A student's endorsement may be withdrawn at any time if the ecclesiastical leader determines that the student is no longer eligible for the endorsement. Students without endorsements, except in unusual circumstances, must discontinue enrollment. Excommunication, disfellowshipment, or disaffiliation from The Church of Jesus Christ of Latter-day Saints results in the withdrawal of the student's endorsement. The decision to withdraw an endorsement may be appealed through the appropriate ecclesiastical channels and then to the university through the Honor Code Office.

How Forms Are Obtained

Students are responsible for obtaining their own Continuing Student Ecclesiastical Endorsement Forms. Forms are available at campus information desks, at college advisement centers, from bishops of BYU wards, and from the Honor Code Office in 4440 WSC.

Questions

For additional information regarding any aspect of the Honor Code or Continuing Student Ecclesiastical Endorsements please visit http://byu.edu/stlife/campuslife/honorcode or contact the Honor Code Office at 4440 WSC, (801) 378-2847.

University Policies

Nondiscrimination Statement

Admission to Brigham Young University is nondiscriminatory. The university admits qualified persons regardless of race, color, national origin, religion, age, gender, veteran status, or disability who meet university and academic requirements and agree to abide by the university's standards of conduct and behavior.

Persons who believe they have been unlawfully discriminated against or sexually harassed should contact the Honor Code Office at (801) 378-2847 or the Equal Opportunity Office at (801) 378-5895.

Confidentiality of Records Policy

The Family Educational Rights and Privacy Act of 1974 (FERPA) controls access to student education records. Brigham Young University will make a reasonable effort to extend to eligible students and their parents the rights granted by the act. On presentation of appropriate identification and under circumstances that prevent alteration or mutilation of records, a student will be able to inspect all education records not considered by the university to be held under a pledge of confidentiality or considered to be private records of university personnel. Those with legitimate access to the records will be charged a reasonable fee for copies.

A student is entitled to an explanation of any recorded data and may initiate action pursuant to university policy through the Exception to University Policy Committee, if necessary, to correct or expunge information he or she considers inaccurate or misleading.

Faculty and administrative officers who have a legitimate need to use a student's education records will be allowed access to such records as needed without prior permission from the student. A request from an educational institution to which a student has applied for admission or from a lending institution from which a student is seeking financial aid will be granted without a student's permission. In addition, statistical data may be furnished to university accrediting bodies and governmental officials without a student's permission.

No personally identifiable information contained in a student's educational records, other than directory information, will be given to any third party, except as authorized by the act, without the student's written consent, and then only those records that are accessible to the student. The term *third party* is construed to include parents, spouse, employers, government agencies, or any other people or organizations. Parents or guardians may have access to grade reports and other reports of a student's activity if they establish to the satisfaction of the university that the student is dependent, for income tax purposes, on the parents or guardians for their support.

Court orders and subpoenas for records will be referred to the university's legal counsel and acted on according to the counsel's directions. The university will make a reasonable attempt to notify the student when nondirectory information is released in response to subpoenas or court orders.

Any eligible student or parent who believes that BYU has violated FERPA may file a complaint with the Family Educational Rights and Privacy Act Office, Department of Education, Washington, D.C.

Directory information (i.e., information contained in the educational record of a student that would not generally be considered harmful or an invasion of privacy if disclosed) will be released to news media and to others on request. Directory information includes the following:

Name
Addresses and phone numbers
Month, date, and place of birth
Names of parents or spouse
Major and minor fields of study
Participation in officially recognized activities and sports
Weight and height of members of athletic teams
Current class schedule
Pictures
Dates of attendance (current and past)
Number of months/semesters enrolled
Class standing (freshman, sophomore, etc.)
Total hours earned
Enrollment status (full-time, part-time, less than half-time)
Degrees and awards received
Previous educational institutions attended
Anticipated future enrollments
Course registrations prior to the beginning of a semester or term
Expected date of graduation
Deferred registration eligibility
Religious affiliation to a student's local church or congregation

Students have the right, however, to refuse to permit the designation or disclosure of the above directory information. In that case, this information will not be disclosed except with the consent of the student or as otherwise allowed by FERPA. Any student wishing to restrict the release of directory information must file a written notification with the Registrar's Office, B-150 ASB, PO Box 21114, on or before the tenth day of a semester or the sixth day of a term. Forms for this purpose will be made available at that office upon request.

Student Classification for Undergraduates

At the beginning of each semester, undergraduate students are classified for that semester as follows:

0–31.9	Freshman
32–63.9	Sophomore
64–95.9	Junior
96 and over	Senior

Engineering students having more than 120 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the dean of students, Janet S. Scharman.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of students unless he or she has knowledge of an accident or illness that is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Repeating Classes

To have a previously completed course marked *repeated*, the new course must be equal or greater in credit hours.

When a class has been repeated, the credit used in computing the grade point average is the grade and credit hours earned the last time the repeated class was taken.

You may repeat classes in the following ways:

1. Repeat Brigham Young University courses at Brigham Young University (except for R-suffix courses—see Abbreviations and Symbols in the Using This Catalog section of the current BYU Undergraduate Catalog).
2. Repeat at Brigham Young University courses initially taken at another university. (A statement of equivalency must be supplied by the appropriate BYU department chair.)
3. Repeat at another institution courses taken there and have the credit transferred to Brigham Young University.

Note: A course repeated at an institution other than the one at which it was taken originally and other than at BYU will not be counted as a repeat.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor to students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in the immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract must be completed and signed by the instructor and the fee must be paid before the instructor's submission of the official grade roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which to complete the incomplete, not to exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB, PO Box 21114.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Grade Reports

Grade reports are available at no charge for all day and evening school students after the semester has concluded. Grade reports will be mailed to students who leave self-addressed, stamped envelopes containing their social security number at the Records Office.

Changing College or Major

Undergraduate students who desire to transfer from one major to another, or from one college to another, should go to the advisement center of their new major, fill out a Change of Major Form, and have it signed. Graduate students who want to change departments or degree levels should check with the Office of Graduate Studies for information and necessary forms.

Discontinuance from BYU

A daytime student is not officially withdrawn from the university unless the student has completed the discontinuance process in the Discontinuance Office, B-150 ASB. The nonacademic emergency deadline, November 24 for winter semester, is the last day a student can discontinue. (See the University Calendar on page 4 for additional discontinuance deadlines.)

If you find it necessary to withdraw from all your classes, you must do the following:

1. Complete discontinuance forms available from the Discontinuance Office, B-150 ASB, telephone (801) 378-7705.
2. Obtain instructor and clearance signatures if necessary. Beginning the sixth week of the semester or the third week of the term, you become responsible for class grades. Signatures must be obtained from the individual instructors, who indicate your academic status.
3. Submit completed forms and sign out with a member of the Discontinuance Office staff.
4. See the Tuition and Fees section for discontinuance refund information.

When you have discontinued, your student ID will be electronically voided.

Students enrolled through the Evening Classes Office should discontinue in that office, 122 HCEB. Law School students must initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and do not return still have the responsibility to discontinue before the deadline. Initiate official termination by contacting the Discontinuance Office as soon as possible.

Continuing BYU students who interrupt their studies for one semester (fall or winter) only or who serve an LDS mission may request an admission deferment during their absence from the university. Telephone the Admissions Office, (801) 378-2507, for more information. Other students who interrupt their studies should contact the Admissions Office for the appropriate reapplication materials.

Counseling and Special Education (328 MCKB, 378-3857)

♦ CSE 400 is required for all early childhood and elementary education majors. Students complete a concurrent two hour lab experience each week in a public school setting with students with disabilities. Placements in public school settings occur in the first two class sections of CSE 400.

♦ CSE 400 Section 001 is reserved for the Elementary Education Alpine District Cohort Program.

NOTES

Extra Registration Work Sheets

We suggest that you use the following form to plan your ideal schedule. Be careful not to select classes that meet at the same time on the same days. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available. The computer will not schedule you in more than one section of the same class (except for R classes and labs).

	Monday	Tuesday	Wednesday	Thursday	Friday
7:00 a.m.					
8:00 a.m.					
9:00 a.m.

University Devotionals, Firesides, and Forums

University devotionals and forums, held throughout the year on Tuesdays at 11:00 a.m., form an inspirational and integrative part of the university experience. These assemblies are occasions to celebrate the shared sense of values and community in the university. Participation in these gatherings will renew spiritual commitment and extend knowledge of significant religious, intellectual, and cultural matters.

Devotional speakers, selected from the General Authorities and other leaders of the Church and the university, come to teach the gospel and affirm the spiritual dimension of the university experience for students and faculty. An additional opportunity is provided by regular Church Educational System firesides, usually held on the first Sunday of the month.

Forum speakers are noted authorities in the arts, sciences, humanities, media, and government; they are chosen for their contributions to their field and their ability to communicate their insights. Participation in these assemblies (and in the discussion sessions that may accompany them) prompts inquiry into an understanding of significant intellectual, cultural, and social issues.

Most campus offices and services are closed during university assemblies so that members of the university community may participate.

Final Examination Policy Winter Semester 2000

Final examinations will be given at the times shown in the schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review, study, and synthesis of the semester's work. The reading and the examination periods are firmly scheduled parts of the semester; you must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent you from taking an examination at the scheduled time, you are responsible to inform the class instructor as soon as possible. Your instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless you and your instructor together prepare a contractual agreement.

Second block class examinations will be given at the time shown in the schedule. First block examinations will be given during the last regular class period. In cases where you have conflicting examinations or *more than* three examinations in one day, individual arrangement for alternative test times may be made by the instructor.

Examinations will be held April 15, 17, 18, 19, and 20, with reading days April 13 and 14. Therefore, Wednesday, April 12, 2000, will be the last day of instruction.

Note to faculty: If an exam hour conflict arises for day classes, please contact the Academic Scheduling Office, B-150 ASB, PO Box 21114, telephone (801) 378-6557. For evening classes, contact the Evening Classes Office, 123 HCEB, PO Box 21513, telephone (801) 378-6258.

All section 400 classes beginning at 4:00 p.m. or later ***must*** follow the evening exam schedule to avoid day class conflicts. (If the class begins before 4:00 p.m., use the day class schedule.)

If a class begins after the hour or is scheduled for more than fifty minutes per class period, **the final exam period is determined by the beginning hour.** For example, a class held from 8:35 to 9:50 *must* use the 8:00 exam period. A class held from 4:45 to 7:15 *must* use the 4:00 exam period. No exceptions to this policy will be granted unless approved *in writing* by the department chair.

Semester Online courses follow the regular exam schedules at the right or as specified in the course outline.

Final exam Schedule—Winter Semester 2000

Day Classes

Class Instruction Time	Daily, MTWTh, MWF, MW, M, or ,W	TTh, TThF, TThSa, T, Th, or F

Academic Advisement for Undergraduates

Where do you go for academic advisement?
If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Open Major Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. Monday–Friday. They will be closed for devotionals on Tuesdays from 11:00 a.m. to noon. Write, visit, or call the advisement center of your choice:

Telephone	Advisement Center	Address	Zip Code

How to Access the BYU Registration System

Touch-Tone Telephone Instructions

1. **Call the system number: (801) 378-5111.**
2. **Enter your social security identification number:** _ _ _ _ _ _ _ _ _ [#]
3. **Enter your personal identification number (PIN):** _ _ _ _ _ _ [#]
   The first time you use TTT enter the four digits representing your birth month and year. (Example: For a March 1978 birthday, enter 0378). You will then be prompted to enter a new six-digit PIN. (Choose one you can remember so you can use it for future touch-tone telephone transactions.)
4. **Enter an action code:**
   (To access another action code when finished in one area, just enter the new action code.)

REGISTRATION

[7][0][*] _ _ _ _ _ _ [#] **Year:** 2000 = 2000 **Semester Codes:** Winter = 1, Spring = 3, Summer = 4, Fall = 5
Year and Semester

Enter a registration request:

	Registration Code	Star Key	Section Number	Star Key	Registration Number	Pound Key	
Add:	[7][2]	[*]	____	[*]	_____	[#]	If the section requested is full, enter 6#, and the computer will list the next five available sections.
Drop:	[7][3]	[*]	____	[*]	_____	[#]	To drop all classes for the semester, see the Discontinuance action code below.
List open Sections:	[7][6]	[*]	____	[*]	_____	[#]	
Raincheck:	[7][8]	[*]	____	[*]	_____	[#]	If all sections of the course you want are full, and you must have the course this semester, use the Raincheck option to place your name on the department list of students unable to enroll. Continue to monitor the course by phone or by AIM in case students drop. **A raincheck will not guarantee that you will be able to register for the class.**

Listen to schedule: [7][5] [#] To listen to your class schedule.

DISCONTINUANCE

[7][9][*] _ _ _ _ _ [#] To drop all your classes or discontinue. This function is available until midnight of the day before classes begin. This may affect your eligibility for future enrollment. See pages 6, 51, and 65 for details.
Year and Semester

GRADES

[8][0][*] _ _ _ _ _ [#] To list grades for semester requested.
Year and Semester

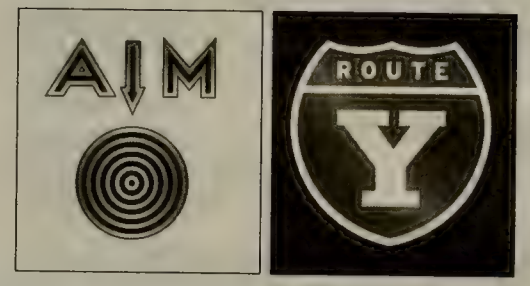

PIN CHANGE

[9][0][#] To change your PIN. (The computer will prompt you to enter your new PIN. All PINs must be six numeric digits.)

EXIT SYSTEM

[#][#] To terminate phone call.

AIM Instructions for Internet Access

You must have an ISP (Internet service provider) in order to register online. Consult a local telephone directory to find a provider that works best with your needs. You must use Netscape Communicator 4.0+ or Internet Explorer 4.0. Both of these browsers are available for downloading on the World Wide Web.

AIM (Academic Information Management) is BYU's online Web-based student information system. You may access AIM from your own home if you have the Internet and have downloaded Netscape Communicator 4.0 or Explorer 4.0. AIM is also available on BYU campus at Access Point Labs and kiosks in most buildings. You can also find computers connected to the Web at most public libraries. To register, follow the steps below:

1. **Open the BYU home page.** The Internet address is ***www. byu.edu.***
2. **Open Route Y** by clicking on its icon at the top right-hand side of the page.
3. **Enter your net ID and password.** When you open Route Y, you will be prompted to enter your net ID and password. If you do not know your net ID, click on "Find net ID" and follow the instructions. The password for first-time users is your birth month, day, and year. (For example, the password for a May 16, 1974, birthday is 051674.) You will be prompted to change your password for security reasons. **If you experience problems entering Route Y with your net ID or password, contact the Registration Office at 378-2824 (8 a.m.–5 p.m. MST).**
4. **Open AIM.** Find the AIM button on the "Interchange" page and click on it.

   
   AIM (Academic Information Management)

5. **Choose "Registration" from the AIM menu options.**
6. **Choose spring term 2000 and begin to register.** A pull-down menu will appear asking you to choose a semester/term. Once you choose, another pull-down menu with the departments will appear. Choose a department and the classes available for that semester/term will appear. Select the classes in the department you wish to take. Choose another department and repeat the process until you have registered for all of your classes.
7. **Select "Exit" to leave the AIM system.**

Registration Work Sheets

We suggest that you use the following form to plan your ideal schedule. Be careful not to select classes that meet at the same time on the same days. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available. The computer will not schedule you in more than one section of the same class (except for R classes and labs).

*Cannot be used for scholarships

◆Cannot be used by Law School

Free application for Federal Student Aid (FAFSA): You must also complete the FAFSA or the Renewal Application if you apply for any of the following: Pell Grant, Subsidized Stafford Loan, Unsubsidized Stafford Loan, need-based scholarships, and many private scholarships.

Returned Missionaries: If you served a portion of your mission in 1998 or 1999, additional information will be required.

Electronic Funds Transfer (EFT): If you request a Stafford or Plus Loan, the touch-tone system will ask whether you authorize your lender to electronically transmit your loan funds to your BYU student account by EFT.

Mailing Address: The Financial Aid Office will mail correspondence to the mailing address on record in the BYU Registration Office. The Scholarship Office will use your permanent address. To update either address, call (801) 378-2824.

Scholarship Information: To apply for need-based and specific private scholarships, visit the scholarship Web site from the university's home page at www.byu.edu. When you apply for scholarships by telephone or the Internet, you authorize the university to release your transcript to appropriate personnel, including scholarship donors.

Registration Requirements

1. Admission

You are eligible to register for spring term 2000 if you registered for and completed regular day school classes during winter semester 2000 or if you have been issued a valid letter of admission for spring term 2000 by the Admissions Office.

Continuing BYU students can interrupt their studies for one semester (fall/winter) by submitting a Continuing Student Enrollment and Scholarship Deferment Application. Students wanting to serve an LDS mission can defer their admission status by submitting an LDS Mission Deferment Criteria Form. Both are available from the Admissions Office, telephone (801) 378-2507. Students who interrupt their studies for more than one semester (except missionaries) should contact the Admissions Office for the appropriate reapplication materials.

Continuing degree-seeking graduate students are eligible if they have fulfilled the minimum registration requirements (6 hours per year) in the preceding academic year.

Students who graduate from BYU lose their eligibility and will not be allowed to continue to attend classes unless they have been admitted to a graduate or non-degree-seeking graduate program.

2. Continuing Student Ecclesiastical Endorsement Requirement

All enrolled, continuing undergraduate, graduate, intern, or Study Abroad students are required to obtain a Continuing Student Ecclesiastical Endorsement for each new academic year. They must have their endorsements completed, turned in, and processed by the Honor Code Office before they can register for fall semester or any semester thereafter. Priority registration for the following fall semester can begin in early April. To avoid registration delays, students should complete and submit their endorsements to the Honor Code Office by March 15.

LDS students may be endorsed only by the bishop of the ward (1) in which they live and (2) that holds their current Church membership record.

Non-LDS students are to be endorsed by (1) the local ecclesiastical leader if the student is an active member of the congregation, (2) the nondenominational BYU chaplain, or (3) the bishop of the LDS ward in which they currently reside.

Requirements

Whether on or off campus, all students are expected to abide by the Honor Code, which includes: the Academic Honesty Policy, the Dress and Grooming Standards, and the Residential Living Standards.

LDS students must fulfill their duty in The Church of Jesus Christ of Latter-day Saints, attend Church meetings, and abide by the rules and standards of the Church on and off campus. Students who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standards of conduct. They are encouraged to participate in services of their preferred religion.

Withdrawn Ecclesiastical Endorsement

A student's endorsement may be withdrawn at any time if the ecclesiastical leader determines that the student is no longer eligible for the endorsement. Students without endorsements, except in unusual circumstances, must discontinue enrollment. Excommunication, disfellowshipment, or disaffiliation from The Church of Jesus Christ of Latter-day Saints results in the withdrawal of the student's endorsement. The decision to withdraw an endorsement may be appealed through the appropriate ecclesiastical channels and then to the university through the Honor Code Office.

How Forms Are Obtained

Students are responsible for obtaining their own Continuing Student Ecclesiastical Endorsement Forms. Forms are available at campus information desks, at college advisement centers, from bishops of BYU wards, and from the Honor Code Office in 4440 WSC.

3. Health Insurance Requirement

BYU students enrolled at least three-fourths (3/4) time are required to carry adequate medical insurance. This applies the entire time a student has continuing status, including students taking a semester or term off. All participants in groups on tour, Study Abroad, or internships are required to carry adequate medical insurance.

Enrollment in the BYU Student Health Plan (SHP) satisfies the university's insurance requirement, as does enrollment in a comparable group medical plan provided by an employer or a spouse's or parent's employer. Medical insurance other than the SHP must meet the following requirements:

- provide at least 70 percent coverage for all major medical expenses, including physician, hospital, and ancillary services;
- have an individual annual deductible of no more than $500; and
- have an annual plan limit of no less than $25,000.

Students must enroll in the BYU Student Health Plan or provide verification of other adequate insurance coverage when first enrolling at BYU and prior to the beginning of fall semester each year thereafter. Students who do not return a properly completed waiver form to the BYU Insurance Office will be automatically enrolled in and assessed the appropriate premium (single or married student rate) for the BYU Student Health Plan. The insurance fee payment is due with tuition.

Registration Procedures

Registration for spring term is not managed on a priority registration basis. Any student admitted to the university may register beginning on the first registration day, February 1.

To Register Before School Begins

Step 1: Plan Your Schedule

Use the Registration Work Sheet to plan your ideal schedule, blocking out work and study time. **Be careful not to select classes that meet at the same time on the same days**. Consult the Class List beginning on page 9. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

Step 2: Register by Touch-Tone Telephone or AIM

Register: Beginning Tuesday, February 1, 2000

Register using the touch-tone telephone or AIM systems.

If all sections of the course you want are full, and you must have the course this semester, use the raincheck option to be placed on the department list of students unable to enroll (see touch-tone instructions on page 2 or raincheck option on AIM). Continue to monitor the course by phone or by AIM in case students drop. **A raincheck will not guarantee that you will be able to register for the class.**

Once you register you are officially enrolled and committed to attend class. If you decide not to be a student, you must discontinue **before the day school begins** to avoid being charged tuition. (See touch-tone instructions [79*20003#] on page 2 for instructions on how to discontinue prior to the first class day. Once school begins, contact the Discontinuance Office, B-150 ASB, telephone [801] 378-7705. Refer to pages 6, 51, and 65 for further information about discontinuance.)

Holds That May Block Your Registration

College Advisement Center (CAC) Hold

The CAC hold targets students with special needs who will be required to seek assistance from their college advisement center before registering. Students with a CAC hold must visit their college advisement center or department advisor to complete a plan for graduation and will be prevented from registering until the hold is cleared by the college advisement center.

Other

Check with the appropriate office according to your hold:

Academic standards	Academic Support	(801) 378-2723
Ecclesiastical endorsement	Honor Code Office	(801) 378-2847
Financial (prior balance)	Student Accounts	(801) 378-5415
Graduate school	Office of Graduate Studies	(801) 378-4091
University standards	Honor Code Office	(801) 378-2847
CAC hold	Your college advisement center	(see inside front cover)
Loans	Collections Office	(801) 378-7648
	or Financial Services	(801) 378-4104

Step 3: Check Your Schedule

Check the schedule you have listed on your written work sheet against the one you hear listed on the registration system. Make sure that the classes you requested are the ones actually listed on the system.

To Register or Make Class Changes After School Begins

Add/Drop cards may be obtained beginning the first day of class from the Smith Family Living Center (SFLC), college advisement centers, and the Registration Office. The card must be returned to the SFLC step-down area between 8:00 a.m. and 5:00 p.m. during the first six class days.

Adding: April 25–May 2

You may add classes the first six days of a term. During this time some classes may be added using the touch-tone telephone or AIM systems. All other classes require an add card with the instructor's signature. For details on the add methods assigned to classes see page 8 and the course list. If you wish to audit a class, see the following Auditing Classes section of this class schedule.

Dropping: April 25–May 2 (without a W)*

All drops can be done using the touch-tone telephone or AIM terminals the first six days of the term. There is no drop fee during these six days.

May 3–11 (with a W)*

All drops must be done on an add/drop card. Students will be charged $6 per class and will receive a W (official withdrawal) on their transcript. Drop cards must be submitted to the Registration Office, B-130 ASB.

*A student can be registered for more than one section of a R-suffix course and therefore must drop each unwanted section.

Tuition Payment Deadline May 2, 2000

Whether or not you receive a billing statement, it will be your responsibility to pay tuition by this deadline to avoid the late tuition fee.

The Tuition Billing Statement will be mailed only to students who are registered for at least one class by April 17. **Tuition assessment on the billing is based on anticipated full-time enrollment of 6.0 credit hours or more for the term.** The Federal Pell Grant amount on the Tuition Billing Statement is based on the assumption that enrollment is for 6 credit hours. If your grant eligibility, loan, or scholarship is for less than the tuition due, you must pay the difference by the deadline to avoid a late fee. **If you are a three-fourths-time, half-time, or part-time student, adjust the statement and pay only for the hours you expect to take.** (See Tuition and Fees section for more information.)

A check or money order to cover the amount of tuition due should be mailed in the preaddressed envelope provided with the tuition billing statement. If you do not have this envelope, mail your tuition to the Cashiers' Office, D-148 ASB, Provo, UT 84602-1128. A drop box is provided in D-148 ASB for all students on campus. Do not use campus mail.

Important notice: If you fail to meet the tuition deadline, you will be assessed a $45 late fee. If your tuition check is dishonored by the bank, you will be charged the late fee in effect at the time the check is redeemed.

Discontinuance (Dropping All Classes for the Semester or Term)

What to Do Before Classes Begin

Once you register for classes, you are officially enrolled and committed to attend. If you are not coming to school this semester, you must discontinue or drop your classes prior to the first day of school or they will remain on your record and **you will be charged tuition.** Classes may be dropped using the discontinuance action code (79*20003#—see the touch-tone-telephone instructions in this class schedule) or the AIM system (by dropping each class) until midnight of the day before classes begin.

What to Do After Classes Begin

On the first day of classes and thereafter you will need to contact the Discontinuance Office in B-150 ASB or telephone (801) 378-7705. Tuition will be charged starting the first day of classes to the date of discontinuance at the percentage rate listed in the Tuition and Fees section of this class schedule.

Warning: Discontinuance from fall or winter semester or from the term to which you are newly admitted will forfeit your eligibility to attend future semesters without reapplying through the Admissions Office.

Continuing BYU students who interrupt their studies for one semester (fall or winter) only or who serve an LDS mission may request an admission deferment during their absence from the university. Call the Admissions Office, telephone (801) 378-2507, for more information. Other students who interrupt their studies should contact the Admissions Office for the appropriate reapplication materials.
Note: See pages 51 and 65 for detailed instructions.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 credit hours in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card once school begins. Auditing classes, registering for a class without receiving credit, or registering for Evening Classes constitutes a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) can only do so on an add/drop card during the first ten class days (six days of a term). Students must obtain the instructor's approval on a signed add/drop card. It is not possible to register for an audit class on the touch-tone telephone system. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official records, will not be considered in calculating enrollment verifications, and do not fulfill the minimum registration requirement for graduate degree-seeking students. Students who are registered for credit and wish to change to audit must first drop the class. The class may then be added for audit during the add period (first ten days of a semester, six days of a term).

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Other rolls, sent out during the second, third, and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

A student's enrollment status is determined by the number of credit hours taken, as follows:

Hours Enrolled		
Semester	**Term**	**Enrollment Status**
12+	6+	Full-time
9–11.5	4.5–5.5	Three-fourths
6–8.5	3–4	Half-time
.5–5.5	.5–2.5	Less than half-time

Audited courses do not count in total enrollment hours. Graduate students should refer to the Graduate Education section of this class schedule. Contact the Records Office, B-150 ASB, for enrollment verification.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they register by touch-tone telephone for day school.

Semester Online Courses

Classes listed in the class schedule as sections 478 are courses offered over the Internet at no additional cost to full-tuition-paying students. Semester Online courses may provide immediate feedback, chat rooms, and informative, exciting links, and they allow students to progress at their own pace within the semester period. Check it out at http://www.byu.edu/home1.html (see Courses Online on the BYU home page).

Independent Study

Independent Study can bring many university courses to your home. You may register for courses any time during the year and take up to a year to finish each course. Tuition is $90 per credit hour—this fee is not included in your regular BYU daytime tuition. Independent Study courses are indicated in the course list by the phrase "Offered by Independent Study." Many courses are now available by Internet, and new courses are continually being added. For further information and a free catalog, contact the Independent Study Office, 206 HCEB, Provo, UT 84602-1514, telephone (801) 378-2868, or www http://coned.byu.edu/is/.

Note: Independent Study courses do not apply toward a **BYU graduate** degree.

Questions/Answers for New Undergraduate Students

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal classroom instruction each week, although you will find some exceptions to this in certain majors. The average student can successfully complete from 14 to 16 credit hours per semester or from 6 to 8 credit hours per term. A total of 120 credit hours is required to graduate. Students who plan to graduate in four years will need to complete an average of 15 hours per semester.

How much preparation or study time is usually needed outside class?

For the average student, the expectation for undergraduate courses is two hours of outside preparation time for every hour spent in class. For example, a 3-credit-hour English class meets for one hour three times a week. A student should be prepared to spend six additional hours each week outside class for study and preparation. However, more time may be required to achieve excellence in a particular subject.

What is general education?

The general education program for undergraduates at BYU assures that you have achieved competence in certain skills and knowledge before graduation. Proof of competency is achieved by successfully passing required courses. Some students pass these required courses by receiving an approved score on an AP exam or by taking special examinations for credit when they arrive on campus. For more information on the GE program, refer to pages 13–18 of this class schedule.

What is a major?

A major is a concentrated group of classes in a particular field designed to help you achieve your educational goals. Colleges and departments establish required and optional courses to be completed for each major. For more information on specific majors, please refer to the BYU Undergraduate Catalog and the respective major on the web; or you may contact the appropriate college advisement center (see list on the inside front cover of this class schedule). You may have selected a major on the admissions application; if so, you should be in contact with the appropriate advisement center. If you are presently undecided or wish to explore additional options, you may contact the Open Major Advisement Center, 2500 WSC, (801) 378-3826.

Do I need to know my major now?

No. In fact, many students have found it helpful to explore various fields of study before deciding on a major. However, if you are leaning toward a major in the sciences, nursing, engineering, or visual arts, there are specific recommendations for classes your first semester. A delay in pursuing a major in these areas can lengthen the time to graduation. For more information in these areas, please contact the appropriate college advisement center (see list on the inside front cover of this class schedule).

I have a documented disability. Are there accommodations available at BYU?

Yes. All students who either have a documented disability or are in the process of obtaining documentation for a physical, emotional, or learning disability (including ADD) are invited to visit with an advisor from Services for Students with Disabilities (SSD), located at 1520 WSC, (801) 378-2767 v/tty. Advisors can assist you with reasonable and appropriate accommodations, testing, and advice concerning your class schedule and can answer questions on accessibility issues.

What if I'm still confused?

Contact the BYU Hotline, 1-800-290-BYU1. From 8:00 a.m. to 5:00 p.m. (MDT) each working day advisors are available to help answer your questions or point you in the right direction. Or you can visit our Web site at http://ar.byu.edu/dept_orientation/orient_home.html or e-mail us at frorientation@byu.edu.

Final Examination Policy and Schedule—Spring Term 2000

Final examinations will be given at the times shown in the schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review, study, and synthesis of the term's work. The reading and the examination periods are firmly scheduled parts of the term; you must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent you from taking an examination at the scheduled time, you are responsible to inform the class instructor as soon as possible. Your instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless you and your instructor together prepare a contractual agreement.
examinations in one day, individual arrangement for alternative test times may be made by the instructor.

Examinations will be held Wednesday and Thursday, June 14 and 15, with a reading day on Tuesday, June 13. Therefore, Monday, June 12, 2000, will be the last day of instruction.

Note to faculty: If an exam hour conflict arises for day classes, please contact the Academic Scheduling Office, B-150 ASB, PO Box 21114, telephone (801) 378-6557. For evening classes, contact the Evening Classes Office, 123 HCEB, PO Box 21513, telephone (801) 378-6258.

Final exams for day and evening (section 400) classes beginning at 5:00 p.m. or later will be conducted on the last class period as follows: Tuesday, June 6; Wednesday, June 7; Thursday, June 8; Friday, June 9; and Monday, June 12.

If a class begins after the hour or is scheduled for more than fifty minutes per class period, **the final exam period is determined by the beginning hour.** For example, a class held from 8:35 to 9:50 *must* use the 8:00 exam period. A class held from 4:45 to 7:15 *must* use the 4:00 exam period. No exceptions to this policy will be granted unless approved *in writing* by the department chair.

Semester Online courses follow the regular exam schedules or as specified in the course outline.

Add Method	**Add Method During Registration**
T	Touch-tone telephone five to ten days into the semester
S	Can only be added through the department
Y	Touch-tone telephone/AIM until classes start—instructor signature thereafter
G	Freshman Academy students only by touch-tone telephone
J	Freshman-only envelope classes—first-year composition, Book of Mormon, American Heritage (all required). Sections with a "J" add method are reserved for first-semester freshman registration. Available seats will be opened to all students after freshman registration.
Fee	**Fee required**
$	Class fee
$VAR	Variable class fee

How to Obtain a Fall 2000 Class Schedule

Newly admitted students are sent a free copy of the current class schedule for the semester or term to which they are admitted. For every enrollment thereafter, a student must purchase a copy.

The bottom of the page is an order form with instructions on how to obtain a fall 2000 class schedule (available beginning April 1, 2000).

Just a reminder—you must register for classes in the term or semester for which you are admitted (i.e., spring 2000 or summer 2000) or you will not be permitted to attend fall semester 2000.

BYU Registration Office, B-130 ASB, Provo, UT 84602-1114, telephone (801) 378-2824

Fall 2000 Class Schedule Mail Order Form

Class schedules can be purchased at the BYU Bookstore or form the BYU Registration Office for $1.50 each. To receive the current class schedule by mail, contact BYU Mail Services, 296 UPB, Provo, UT 84602-1930, or telephone (801) 378-3658. VISA, MasterCard, check, or money order is accepted in payment (postage rates subject to change).

$ 4.50 for first-class mail (one-week delivery)

$ 7.80 for second-day airmail

$11.45 for next-day airmail

Foreign addresses (U.S. dollars only)

Canada: $5.15

Mexico: $5.30

Overseas: Contact Mail Services for cost information.

Registration	Feb 1	May 2
Spring term class instruction	Apr 25	Jun 12
Memorial Day holiday	May 29	
Reading day	Jun 13	
Final exams	Jun 14	Jun 15

Summer Term 2000	***First Day***	***Last Day***
Registration	Feb 1	Jun 26
Orientation	Jun 16	Jun 17
Summer term class instruction	Jun 19	Aug 7
Independence Day holiday	Jul 4	
Pioneer Day holiday	Jul 24	
Reading day	Aug 8	
Final exams	Aug 9	Aug 10
Graduation—university commencement	Aug 10	
Graduation—college convocations	Aug 11	

Fall Semester 2000	***First Day***	***Last Day***
Continuing Ecclesiastical Endorsement		Apr 5
Registration	Apr 3	Sep 11
Orientation	Aug 24	Aug 26
Fall semester class instruction	Aug 28	Dec 7
First block classes	Aug 28	Oct 16
Labor Day holiday	Sep 4	
Second block classes	Oct 17	Dec 7
No class instruction	Nov 22	
Thanksgiving holiday	Nov 23	Nov 24
Friday class instruction	Dec 5	
Reading days	Dec 8	Dec 9
Final exams	Dec 11	Dec 15
Graduation (no exercises)	Dec 15	

Winter Semester 2001	***First Day***	***Last Day***
Registration	Oct 16, 2000	Jan 22, 2001
Winter semester class instruction	Jan 8	Apr 17
First block classes	Jan 8	Feb 28
Martin Luther King Day holiday	Jan 15	
Presidents' Day holiday	Feb 19	
Monday class instruction	Feb 20	
Second block classes	Mar 1	Apr 17
Continuing Ecclesiastical Endorsement due		Apr 5
Reading days	Apr 18	Apr 19
Final exams	Apr 20	Apr 25
Graduation—university commencement	Apr 26	
Graduation—college convocations	Apr 27	

University Calendar—Spring and Summer Terms 2000

Campus Events and Holidays	*First Day*	*Last Day*
Memorial Day holiday	May 29	
Orientation for summer term	Jun 16	Jun 17
Independence Day holiday	Jul 4	
Pioneer Day holiday	Jul 24

Application Information—Undergraduate (801) 378-2507	*First Day*	*Last Day*
New freshman students wanting to be considered for the presidential scholarship submit admissions application for fall semester 2000		Jan 15
New freshmen submit admissions and academic scholarship applications for spring term, summer term, or fall semester 2000		Feb 15
International transfer and former BYU students submit admissions and scholarship applications for spring term 2000		Feb 15
Last day continuing undergraduate students may submit scholarship applications for spring or summer terms 2000		Mar 1
U.S. transfer and former BYU students submit undergraduate admissions and scholarship applications for spring term, summer term, or fall semester 2000		Mar 15
International transfer and former BYU students submit admissions and scholarship applications for summer term and fall semester 2000		Mar 15
Last day to submit a Continuing Student Enrollment and Scholarship Deferment Application for spring or summer terms 2000		Mar 15

Application Information—Graduate (801) 378-4091	*First Day*	*Last Day*
Refer to the BYU 1999–2000 Graduate Catalog or www.byu.edu/gradstudies/ for spring/summer 2000 departmental application deadlines.		

Financial Aid Information (801) 378-4104	*First Day*	*Last Day*
Submit continuing student scholarship applications for fall semester 2000 and winter semester 2001		Mar 1
Apply for **BYU short-term loans** to pay spring term 2000 tuition by the deadline		Apr 21
Repay BYU short-term loans for spring term 2000		Jun 1
Apply for priority processing of **Federal Pell Grants, Federal Stafford Loans, and BYU loans** for fall semester 2000 and winter semester 2001		Jun 1
Apply for **BYU short-term loans** to pay summer term 2000 tuition by the deadline		Jun 18
Repay BYU short-term loans for summer term 2000		Aug 1

Tuition and Fees Information (801) 378-7804	*First Day*	*Last Day*
Pay tuition for spring term 2000 (to avoid late fee)		May 2
Pay tuition for summer term 2000 (to avoid late fee)		Jun 26

Registration Information (801) 378-2824	*First Day*	*Last Day*
Discontinue from spring term with no tuition charge		Apr 24
Discontinue from spring term with a charge for tuition (see schedule in Tuition and Fees section)	Apr 25	
Spring classes begin	Apr 25	
Last day to late register or add classes		May 2
Drop a spring term class without a W (official withdrawal)		May 2
Drop a spring term class for academic reasons		May 11
Discontinue officially spring term from the university without being graded		May 11
Discontinue officially spring term from the university or drop classes for nonacademic emergencies		May 31
Discontinue from summer term with no tuition charge		Jun 16
Discontinue from summer term with a charge for tuition (see schedule in Tuition and Fees section)	Jun 19	
Summer classes begin	Jun 19	
Last day to late register or add classes		Jun 26
Drop a summer term class without a W (official withdrawal)		Jun 26
Drop a summer term class for academic reasons		Jul 6
Discontinue officially summer term from the university without being graded		Jul 6
Discontinue officially summer term from the university or drop classes for nonacademic emergencies		Jul 26

Graduation Information—Undergraduate	*First Day*	*Last Day*
(Call your college advisement center.)		
Apply and pay the fee for **August 2000 graduation**		Apr 15
Submit to the Records Office all incompletes, T grades, special exams, GE challenges, military credit, official transcripts of work completed at other schools, and any other **information pertaining to August 2000 graduation**		Jul 14
Submit **Independent Study** course work and final exams for **August 2000 graduation**		Jul 21

Graduation Information—Graduate (801) 378-4091	*First Day*	*Last Day*
Apply and pay fee for **August 2000 graduation**		May 19
Schedule a **final oral examination** (defense of written work) and **submit one copy of the work to your department** (if in a dissertation, thesis, or selected project program)		Jun 16
Have a **final oral examination** (if in a dissertation, thesis, or selected project program)		Jun 30
Submit dissertation, thesis, or selected project **to the dean of your college** for August 2000 graduation.		Jul 7
Submit final copies of a dissertation, thesis, or selected project to the **Library Business Office** (2062 HBLL) for binding and complete remaining degree requirements, pay fees, and submit exam results and I and T grade changes to the Office of Graduate Studies for August 2000 graduation		Jul 14

Records Information (801) 378-2631	*First Day*	*Last Day*
Winter semester 2000 grades available on the touch-tone telephone system	Apr 29	
Instructors must submit spring term 2000 grade rolls to the Records Office by 9:00 a.m.		Jun 23
Spring term 2000 grades available on the touch-tone telephone system	Jun 26	
Instructors must submit summer term 2000 grade rolls to the Records Office by 9:00 a.m.		Aug 17
Summer term 2000 grades available on the touch-tone telephone system	Aug 19	

Tuition and Fees

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of the Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational cost.

Tuition and class fees are due and payable by the add deadline. It is expected that students who fail to pay tuition by this date will discontinue their enrollment. Students who fail to pay tuition by the scheduled final day to late register will jeopardize their eligibility to enroll for the following semester/term. Past financial delinquencies must be cleared before a new registration may be completed. Refer to Tuition and Fees Information on page 49 for deadlines.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars). Once students register for classes, they are officially enrolled and committed to attend. Students who decide not to attend must officially withdraw from classes prior to the day school begins to avoid being charged tuition. Classes may be dropped using the discontinuance action code (see the touch-tone telephone instructions, page 2) or the AIM system (by dropping each class) until midnight of the day before classes begin. On the first day of classes and thereafter you will need to contact the Discontinuance Office in B-150 ASB or telephone (801) 378-7705. If you do not drop your classes, they will remain on your records and **you will be charged tuition**. Tuition will be charged starting the first day of classes to the date of discontinuance at the percentage rate listed under Tuition Refunds/Charges—Discontinuance.

Students who anticipate receiving financial aid will be held responsible to pay tuition charges incurred whether or not financial aid is available or forfeited.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 10 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time for tuition assessment. However, noncredit courses do not count for Federal Pell Grant or Federal Stafford Loan eligibility. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Graduate students (for tuition purposes) are those students who have received their bachelor's degree or will have received it by the beginning of spring term and are not students of the Law School or the Graduate School of Management.

Full-time classification (for tuition assessment) for all students is registration for 12 or more credit hours per semester or 6 or more credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to Financial Services.

Tuition and General Fees Per Term

Undergraduate Students	LDS	Non-LDS
Full-time (6 or more credit hours)	$ 625	$ 940
Three-fourths time (4.5–5,5 credit hours)	$ 590	$ 888
Half-time (3–4 credit hours or less) per credit hour	$ 125	$ 188

Graduate Students	LDS	Non-LDS
Full-time (4.5 or more credit hours)	$ 830	$1250
Part-time per credit hour	$ 185	$ 278

Graduate School of Management Students and Law School Students	LDS	Non-LDS
Full-time (4.5 or more credit hours)	$ 1330	$ 2000
Part-time per credit hour	$ 296	$ 444

Tuition will be assessed per half-credit hour. Minimum tuition charged will be $50. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

Late Tuition Fee

Beginning May 3 for spring term $45
Beginning June 27 for summer term $45

A late tuition fee will be assessed to all students who fail to pay tuition by the payment deadline. The late fee will also be assessed to students who pay less than full-time tuition by the deadline and are then or later become registered for more than 5.5 credit hours.

Any student whose tuition check is not honored by the bank will be charged the late registration fee in effect at the time the check is redeemed.

Tuition Adjustments—Change in Credit Hours

After the semester begins, a part-time student who increases the number of credit hours and remains a part-time student must pay for these additional hours **by the last day to add classes**. If this is not done, a late fee will be assessed. A change to three-fourths or full-time status requires that additional tuition be paid to avoid paying the late fee beginning May 6 for spring term and June 29 for summer term.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Financial Services Office, D-151 ASB. A full refund of the difference between full-time assessment and part-time assessment will be allowed through the last scheduled day to add classes. Refunds for courses dropped after that date will be subject to the refund schedule listed under Tuition Refunds/Charges—Discontinuance.

Tuition Refunds/Charges—Discontinuance

Both full-time and part-time students who discontinue school will be charged tuition from the first day of classes until the date of discontinuance. A refund is based on the date they report their discontinuance to the Discontinuance Office, B-150 ASB, telephone (801) 378-7705. The following rates apply:

Spring Term	Tuition Charged	Refund of Tuition Paid
Before Apr 25	None	100%
Apr 25–Apr 28	10%	90%
May 1–May 5	15%	85%
May 8–May 12	20%	80%
May 15–May 19	25%	75%
May 22–May 26	30%	70%
After May 26	100%	None

Summer Term	Tuition Charged	Refund of Tuition Paid
Before Jun 19	None	100%
Jun 19–Jun 23	10%	90%
Jun 26–Jun 30	15%	85%
Jul 3–Jul 7	20%	80%
Jul 10–Jul 14	25%	75%
Jul 17–Jul 21	30%	70%
After Jul 21	100%	None

A petition for exception to the refund schedule will be considered for students forced to discontinue because of personal medical incapacitation after the 85 percent refund period. Petition forms are in D-208 ASB.

A refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately two weeks from the date of **discontinuance.** Refunds due to students who have a Federal Pell Grant and/or Federal Stafford/PLUS Loan will be returned to the lending agency and/or the Pell Grant Program. Contact the Tuition Office, D-151 ASB, for specific information.

Late fees are not refundable.

Refunds for Class Fees

Class fee refunds are based on the same schedule as listed for tuition refunds.

Class Fees

AgHrt 112 . . . . . $90
AgHrt 312 . . . . . $120
AnSc 124, 231R, 331R (equitation) $150
Army ROTC Leadership Laboratory $40
*Geol 410 . . . . . $150
*Geol 412, 436 . . . . . $350
HomEc 287, 397 . . . . . $30
HomEc 110, 340 . . . . . $35
ISys 98 . . . . . $25
Ling 98 . . . . . $25
Math 97 . . . . . $75
MCom 98 . . . . . $25
Music 160R, 260R, 360R, 460R, 560R, 660R . $135
PE 116, 117 (bowling) $35
PE 124 (equitation) $150
PE 150 (ice skating, paid at rink) $55
PE 161, 162, 164 (skiing) $35
RMYL 244, 189 . . . . . $80
RMYL 480 . . . . . $100

*See department for a refund application.

*Student Teaching/Practicum Fees**

CSE 380R $20
CSE 480R, 481R $10
CSE 496R, 581R, 582R, 584R, 586R, 680R . . $60
ECE 322 . . . . . $10
ECE 423, 424 . . . . . $30
ECE 425 . . . . . $55
ElEd 358 . . . . . $20
ElEd 360 . . . . . $10
ElEd 362 . . . . . $20
ElEd 400 . . . . . $60
ElEd 496R $75
ScEd 476R, 496R $100

*Because of pending changes in Utah State certification fees, the student teaching and practicum fees will probably be increased sometime this year.

Materials/Service Fees

Fee payment cards are available in the following classes for materials and services used:
Chem 103, 107, 111H, 213, 223, 227, 353, 354, 455, 464, 523, 584, 586.
CM 155, 210, 211, 217, 218, 241, 305, 408, 411, 412, 426, 494R.
EcEn 220, 311.
EET 103, 136, 228, 231, 322, 342, 343, 345, 443, 447.
TecE 120, 140, 149, 150, 160, 200, 205, 209, 229, 240, 250, 251, 260, 270, 281, 300, 301,

315, 319, 325, 329, 354, 360, 386, 387, 388, 400, 405, 440, 450, 453, 455, 477, 489, 490R, 505, 535, 593R.
TMA 285, 385, 475R.
VACor 133.
VAStu 104, 105, 106, 204R, 205R, 206R, 216, 217, 218, 219, 349R, 350R, 351R, 354R, 355R, 356R, 358R, 359R, 450R, 451R, 456R, 459R, 656R, 659R.

Miscellaneous Fees and Fines

Activity Cards

Duplicate card fee $10
Identification photo fee $3
Spouse activity card (nonrefundable, does not include Health Center privileges) $6

Admission Evaluation Fee (nonrefundable)

New applying student $25

Class Drop Fee (fee per class)

Spring term: Through May 4, free. May 5 and thereafter, $10 per class.
Summer term: Through June 28, free. June 29 and thereafter, $10 per class.

Deposits (payable at department locations)

Industrial education $1
Physical education locker fee (nonrefundable) $4

Dishonored Check Charges $10

Examinations

Examination through Testing Center to exempt student from taking a required class $10
Examination, special equivalency, nonrefundable fee to take exam $20

Graduation Fees (nonrefundable)

Bachelor's degree $15
Master's degree $20
Doctoral degree $25

Incomplete Grade Contract

Available in B-150 ASB after the twelfth week of the semester $10

Parking Fees and Information

Motor Vehicles

Parking permits are required to park on campus. To purchase a permit, bring the following to the Parking and Traffic Services Office (in the PTSB):

1. Current vehicle registration
2. Proof of emissions compliance. Vehicles registered in areas that do not have an emissions program meeting Utah County requirements will need to pass an emissions test. For further information contact the Parking and Traffic Services Office, telephone (801) 378-3906.
3. BYU identification card
4. Proof of housing residency such as your housing contract or room key (required only for a singles on-campus housing C permit)
5. Fee

Fees vary by permit and semester as follows:

Permit	*Fall*	*Winter*	*Spring/Summer*
G	$40	$25	See L Permit
Y	$15	$10	See L Permit
R	$ 5	$ 5	See L Permit
C	$ 7	$ 5	$ 3
L (G, Y, R lots for Sp/Su)			$ 5
Motorcycle/ Moped	$10	$ 8	$ 4

G, Y, R, C, and motorcycle/moped parking permits expire September 15, 2000. L parking permits are valid spring and summer terms only.

Out-of-State Plates

Faculty and staff employees with out-of-state plates must license their vehicles with the state of Utah and clear them for tax payment before they can receive their parking permits.

Bicycles

Bicycles must be licensed within Utah County. Provo City licenses cost $1 at the Parking and Traffic Services Building or at the Provo Police Department. Bicyclists must:

1. Always park bicycles in racks.
2. Never ride on sidewalks during class breaks.
3. Yield to pedestrians.
4. Obey all traffic rules.

Bicycles not parked in racks will be impounded. BYU will not be responsible for cut locks, chains, or cables. Locks, chains, or cables may be cut only when uniformed police or traffic personnel are present.

Other Regulations and Information

Owner/Operators of motor vehicles operated in Utah County should be prepared to pass Utah County Vehicle Emissions Inspection Maintenance requirements.

Neighborhoods adjoining campus are sometimes inundated with parked vehicles. Students are encouraged to obtain BYU parking permits and to park in university parking lots authorized by the permit.

Traffic regulation information may be obtained from Parking and Traffic Services. It is the responsibility of all students, faculty, and staff members to obey all traffic rules and regulations.

Questions may be directed to Parking and Traffic Services personnel at (801) 378-3906.

Parking and Traffic Violation Fines . . . . . $10–$300
Individuals receiving seven or more citations in a 12-month period (whether paid or unpaid) will have their driving and parking privileges revoked.

Records Fees

Search fee (duplicate receipt) $1
Transcript fee (per copy—pay at Records Office) . . $2

Health Insurance Requirement

BYU students enrolled at least three-fourths (3/4) time are required to carry adequate medical insurance. This applies the entire time a student has continuing status, including students taking a semester or term off. All participants in groups on tour, Study Abroad, or internships are required to carry adequate medical insurance.

Enrollment in the BYU Student Health Plan (SHP) satisfies the university's insurance requirement, as does enrollment in a comparable group medical plan provided by an employer or a spouse's or parent's employer. Medical insurance other than the SHP must meet the following requirements:

- provide at least 70 percent coverage for all major medical expenses, including physician, hospital, and ancillary services;
- have an individual annual deductible of no more than $500; and
- have an annual plan limit of no less than $25,000.

Students must enroll in the BYU Student Health Plan or provide verification of other adequate insurance coverage when first enrolling at BYU and prior to the beginning of fall semester each year thereafter. Students who do not return a properly completed waiver form to the BYU Insurance Office will be automatically enrolled in and assessed the appropriate premium (single or married student rate) for the BYU Student Health Plan. The insurance fee payment is due with tuition.

Debt Collection Fees

Students' past-due debts are referred to Student Financial Services for collection. If the BYU debt collection officer is unable to collect the debt within a reasonable time, the debt will be referred to an outside collection agency. In addition to paying the debt, the student debtor will be required to pay the collection agency fees before obtaining a release of a financial hold on his or her transcript or before being considered for readmission. Also, eligibility for graduation may be delayed or denied.

University Requirements for Undergraduates

There are three components to an undergraduate education at Brigham Young University: religious education, major education, and general education. Religion courses are provided at BYU so that students may progress in their religious understanding and convictions simultaneously with their educational progress in secular fields. Education in the major provides students with depth in a particular academic discipline. It introduces them to the type of thinking, language, and skills that prepare them for a career or further study in postgraduate or professional programs. General education is intended to provide students with intellectual breadth. It covers the range of human accomplishments: the development of language and civilization; the arts; and the social, behavioral, physical, and biological sciences. These three aspects of the baccalaureate degree—religious education, major education, and general education—are described briefly in the following sections.

Religious Education

It has always been the view of The Church of Jesus Christ of Latter-day Saints that education is not complete without proper integration of secular and religious knowledge and values. Secular understanding and skill are important attainments in life and will better serve the individual when accompanied by religious convictions, attitudes, and standards of behavior. Ideally, students should take one religion class each semester of enrollment.

Fourteen hours of religion credit taken ***at BYU*** are needed to graduate—a core of 8 hours plus 6 hours of electives. The core consists of two Book of Mormon courses (RelA 121 and 122, 4 hours); one New Testament course (2 hours); and one Doctrine and Covenants course (2 hours). Students may choose from an array of other courses offered by the Department of Ancient Scripture and the Department of Church History and Doctrine to fill the other 6 hours of religion credit needed.

No more than 4 hours of religion credit per semester may be counted toward the religion requirement.

Students who are not members of The Church of Jesus Christ of Latter-day Saints are encouraged to take Introduction to Mormonism (RelC 100) during their first semester at BYU. This course may be used in lieu of either a New Testament or Doctrine and Covenants course.

Transfer Students

Transfer students must fulfill the BYU graduation requirement in religion. *All students must complete a minimum number of religion credits taken* **at BYU, according to the table at right, regardless of the number of religion hours completed elsewhere.**

Religion Requirements for the Baccalaureate Degree	
Courses	***Credit Hours***
Two Book of Mormon courses	4
One New Testament course	2
One Doctrine and Covenants course	2
Elective courses	6

Total Transfer Credits	BYU Religion Hours Required	
0–15.9	14	Book of Mormon (RelA 121 and 122), one New Testament class, and one Doctrine and Covenants class
16–31.9	12	
32–47.9	10	
48–63.9	8	
64–79.9	6	Book of Mormon (RelA 121 and 122) and one Doctrine and Covenants class
80–95.9	4	
96 or more	2	Unless more hours are needed to fill Book of Mormon requirement

Major Education

Brigham Young University students are expected to develop competence in at least one area of concentration. Such competence is acquired through in-depth study in an area referred to as the major. Through the major requirements students encounter a rigorous, coherent, and progressively more sophisticated program of study. Such study is intrinsically valuable, and it prepares students to enter the world of work or to pursue further study. By the time they graduate, students should have a grasp of their discipline's essential knowledge and skills and thus be able to compete in and contribute to the larger world outside the university.

BYU offers approximately 150 undergraduate major programs. Most of these programs are centered in the more than 50 academic departments, but several interdisciplinary programs are also available. The complete list of these degrees is given in the BYU Undergraduate Catalog under the heading Alphabetical List of Undergraduate Majors at BYU. Of the 120 credit hours required as a minimum for the baccalaureate degree, the major program typically comprises between 40 and 60 credit hours, although some exceed 60 credit hours. Requirements for major programs are detailed under specific departments in the catalog. Students need not feel undue pressure to declare a major immediately upon entering the university, and they may wish to enroll in general education courses that can introduce them to possible areas for major study. However, some majors, including those in the natural sciences, engineering, music, and visual arts, are tightly structured. Efficient graduation from these programs requires students to undertake degree requirements during the first semester of their freshman year. Students who are considering these programs are encouraged to begin them as soon as possible. The academic departments and college advisement centers can provide advice about particular degree requirements and selection of a major.

General Education

The general education (GE) program at Brigham Young University complements the other two areas of a university education. Through its perspective we gain vantage points from which to view the development of our own culture and how it relates to others.

GE courses teach one to think critically, and they pose questions that foster the development of moral judgment and aesthetic and cultural sensitivities. At Brigham Young University these courses are taught in the context of the restored gospel and the implications that the gospel of Jesus Christ holds for knowledge, truth, and society.

GE Program Modified

The general education program was revised in 1995. Students who entered the university prior to fall 1995 have the option to continue with their original GE program or to switch to the newer program. Students enrolled prior to fall 1995 should visit their college advisement center to discuss the optimal program, given their current status.

Modifications to the 1988 GE program are:

- A music option was added to satisfy the Advanced Languages requirement.
- A combination of courses may satisfy some of the core requirements.
- The number of required Arts and Letters elective courses was reduced from four to three.
- The Physical Education and Health university requirement has been changed to the Wellness requirement and is now included as part of general education.

Students who entered BYU fall 1995 or thereafter are automatically on the GE program described on the following pages.

Description of the GE Program

The GE program is separated into three categories called Languages of Learning, the Liberal Arts Core, and Arts and Sciences Electives.

The objectives for each of the three areas are explained below. Brief statements of the ways to satisfy GE Program requirements are provided in the accompanying table. Detailed information concerning the mechanisms available to complete each requirement is given in the General Education Courses section of this class schedule.

Languages of Learning

In our modern, complex society, the ability to communicate effectively is deemed a critical skill. Under the Languages of Learning category are grouped the areas of writing, mathematics, foreign language, and music, each of which represent an important way to convey information and understanding. Because writing at the college level is considered essential to success at the university, students are asked to complete a First-Year Writing course. Later, once students have identified an area for major study, they are provided with an opportunity to develop writing skills in that discipline. To function in a technological society, a basic knowledge of mathematics as a means of communication and problem solving is essential. All students, upon admission, are asked to certify a basic level of numeracy, either with an appropriately high score on the Mathematics section of the ACT or SAT exams or by completion of a BYU course. We then ask that students exhibit a mastery of either mathematics, music,

or a foreign language at an advanced level. At this level students achieve an exposure to cultures and to the ways in which practitioners of the language structure their knowledge. See the tables on pages 56 and 57 for more information.

Liberal Arts Core

A traditional university education includes introductions to the core or fundamental areas of knowledge. These typically cover the biological and physical sciences and aspects of cultures and civilizations. Here at BYU we also include as part of our core American Heritage, an introduction to the political and economic foundations of the American democratic system, and Wellness, a requirement to assist in developing one's physical and mental well-being.

For every requirement in the core, with the exception of Civilization, there are two pathways to complete the requirement—a one-course option and a multiple-course (two or three) option. The multiple-course options are structured to cover much of the same material that is included in the one-course options but in greater depth.

The options for different core requirements are independent of each other. That is, one may choose the two-course sequence to satisfy the Biological Science core requirement but choose the one-course option for the Physical Science, American Heritage, and Wellness requirements. In general, students will find it most efficient to take the one-course options for a given requirement. However, students in some majors will find that a particular core requirement can be satisfied using the multiple-course pathway with courses they are already taking for their major. Students with career or personal interests outside their major may find that the two-course options better serve their needs. For example, the philosophy or language major who hopes to become a physician may satisfy the Physical and/or Biological Science core requirement by virtue of the science courses required for admission to medical school.

Both the Languages of Learning and the Liberal Arts Core provide for multiple ways to satisfy individual requirements. The number of courses and credit hours needed to satisfy a requirement will vary with the particular option chosen and/or the student's previous preparation. See the table on page 57 for more information.

Arts and Sciences Electives

The Arts and Sciences electives are divided into three categories: Arts and Letters, Natural Sciences, and Social and Behavioral Sciences. These three divisions encompass the spectrum of human endeavors. The objective of elective courses certified to satisfy this requirement is to introduce students in a more focused way than the core courses to specific disciplines or areas of study. Students must take **one** course from **each** of the three areas. Unless the major program dictates a specific course, students are free to select from a large list of approved courses. These courses are certified for approval by a faculty council, and students are encouraged to check a current class schedule for an up-to-date list of approved courses.

Some courses are approved as both Arts and Sciences electives and as one of the two-course sequences for the alternate option to the Liberal Arts Core requirements. The same course cannot be used for both the elective requirement and to partially complete the core requirement.

Because a significant objective of general education is to provide breadth to the student's education, we recommend that elective courses be taken outside the major. However, once a course certified to satisfy an elective is completed, the GE requirement will be considered satisfied. Changes in majors will not affect the student's progress toward completion of the GE program. Nevertheless, the new major may impose additional requirements, such as a particular Advanced Writing course.

Where variable numbers of courses or credit hours are indicated, the effort required to complete the requirement depends upon the student's level of preparation. The complete list of courses currently certified to satisfy a particular requirement and additional details of how to complete the requirements are given in a later section of this class schedule entitled General Education Courses. See the tables on page 58 for more information.

GE and the Honors Program

The Honors Program offers a number of courses that satisfy both GE and Honors requirements. These courses provide a deeper, more intense exposure to the subject matter for the student who is interested in a challenging experience. Additional information concerning these courses may be obtained from the General Education and Honors Office, 102-A MSRB, telephone (801) 378-5497, or by consulting the University Honors Program Course Guide.

Selection and Timing of GE Classes

To gain approval to meet a GE requirement, a course is subjected to a rigorous evaluation. Such approval is not granted lightly, and students should ensure that the courses they select are, in fact, approved for GE credit. This information is updated each semester/term and published in the current class schedule.

Although the time to complete GE requirements varies according to the major, students should complete the First-Year Writing and American Heritage requirements during the freshman year. Students planning to satisfy the Biological Science, Physical Science, and Precollege Mathematics core requirements with the one-course options (e.g., Biol 100, PhyS 100, and Math 110) should also complete these during the freshman year. History of Civilization courses are designed as sophomore-level courses, although some programs include them during the freshman year. Advice as to when to complete the other GE requirements can be obtained at college advisement centers or department offices.

Ways to Complete GE Requirements Other Than by Course Work

In addition to taking approved courses, there are several mechanisms by which students may satisfy the components of the GE program: transferring acceptable credit from other academic institutions; receiving credit from advanced placement (AP) and International Baccalaureate (IB) examinations or from the College Level Examination Program (CLEP); or passing special examinations at the university.

Transfer Credit

The application of transfer credit to GE requirements is handled by the Transfer Evaluation Office, B-238 ASB. Consortium agreements have been reached with several junior and community colleges to facilitate the transfer process for students who have completed certain associate degrees. The Transfer Evaluation Office can be contacted for up-to-date information regarding the status of those agreements with a particular junior or community college.

Advanced Placement and International Baccalaureate Credit

The results of some Advanced Placement (AP) and International Baccalaureate (IB) exams may be used to waive certain GE requirements and to obtain general university credit. AP or IB credit posted to a transfer institution will be evaluated upon BYU's standards and not those of the transfer institution. The Academic Advisement Office, B-238 ASB, telephone (801) 378-3641, can be contacted for details regarding credit hours and exemption from GE requirements for both AP and IB exams.

College Level Examination Program

BYU will grant credit for the College Level Examination Program (CLEP). For each general examination on which a student scores 610 or higher, the university will grant 3 hours of credit. Students can contact the Admissions Office, A-153 ASB, telephone (801) 378-2507, for additional information.

Exemption and Challenge Examinations

Some requirements can be accomplished by successful completion of an examination. Two types of examinations are available, the exemption exam and the challenge exam. *A student may only take an exemption or challenge exam once during each exam period.* Students do not have to be enrolled in a course to take an exemption or challenge exam. However, some of the exams are given early enough each semester/term so that students who are enrolled and pass the exam may drop the course. Students not enrolled in a course have an opportunity to take the challenge or exemption exams offered at the Testing Center during the middle of fall and winter semesters. Please consult the table on page 55 for specific exam dates.

Exemption Exams: No Credit or Grade

(Offered for select general education courses only)

Exemption exams do not earn academic credit or grades. Exemption exams are given in the Testing Center on the dates shown on the table that follows. A fee payable at the Testing Center is required for the exams. A passing score on an exemption exam is reflected on the Advisement-by-Computer (ABC) report as fulfilling the requirement. However, no academic credit will be posted on the transcript of grades. The procedure to take an exam and request exemption from a course follows.

Challenge Exams: Graded Credit

Some challenge exams for credit are offered in the Testing Center, and others are arranged through the department offering the course. A fee payable at the Testing Center is charged for exams offered in the Testing Center. A fee payable at the Cashiers' Office in D-155 ASB is required for exams that are offered through individual departments. **Check with the department to see if the exam is offered in the department or in the Testing Center.** To earn academic credit and a letter grade for the course, the student must submit a Special Examination Form, provided by the Testing Center or the department, to the Records Office, B-150 ASB. No additional fees are charged to post credits to the transcript. The student's transcript and grade point average reflect the grade earned on the exam. The procedure to take exams and request academic credit follows.

Procedure for Exemption and Challenge Exams Given at the Testing Center

A. Procedure for Exemption Exams

1. Contact the appropriate academic department for exam procedure and content before going to the Testing Center.
2. Go to the Testing Center (265 HGB) on one of the examination dates on page 55.
3. Pay the required fee at the Testing Center.
4. If you are enrolled in the course when you pass its exemption exam, you **must** also complete an Add/Drop Card and drop the

course. Students who drop the class after the *add deadline* (ten class days after a semester starts or six class days after a term starts) will receive a W on their transcript for dropping the course, and their ABC report will reflect fulfillment of the GE requirement. If the exempted course is not *officially* dropped before the drop deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.

Note: If you pass an exemption exam at the Testing Center, your ABC Report will be updated automatically at the end of the semester. Please retain your score report for your records.

B. Procedure for Challenge Exams Given at the Testing Center

1. Contact the appropriate academic department for exam procedure and content before going to the Testing Center.
2. Go to the Testing Center (265 HGB) on one of the examination dates on page 55.
3. Pay the required fee at the Testing Center.
4. After the exam is graded, if you choose to receive graded credit, obtain a Special Examination Form at the Testing Center and have it validated there. To accept the grade and receive credit for the course, turn in the Special Examination Form to the Records Office, B-150 ASB, within one year from the date the exam is taken. Graded credit will be added to your official university transcript, and the ABC Report will show any GE requirement as fulfilled. (Students taking the Physical Science exam may take the grade or an exemption if their score is 75 percent or above. If their score is between 60 and 74 percent, then they may receive graded credit.)
5. If you are enrolled in the course when you pass its challenge exam, you **must** also complete an Add/Drop Card and drop the course. Students who drop the class after the *add deadline* (ten class days after a semester starts or six class days after a term starts) will receive a W on their transcript for dropping the course, and their ABC Report will reflect fulfillment of any GE requirement. If the course is not *officially* dropped before the drop deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.

Procedure for Challenge Examinations *Not* Given at the Testing Center

A. Whether or not you are enrolled in the course you are challenging:
   1. Complete the Special Examination Form available from the department.
   2. Arrange with the department to take the exam.
   3. Pay the required $20 testing fee at the Cashiers' Office, D-155 ASB, and have the form validated there ($20 fee per course except for the language exams).
   4. Present the validated form to the department examiner.
   5. Have the grade and credit recorded on the form by the examiner and obtain the necessary departmental signatures.
   6. Present the completed form to the Records Office, B-150 ASB, within one year from the date the exam is taken.

B. If you are enrolled in the course when you pass its challenge exam, you **must** also complete an Add/Drop Card and drop the course. Students who drop the class after the *add deadline* (ten class days after a semester starts or six class days after a term starts) will receive a W on their transcript for dropping the course, and their ABC Report will reflect fulfillment of any GE requirement. If the course is not *officially* dropped before the drop deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.

How Do You Get Help with Specific Questions Concerning General Education?

The essential information concerning general education is found in the current BYU Undergraduate Catalog. Additional, late-breaking information, plus advice, about general education requirements can be obtained from your college advisement center. The ten college advisement centers, together with the Open Major Advisement Center, 2500 WSC, provide assistance with registration, graduation requirements, policies and procedures, fields of study, changes of major, and many other aspects of academic life. Computer terminals are available in the advisement centers and other locations on campus to provide you with an up-to-date report of your academic status. In addition, an Advisement-by Computer (ABC) Report is sent to you early each semester. These list the GE courses you have completed and also the GE requirements that remain to be completed.

Schedule of Exemption and Challenge Examinations Given in the Testing Center

The Testing Center, 265 HGB, offers special examinations for some GE classes on the dates noted below. Please contact the appropriate academic department before going to the Testing Center for specific exam information.

SPRING AND SUMMER TERMS 2000

Course	Term	Exemption Exam (No Credit or Grade)	Challenge Exam (Graded Credit)	Fee (Pay at Testing Center)	Last Day to Drop W/O W on the Transcript	Department Contact
Precollege Math (Math 97)	Sp/Su	(Sp) April 26–May 2 (Su) June 20–26 (score of 64% and above)		$10	(Sp) May 2 (Su) June 26	Math Lab 60 KMB
Biological Sciences (Biol 100)	Sp/Su		(Sp) April 26–May 2 (Su) June 20–26	$20	(Sp) May 2 (Su) June 26	Biol 100 Office 2276 SFLC
First-Year Writing (Engl 115)	Sp/Su		(Sp) April 26–May 9 (Su) June 20–30	$20	(Sp) May 2 (Su) June 26	Engl Comp Office 3110 JKHB
Physical Science (PhyS 100)	Sp/Su	(Sp) April 26–May 2 (Su) June 20–26 (score of 75% and above)	(Sp) April 26–May 2 (Su) June 20–26 (score of 60% to 74%)	$10	(Sp) May 2 (Su) June 26	PhyS 100 Office N252 ESC
American Heritage (AHtg 100)	Sp/Su		(Sp) April 26–May 2 (Su) June 20–26	$20	(Sp) May 2 (Su) June 26	AHtg Office 2303 SFLC

For information regarding all other challenge examinations, please contact the department that offers the course or exam.

Testing Center Hours

	Center Open	Exams Collected	Center Vacated
Mon–Fri	8:00 a.m.	9:00 p.m.	9:30 p.m.
Sat	9:00 a.m.	12:30 p.m.	1:00 p.m.

General Education Program

Note: The courses listed in the tables on pages 56–58 are subject to change each semester. Some classes listed have approval on a trial basis and may be removed from the list at a later date. Please consult a current class schedule each semester/term to ensure that the class you take is still approved for GE. Some requirements can also be satisfied via AP or IB credit. Check with the Academic Advisement Office, B-238 ASB, telephone (801) 378-3641, for the current mapping of AP/IB exams to GE requirements.

Requirement	Options		Total Hours Req.
LANGUAGES OF LEARNING			
Precollege Math	ACT math subscore of 22 or above; SAT math subscore of 500 or above; or Math 97, 110, 111, or any higher college-level calculus course.		0–3
First-Year Writing	Engl 115, 216H, HonP 200, Phil 105, or Phil 105H.		3
Advanced Writing	Prerequisite is First-Year Writing or its equivalent. See the list of approved courses in the current class schedule. Some majors require a specific course. Recommended to be taken during junior year.		3
Advanced Languages Four options: Advanced Math, Statistics, Foreign Language, or Advanced Music	Requirement to be satisfied either in mathematics, statistics, in one of three music tracks, or in a foreign language. See the current class schedule for approved math, statistics, music, and foreign language classes.		3–16
***LIBERAL ARTS CORE** (Check with your college advisement center to know which courses you should take.)			
Biology	**Option A** One course: Biol 100; 130; Mcbio 130; HonP 260; or Zool 101 *and* 102	**Option B** One course each from two of the three groups: Group 1: Biol 150, Botny 125 Group 2: Biol 276, Zool 205, 355, 276 Group 3: Mcbio 221	3–6
Physical Science	PhyS 100; or PhyS 110A *and* 110B; or HonP 259	One course each from two of the three different departments: Chem 100, 101, 105, 111, 111H, 152 Geol 101, 101H, 103, 111, 330 Phscs 100, 105, 121, 122, 127, 127H	3–7
American Heritage	One course: AHtg 100, 100H, or HonP 240	One of the following two-course combinations: Hist 120 and PISc 110; or Hist 120 and Econ 110; or PISc 110 and Econ 110; or Hist 121 and PISc 110	3–6
Wellness	HEPE 129 or three physical education or dance activity courses (see detailed information in the current class schedule)		1.5–2
Civilization	One 201 and *one* 202 course from the approved list in the current class schedule		6
***ARTS AND SCIENCES ELECTIVES**			
Natural Sciences	Choose from the approved list.		3
Social and Behavioral Sciences	Choose from the approved list.		3
Arts and Letters	Choose from the approved list.		3
			Subtotal: 37.5**

*Classes in the Liberal Arts Core under Option B cannot be used to satisfy both the Liberal Arts Core and the Natural Sciences or Social and Behavioral Sciences Electives; one course or combination of courses cannot fulfill more than one requirement.
**Total "required" hours of general education courses equal 37.5 hours. Students may choose or be required by their department to take options that will add hours, e.g., a 6-hour core option or Foreign Language or Music Advanced Languages tracks. On the other hand, high school algebra or an ACT math score of 22 or above reduces the required GE hours to 34.5.

General Education Courses

Languages of Learning, Liberal Arts Core, and Arts and Sciences Electives

The official list of all courses that satisfy GE requirements for spring/summer 2000 follows. In addition, a GE code appears within the class list in this class schedule. The codes identify all GE courses, both required and elective. Definitions of these codes are listed under Class List Codes on page 8.

Languages of Learning

Requirement	Two Ways to Satisfy Precollege Math Requirement		Comments or Advice
Precollege Math (Precollege Math is equivalent to algebra 2 in high school or Math 97 at BYU) **Note:** Math 97 is a non-credit course and requires an extra fee.	**(1)** If ACT Math subscore is 22 or above or SAT Math subscore is 500 or above, then no college course is required.	**(2)** Any ONE of the following math courses satisfies the Precollege Math requirement: Math 97, 110, or any higher college-level calculus course.	*Freshmen:* If your ACT Math subscore was 22 or above, you have satisfied this requirement. If your score was 21 or below and the last high school math class you passed was (1) algebra 1 or geometry: take Math 97; if (2) algebra 2: take Math 110 or the Precollege Math exemption exam administered by the BYU Testing Center. If you had a full year of college-preparatory mathematics in high school following a year of algebra 2, you have had the material contained in math 110; to satisfy the Precollege math requirement if your ACT Math subscore was less than 22, then take the exemption exam or a math course from the previous column that repeats the last course you had in high school. If you are uncertain of your preparation, please consult the Mathematics Department, 292 TMCB, (801) 378-2061. *Transfer Students:* If your ACT Math subscore was 22 or above, you have satisfied this requirement, If not, submit transfer credit equivalent to any of the courses listed in the previous column, or take the exemption exam. Regarding transfer credit, consult Transfer Evaluations, B-238 ASB, (801) 378-3641.
First-Year Writing (One course, to be completed during freshman year)	Engl 115, 216H, HonP 200, Phil 105, 105H		*Freshmen:* We **strongly** encourage you to take a First-Year Writing course even if you have received AP credit for English, because the skills taught in these courses are essential to a successful university education.
Advanced Writing (One course or sequence)	ArtHC 300; Chem 391; Engl 252, 311, 311H, 312, 313, 315, 315H, 316, 316H; MCom 320, 320H; Phil 311, 311H; HonP 300; PISc 200 **plus** one of the following: 400, 410, 430, 450, 470; Hist 200 **plus** 490.		Completion of the First-Year Writing requirement is a prerequisite for all Advanced Writing courses. Most, but not all, programs recommend completing this requirement in the junior year. Consult your college advisement center.

Languages of Learning (continued)

Requirement		Ways to Satisfy Requirement	Comments or Advice
Advanced Languages (Requirement to be satisfied either in Mathematics, in one of three music tracks, or in a foreign language.)			
Mathematics		Math 112, 112H, 113, 113H, or 119; Stat 221, 221H; Phil 305	The mathematics and statistics courses have Math 110 as a prerequisite; Phil 305 has Phil 205 as a prerequisite.
Music	**Option A**	Music 205	Music 105 or equivalent and 3 hours of Music 160R are prerequisite to Music 205. See the College of Fine Arts and Communications Advisement Center for details. Recommended for non-music majors.
	Option B	Music 301	Music 301 has prerequisites. See the current BYU Undergraduate Catalog for details. Recommended for music majors only.
	Option C	Music 300, Dance 300, and TMA 300	These courses have prerequisites. See the current BYU Undergraduate Catalog for details. Recommended for music dance theatre majors only.
Foreign Language (Complete a culminating course in an approved language, or, for less commonly taught languages that have no culminating course, pass proficiency exam and then Anthr 420.) **Returned Missionaries** or others with similar foreign residency should enroll in the 300-level course listed; however, returned missionaries with proficiency in Cantonese, Mandarin Chinese, Japanese, or Korean should enroll in the appropriate 200-level course.		**Approved Culminating courses:** Afrik 202, Arab 301, ASL 301, Bulgn 202, 330, Cant 202, Chin 202, 301, Czech 202, 330, Dansh 202, 340, Dutch 202, 340, Finn 202, 340, Fren 202, 340, Germ 202, 330, Greek (Classical) 301, 302, Heb (Modern) 202, Heb Biblical) 431, Hung 202, 330, Iclnd 202, 429, Ital 202, 340, Japan 202, 221, 301, Korea 202, 301, Latin 301, 301, Norwe 202, 340, Polsh 330, Port 202, 302, 345, 355, Rom 340, Russ 202, 330, Span 202, 302, 345, 355, SrbCr 202, 330, Swed 202, 340, Ukrai 202, 330 **Less commonly taught languages:** Aymara, Cakchiquel, Indonesian, Maori, Navajo, Quechua, Rarotongan, Samoan, Tagalog, Tahitian, Thai, Tongan, Vietnamese, Welsh	For languages with approved culminating courses: The culminating courses are intended to allow the student to access major historical, intellectual, literary, and artistic accomplishments of a foreign culture in its native language. Students entering with high school, college, or extensive prior experience with a foreign language may be able to enroll directly in a culminating course. others will require more basic instruction in the language to achieve the level necessary to succeed in the culminating course. The Humanities Publications Center Lab administers placement testing to determine the appropriate level at which students should begin their course work in 3065 JKHB, telephone (801) 378-7428. Grammar or conversation courses will not substitute for a culminating course. *For less commonly taught languages:* Students independently prepare themselves to take a proficiency exam administered by the Humanities Research Center. Following completion of the exam, students enroll in Anthr 420, where they work with cultural anthropology and linguistics faculty and conduct, in their language of choice, an ethnographic interview project. After successful completion of the proficiency exam and the foreign language section of Anthr 420, students are responsible for petitioning to have the foreign language credit posted to their transcripts. Contact the Humanities Research Center, 3060 JKHB, telephone (801) 378-3511, for additional information. *Nonnative speakers of English:* These students may fulfill the requirement through Engl 230, 232, or Hum 261. However, they are encouraged to fulfill the requirement by completing work in a language other than English or their native tongue.

Liberal Arts Core

Requirement	Ways to Satisfy Requirement		Comments or Advice
Biological Science	**Option A (Core)**	**Option B (Noncore)**	
	One course from Biol 100, Biol 130, Mcbio 130, HonP 260, Zool 101 and 102	One course each from two of the three groups: Group 1: Biol 150, Botny 125 Group 2: Biol 276, Zool 205, 355, 276 Group 3: Mcbio 221	Classes used under Option B to satisfy the core requirement cannot be used to satisfy simultaneously the Natural Sciences elective.
Physical Science	Once course from PhyS 100 or HonP 259; or PhyS 110A *and* 110B	One course each from two of the three departments: Chem 100, 101, 105, 111, 111H, 152 Phscs 100, 105, 121, 122, 127*, 127H* Geol 101, 101H, 103, 111, 330 *Astronomy classes	Classes used under Option B to satisfy the core requirement cannot be used to satisfy simultaneously the Natural Sciences elective.
American Heritage	AHtg 100, 100H, or HonP 240	One of the following two-course combinations: Hist 120 and PISc 110; Hist 120 and Econ 110; PISc 110 and Econ 110; Hist 121 and PISc 110	Classes used under Option B to satisfy the core requirement cannot be used to satisfy simultaneously the Social and Behavioral Sciences elective.
Wellness	HEPE 129	Three physical education or dance activity classes: a. Three 100-level physical education or dance classes *or* b. Two 100-level physical education or dance classes *plus* one enrollment in an intercollegiate or extramural sports or dance performance company class.	An enrollment in PE 100R, 200R, 201R, Dance 468R, 478R, 488R, or 498R may be counted only one time toward the three-course requirement under Option B.
Civilization (One course that covers antiquity to the 1500s *and* one that covers from the 1500s to modern times)	***Course Number*** / ***Course Title*** ArtHC 201, 201H; 202, 202H — World Civilization to 1500; World Civilization Since 1500 ClCv 201, 202; 201H, 202H — The Classical Tradition 1, 2 CLit 201, 202; 201H, 202H — History of Civilization: Literature 1, 2 Engl 201, 202; 201H, 202H — Masterpieces of World Literature 1, 2 Hist 201, 201H; 202, 202H — World Civilization to 1500; World Civilization Since 1500 HonP 201, 202 — History of Civilization 1, 2 Hum 201, 202; 201H, 202H — Arts in Western Culture 1, 2 Mfg 201, 202 — History of Creativity in the Arts, Science, and Technology 1, 2 Music 201, 202 — History of Civilization: Music 1, 2 Phil 201, 202; 201H, 202H — History of Philosophy 1, 2 Phil 210, 211; 210H, 211H — Science of Civilization 1, 2 PISc 201, 202; 201H, 202H — Western Political Heritage 1, 2		A number of departments offer two-course sequences arranged chronologically, with the dividing line at approximately 1500 A.D. Students are to take one class from each of the two time periods. The courses need not be taken from the same department nor in chronological order. Some major programs specify a particular civilization sequence, so students are advised to check major requirements before selecting their civilization courses.

Arts and Sciences Electives

Requirement	Ways to Satisfy Requirement	Comments or Advice
Arts and Letters (One course) In addition to the courses listed to the right, courses offered by the Honors Program with numbers HonP 203–220 or HonP 303–320 or by the General Education and Honors Office with numbers GE 203–220 or GE 303–320 will fill an Arts and Letters elective. HonP 214R is ***not*** an Arts and Letters elective.	***Course Number*** — ***Course Title*** ArtHC 111 — Introduction to Art History ArtHC 260 — Survey of Western Architecture ClCv 110, 110H — Introduction to Greek and Roman Literature ClCv 241, 241H — Greek and Roman Mythology ClCv 245 — Golden Age of Greece ClCv 246 — Golden Age of Rome Dance 260, 260H — Introduction to Dance Engl 230 — Fiction, Drama, Poetry Engl 232 — Shakespeare Engl 235 — Masterpieces of American Literature Engl 236 — Masterpieces of English Literature Engl 300 — English Literature in a Cultural Setting Engl 336 — The American Novel Engl 350 — The Bible as Literature Engl 359 — The Short Story Engl 368 — Literature of the Latter-day Saints Engl 391 — Introduction to Folklore FnArt 270 — European Fine Arts Foreign Literature Chin 344; Germ 430, 431; Ital 460; Japan 343, 344, 353, Korea 340; Port 339; Russ 241, 242; Span 339. Brigham Young University Honors Program

University Honors is a distinction awarded to all graduates of BYU who meet the requirements for honors graduation. This prestigious designation is recorded on the university diploma, on the official transcript of grades, and in the graduation program. It is widely recognized as an indication of exceptional academic achievement.

Participation in Honors

Honors education provides an unusually rich and challenging experience for capable and motivated undergraduate students. Its purpose is to assist students as they establish lifelong patterns of learning and appreciation of the world's great treasures of knowledge. Honors education is not merely a more intensive general education or a more strenuous program in a major. Rather, it provides students with the advantages of an enriched education in a small-class setting with excellent professors, while utilizing all of the advantages of a large university. Students who pursue an honors education at Brigham Young University take honors courses that meet general education requirements and participate in an intensive honors thesis experience in their major.

To graduate from BYU, students must meet not only the requirements of a major department but also the requirements of general education and religion. Most students complete the nonmajor requirements through courses in the general university curriculum. Because all students must complete general education requirements, some required general education classes have high enrollments, and there is little opportunity for students to interact with the professors. The honors program invites capable and motivated students to satisfy general education and religion requirements through honors as alternatives to the standard general and religious education programs. Honors courses have small enrollments (usually less than 30 students per class) and are focused on class discussion and writing.

Although it is hoped that students will choose to complete all of the requirements for the University Honors designation, those who do not intend to do so are welcome to participate in the honors program to whatever extent they choose. All students are invited to consider honors as a way to achieve the kind of academic experiences they seek. Students may register for honors courses at any time during their undergraduate years without necessarily intending to complete all the honors graduation requirements.

Honors education is open to all students who choose to participate; there is no formal membership in the honors program. Students who intend to graduate with University Honors should complete a commitment form that may be obtained from the Honors Advisement Center in 102A Maeser Building (MSRB).

Facilities and Opportunities Available to Honors Students

The honors program is housed in the historic Maeser Building on the southwest part of campus. This quiet corner of campus is surrounded by beautiful grounds and wooded areas. The building is named after Karl G. Maeser, the first principal of Brigham Young Academy (the school that later became Brigham Young University). A bronze statue of Karl G. Maeser stands at the building's east entrance. The Maeser Building was constructed in 1911 and is the oldest building on the current campus. Its marble halls are richly decorated with oak and brass trim. The building was restored in 1985 with modern electrical and ventilation systems, but its historic architecture and decoration were retained.

Facilities for honors students in the Maeser Building include the Honors Reading Room in 150 MSRB, with study tables and a small library of reference works and classics; the Honors Common Room in 102 MSRB, where students can meet for informal discussions; an art gallery in the lower-floor hall; the Honors Advisement Center in 102A MSRB, where students receive counseling about their honors education; and the Martha Jane Knowlton Coray Lecture Hall in 321 MSRB, where classes, lectures, and musical concerts are held.

Students who have committed to graduate with University Honors and are active participants in the honors program are eligible for reduced-rate or free admission to selected musical and theatrical performances, some of which include visiting performers of international renown. Honors students receive free admission to International Cinema, a series of foreign films shown on the BYU campus. They also have priority registration privileges for honors courses. The honors program sponsors lectures, concerts, symposia, and socials. The students can also participate in intercampus events with honors students from other universities and colleges. Each week during fall and winter semesters the honors program sponsors an honors devotional featuring a religious presentation by a professor or member of the community. Students are invited to participate with the Honors Student Advisory Council, a group of student representatives who assist in policy development, social activities, and academic functions of the honors program.

Who Should Participate in Honors

The characteristics that best define honors students are motivation and a strong desire to obtain the most from the educational experience that BYU has to offer. Honors students seek breadth in their education by taking honors courses outside of their majors. They excel within their majors by learning how to conduct research and scholarly work within their chosen fields. They usually tend to work harder and spend more time on their course work than other students, not because their courses are more difficult but because they take courses that interest them. They attend concerts, plays, films, lectures, and art exhibitions, and they participate in informal discussions with their professors and fellow students. Because many of their classes are small and discussion-oriented, they are personally acquainted with their professors. They become well-rounded, literate, and humane scholars whose faith in the restored gospel is strong. Their thirst for knowledge lasts a lifetime. They are not necessarily those with the highest grade-point averages or the highest standardized test scores, nor do all honors students have scholarships. Approximately 9 percent of the BYU student body participates in honors, but many of these students do not complete all of the requirements for graduation with University Honors. To whatever degree students participate in honors, they benefit from an enriched education. The honors program invites all BYU students who seek enhancement in their educational experience to take advantage of the many opportunities that the honors program offers.

Overview of Requirements for Graduation with University Honors

This section provides a brief overview of the requirements to graduate with University Honors. Detailed explanations of each requirement follow this section. The staff in the Honors Advisement Center in 102A MSRB (801-378-5497) is available to answer questions about honors requirements. To graduate with University Honors, you must:

1. Commit to graduate with University Honors and consult with an Honors Advisement Center representative once each semester.
2. Complete the honors curriculum requirement.
3. Complete the honors great works requirement.
4. Complete the honors advanced languages requirement.
5. Complete the honors service requirement.
6. Complete the honors thesis requirement.
7. Have a cumulative grade point average of at least 3.5.
8. Submit a graduation portfolio that summarizes your honors experiences.

These requirements are intended to enhance all aspects of your undergraduate education. At Brigham Young University there are three components of an undergraduate education: major education, general education, and religious education. The requirements for graduation with University Honors enhance all three of these components. The honors curriculum, great works, and advanced languages requirements enhance the general and religious education components. The honors thesis requirement enhances the major education component.

Detailed Explanations of Requirements for Graduation with University Honors

1. Commit to Graduate with University Honors and Consult with an Honors Advisement Center Representative Once Each Semester.

Students may commit to graduate with University Honors at any time during their undergraduate years by completing a form available at the Honors Advisement Center. Students who have formally committed to graduate with University Honors have certain privileges, among them the opportunity to preregister for honors courses and to receive reduced-rate admission to certain musical and theatre performances and films. To keep the commitment current, students must enroll in at least one honors course per semester for the first two years in the program and consult with an Honors Advisement Center representative once each semester. Consultation with the advisement center allows the honors program to know your plans so advisement personnel can help you register for the correct classes and keep you informed of honors activities.

2. Honors Curriculum Requirement.

The honors curriculum requirement enhances the general and religious education components of your undergraduate education. Nearly all honors courses and honors sections of department courses meet the general and religious education requirements that all BYU students must complete. You should consult the honors course guide to be sure which general and religious education requirements are met by the courses for which you choose to register.

To fulfill the honors curriculum requirements, you must complete 22 credit hours selected from honors courses and honors sections of department courses, subject to the following limitations:

(a) Three of the 22 credit hours must be from one of the following writing courses: Honors 200, Philosophy 105H, or English 216H.

(b) No more than 12 credit hours from honors sections of department courses can be used to meet this requirement. Of these, no more than four credit hours can be from honors sections of religion courses.

(c) No more than three credit hours of Honors 214R can be used to meet this requirement.

All BYU students must complete at least 37.5 credit hours to meet general education requirements and 14 credit hours to meet religious education requirements.

Honors options are available for nearly all of these requirements. Honors 499R (honors thesis) does not count as credit for the honors curriculum requirement but can be used as credit for completion of the honors thesis requirement.

3. Great Works Requirement.
The honors great works requirement introduces you to the world's treasures of literature, music, theatre, film, and art. It is intended to enhance not just your undergraduate education but your entire life as it encourages you to develop a lifelong pattern of experiencing the great works of humanity. You can fulfill this requirement entirely on your own, or you may include works of literature, music, theatre, film, and art that you study as part of your course work. BYU provides many opportunities to fulfill this requirement within its course offerings and its rich schedule of musical, theatrical, and artistic productions. Some of the great works are part of many honors courses. The honors program provides reduced-rate admission for honors students to attend selected performance events. Most faculty and student recitals and most art exhibitions are open to students and the public with no admission charge.

This requirement must be met during the time you are an undergraduate student. You cannot reduce the requirement by counting works that you studied during high school. You will benefit most from this requirement if you spread it out over your undergraduate years. Each area requires you to study or attend 16 works, performances, or exhibitions—which is four per year in each area if you spread them out over a period of four years. A packet entitled How to Complete the Great Works Requirement provides detailed information about this requirement and will soon be available at the Honors Advisement Center (102A MSRB) or electronically at http://ucs.byu.edu/gened/honors/greatworks/. This packet includes the detailed information you will need and a checklist that you can use to ensure that you properly complete this requirement.

To fulfill this requirement during your four years as an undergraduate, you must:

(a) Read 16 works of literature from the approved reading list in the How to Complete the Great Works Requirement packet or from approved substitutions to that list. You must choose at least one work from each of the following categories of literature in the Western tradition: classical, medieval, renaissance and reformation, 17th and 18th centuries, 19th century, and 20th century; and at least one work from the non-Western tradition. The remaining nine works can be from any of the time periods and from Western or non-Western traditions. As you make your selections, choose at least one work from each of the following fields: science and mathematics, social science, female author, and persons of color.

Inclusion of works not on the approved list is permitted but requires completion of a substitution form (available in the Honors Advisement Center) that must be preapproved by the dean or an associate dean of General Education and Honors before you begin reading the substituted work.

(b) Attend 16 theatrical performances, including at least one play by Shakespeare.

(c) Attend 16 musical performances. The performances must include at least two symphonies, one concerto, one opera, four faculty or student recitals, one jazz performance, and one dance performance.

(d) Attend 16 films presented through BYU's Department of Theatre and Media Arts or the International Cinema program. At least eight of the films should be in a language other than English. (Foreign language films shown in International Cinema have English subtitles.)

(e) Attend 16 art exhibitions (either traveling exhibitions or permanent collections) at local art museums (BYU Museum of Art, Springville Museum of Art, and Church Museum of History and Art) and/or at renowned national or international art museums. Students who have the opportunity to travel are strongly encouraged to visit renowned national or international art museums to meet this requirement.

(f) As part of your graduation portfolio, submit 10 response papers that examine two works of literature, two theatrical works, two pieces of music, two films, and two works of art from the lists included in the How to Complete the Great Works Requirement packet. The packet also contains detailed instructions on how to write your responses.

4. Honors Advanced Languages Requirement.
Honors students must gain proficiency in a foreign language (at least two semesters of foreign language study, or the equivalent) and proficiency in advanced mathematics, statistics, or logic (at least one course from Math 112, 112H, 113, 113H, 119, Stat 221, 221H, 222, 222H, 321, Phil 305, or an acceptable substitute). Fulfillment of this requirement meets and exceeds the general education advanced languages requirement.

5. Honors Service Requirement.
Students who participate in honors are invariably gifted and highly motivated. The honors program encourages students to share their gifts with others through meaningful service. To complete this requirement you must participate in some form of service that draws upon your unique talents and abilities during your undergraduate years. This requirement is flexible in that it allows you to define the form of service you plan to use to meet this requirement. Your contribution may be in a single project or spread out over several projects. Examples of service projects that students have used to complete this requirement include volunteer tutoring of high school or college students; assistance in programs that benefit people who are handicapped, elderly, ill, or impoverished; service as a volunteer in museums, hospitals, parks, or other public facilities; and participation on restoration or conservation projects. Your service can be part of activities sponsored by educational, religious, government, business, or charitable organizations, including BYU and the LDS Church, or you can plan and carry out service on your own. For those students who serve full-time LDS missions, the service that meets this requirement should be carried out while you are a student and should be in addition to any service you perform as a full-time missionary. Missions often provide students with skills and opportunities that they can use to provide significant service after their full-time missions are completed.

6. Honors Thesis Requirement.
The honors thesis requirement gives you the opportunity to participate in original research or creative work in the discipline of your major. Honors students typically complete the thesis requirement during their junior and senior years after they have obtained sufficient training in their major to conduct independent work in a specialized academic field. Each student chooses a faculty advisor in the department of his or her major and in consultation with the advisor chooses a thesis topic. The topic must be one that is acceptable for a master's thesis in the discipline. The level of an honors thesis does not need to be as high as a master's thesis, although many honors theses achieve the same level as a good master's thesis.

Students should complete significant course work within the subject area of the thesis (usually at least 30 credit hours, several of which are from 300- or 400-level major courses). The thesis is intended to acquaint students firsthand and in depth with the type of scholarly work that characterizes the field they intend to pursue professionally. For these reasons, only under very rare circumstances is an honors thesis topic outside of the major area approved. In most cases students who complete a thesis outside of the major do so in a very closely related area. In a few cases a thesis topic outside of a student's major may be approved if the student intends to pursue a career in the area of the thesis and has significant academic preparation in that area. For example, a music major who intends to enroll in medical school may have taken 30 credit hours of course work in chemistry, mathematics, physics, and biology in preparation for medical school and may complete a thesis in an area such as cancer research, even though the thesis has little to do with the student's major. In the absence of such justification, students should not pursue thesis work outside of their majors.

Before you begin work on an honors thesis, you must submit a written thesis proposal and have it approved by the Honors Program Office. Guidelines for writing the thesis proposal are available in a packet entitled How to Complete the Honors Thesis Requirement that will soon be available in the Honors Advisement Center or electronically at http://ucs.byu.edu/gened/honors/thesis/. You can request financial support as a part of the thesis proposal. Many honors students obtain competitive undergraduate research grants from BYU's Office of Research and Creative Activities for honors thesis work. Also, many professors and departments have research funding that can be devoted to research on an honors thesis. Personnel in the Honors Program Office can help you explore the various opportunities that are available to support your work on an honors thesis.

After the thesis research is complete and the thesis is written, each student must present a thesis defense. The thesis advisor, a faculty referee, and the dean or an associate dean of General Education and Honors will attend the thesis defense. After the thesis defense is completed and all final changes are incorporated into the thesis, the honors program will have the thesis bound and make it available for others to read.

7. Have a Cumulative Grade-Point Average (GPA) of at Least 3.5.
Honors students are not necessarily those with the highest GPAs, although most perform very well in their classes. Rather than select easy courses to receive high grades, honors students tend to seek challenging courses taught by excellent professors, and they participate in a variety of activities. Honors students are expected to perform well academically, defined as a minimum GPA of 3.5 at the time of graduation.

8. Submit a Graduation Portfolio That Summarizes Your Honors Experiences.
The honors portfolio is a record of your undergraduate experience. It is a file kept by all candidates for University Honors graduation and is submitted for review at the same time the completed thesis is submitted. The portfolio contains samples of your best academic work from your undergraduate program. Although you should place your best work in the portfolio, the file is intended as a record of growth; thus early struggling attempts also have their place. It is always illuminating to see where you have been and how far you have come.

When submitted for examination, the portfolio should contain (but is not limited to):

1. A one- or two-page summary, semester-by-semester, of the major highlights and achievements of your undergraduate experience.
2. A one-page evaluation of the most memorable service you contributed as an undergraduate student.

3. A current transcript indicating a GPA of at least 3.5.
4. A list of three faculty members who know you and can recommend your academic record.
5. A representative collection of your best academic work, reflecting educational progression throughout the undergraduate years.
6. Ten great works response papers.

Note: The general website for the BYU Honors Program is http://ucs.byu.edu/gened/honors/.

Honors Courses

Dates and times for honors classes are listed in the class list of this class schedule under Honors or by any class with the suffix *H* accompanied by a section number in the 200s.

The University Honors Program Course Guide also contains a complete list of honors courses and detailed course descriptions. It is an essential supplement to the current undergraduate catalog and this class schedule. To obtain the course guide or further information about the honors program, contact the Honors Advisement Center, 102A MSRB, telephone (801) 378-5497.

Brigham Young University Academic Standards

Academic Support Office, 2500 WSC, (801) 378-2723

A student's academic standing at BYU is determined according to the grades that the student earns at BYU. The following outline shows the conditions and expectations according to the student's academic standing. **Note:** College advisement centers (CACs) may also set registration blocks on students not progressing toward timely graduation. In such cases, students must also meet with their CAC to have this block removed.

ACADEMIC STANDING		*UNDER THESE CONDITIONS*	*EXPECTATIONS*
GOOD	SATISFACTORY	When the most recent semester/term GPA and the BYU cumulative GPA are 2.0 or above.	The student should continue to maintain a BYU cumulative GPA of 2.0 or higher until graduation.
GOOD	PREVIOUS	The same as Satisfactory standing but distinguishes students who have been on Probation or Suspension standing in the past.	The student should continue to maintain a BYU cumulative GPA of 2.0 or higher until graduation. The student will go directly to Probation if in the future the student has a semester or term GPA below 2.0.
WARNING	WARNING **Includes** a registration block.	When the most recent semester/term GPA is below 2.0 and the student has not been on Probation or Suspension standing in the past. OR When the most recent semester/term GPA is 2.0 or higher but the BYU cumulative GPA is below 2.0 and the student has not been on Probation or Suspension standing in the past.	The student must contact the Academic Support Office to review the student's academic standing. Any enrollment beyond the current semester/term will be dropped, and the student **WILL NOT** be allowed to register for future semesters/terms until faculty mentor support is obtained and the student is cleared through the Academic Support Office.
PROBATION	PROBATION **Includes** a registration block.	When the most recent semester/term GPA is below 2.0 and the student was on Warning standing. OR When the most recent semester/term GPA is below 2.0 and the student has been on Probation or Suspension in the past (was on Previous standing). OR When the most recent semester/term GPA is 2.0 or higher but the BYU cumulative GPA is below 2.0 and the student has been moved to Probation standing.	The student must contact the Academic Support Office to review the student's academic standing. Any enrollment beyond the current semester/term will be dropped and the student **WILL NOT** be allowed to register for future semesters/terms until faculty mentor support is obtained and the student is cleared through the Academic Support Office. **Note:** If a student is receiving university or federal financial aid, the student must also contact the Financial Aid Office, A-41 ASB, (801) 378-4104. Students on Probation are usually not eligible for financial aid.
SUSPENDED	SUSPENSION	When the most recent semester/term GPA is below 2.0 and the student was on Probation standing. OR When a student fails to comply with the conditions prescribed by the Academic Standards Committee.	1. A student who is academically suspended from BYU will be dropped immediately from all enrollment in day, evening, or extension classes (except Independent Study). 2. A suspended student is denied enrollment in BYU day, evening, or extension classes (except Independent Study) for a minimum of 12 months. After 12 or more months out of BYU, the student may apply for readmission for winter semester or spring or summer term. If the student completes any college-level work while on Suspension, the student must receive an overall GPA of 3.0 or higher to be allowed readmission to BYU. The student should contact the Admissions Office, A-153 ASB, (801) 378-2507, for details and pertinent information about deadlines for consideration and expectations upon readmission. 3. A student with extenuating circumstances who has appropriate support and justification may appeal the 12-month period out of BYU through the Academic Standards Committee. The student should contact the Academic Support Office for assistance. No other appeals will be considered. 4. "SUSPENSION FOLLOWING (specific semester/term)" will be noted on the student's official BYU transcript.
SUSPENDED	DISMISSED	When a student is suspended a second time from the university.	"DISMISSED FOLLOWING (specific semester/term)" will be noted on the student's official BYU transcript. The student is denied any future enrollment at Brigham Young University. No appeals will be considered.

Graduate Studies

Brigham Young University offers doctoral and master's degrees in a broad range of fields, as well as professional degrees in law and management. The doctoral degree requires you to demonstrate an impressive scholarly competence, which includes the ability to conduct and report significant research in a highly effective way. Advanced systematic study in a discipline is also essential, and it is followed by comprehensive examinations that require you to integrate and understand the collective knowledge of your discipline. An impeccably written dissertation resulting from independent research is scrutinized and tested in a concluding oral examination. The master's degree also requires advanced course work, demonstrated mastery in vital aspects of a discipline, skill in research methodology and theory, and preparation for future creative work. Nearly all nonprofessional master's programs at Brigham Young University require integrating examinations and a major culminating piece of written work—usually a thesis, sometimes a project—and an oral examination on that work. Professional programs also demand high-level performance of students, blending scholarly insight with technical knowledge and skill.

Admission to Graduate Study

Application to graduate study is made through the Office of Graduate Studies, B-356 ASB, PO Box 21339. Except in a small number of integrated programs, the bachelor's degree is required before you may register in a graduate program. Admission to graduate study is determined by individual departments, once standard university requirements have been met. Applicants are admitted to study in specific programs, many of which are highly selective and admit only a limited number of students each year. If you are a prospective applicant, you should communicate your interest to the specific departments to which you wish to apply, and they will forward program and admission information.

Advisement of Graduate Students

Once admitted to a department graduate program, you are advised by particular faculty members and the department graduate coordinator rather than through college advisement centers. Direct general questions about university admissions, procedures, and graduation to the Office of Graduate Studies, where advisors work individually with students and departments in admitting students and seeing them through their programs to graduation. Graduate students should read and regularly consult the current BYU Graduate Catalog for information about university policies and procedures as well as department programs.

Degree Requirements

University minimums require 54 credit hours for the doctoral degree and 30 credit hours for the master's degree. A number of programs, particularly professional programs, require more than those minimums. The highly individual nature of graduate work is reflected in the specialized programs offered by departments and the selection of courses appearing on each student's program of study. Except in professional programs, programs of study are tailored for individual students, and their progress through those courses is tracked by the Office of Graduate Studies and reported to the students and their department advisors three times a year.

Graduate Curriculum

Graduate courses in the university are numbered in the five, six, and seven hundreds. Seniors with exceptional ability may, on occasion, register for courses numbered in the 500 series but should be aware that such courses are taught at a graduate level, and expectations may exceed the undergraduate's preparation. Graduate courses generally require significant research and individual initiative.

Registration Requirements

Given the more intensive nature of graduate study, a normal semester registration is from 9 to 12 credit hours. Some programs limit students to a 6-hour registration. It is the responsibility of each graduate student to understand and follow both the general university requirements for graduate work and the specific department requirements for individual programs.

U.S. graduate students must register for a minimum of 6 semester hours per academic year and must be registered for a minimum of 2 semester hours in the semester or term in which they are (a) admitted into a graduate program or (b) plan to graduate. No D, E, UW, NS, or I grades; audits; or correspondence courses may count toward these totals or toward a graduate degree.

Immigration regulations require international students to register for at least 9 semester hours each fall and winter semester until they have fewer than 9 credit hours remaining to finish their programs. Then they must register for at least 2 semester hours and receive clearance from International Services, 1351 WSC, PO Box 25520.

Academic Standards

Grade Point Average (GPA) Requirements

Graduate students whose graduate program of study GPA falls below 3.0 (prerequisite and skill courses are exempted) will not be allowed to graduate and may be dismissed from their graduate programs. No D credit may apply toward a graduate degree.

Annual Reviews of Graduate Students

Departments are asked to make a formal evaluation of the performance of graduate students at least once a year; some evaluate more frequently. Each department establishes its own evaluation criteria and the standards it requires graduate students to meet, but generally evaluations are based on students' total academic performance, their fulfillment of program requirements (program of study submitted, courses completed on schedule, prospectus approved by department, student advanced to candidacy), and their professional performance (including quality of teaching and research).

Enrollment Verification

Graduate students may request verification of their enrollment status as full-time or part-time students, for loans or for other purposes, from the Records Office, B-150 ASB, PO Box 21114, telephone (801) 378-2631. Registration for a minimum 8.5 credit hours constitutes full-time enrollment in a semester, and 4.5 credit hours does so in a term. Registration for fewer hours constitutes part-time enrollment.

Graduate students (master's and doctoral students) who are enrolled for at least 2 hours per semester, and who can be certified by their department as being engaged full-time in pursuit of their degrees, can petition for graduate full-time status. Requests for such an exception should be directed to the Office of Graduate Studies.

Campus Privileges for Graduate Students

Graduate students who are registered for at least 2 hours per semester or 1 hour per term receive a university (ID) activity card and are eligible for all on-campus privileges afforded students who are registered full-time, i.e., on-campus employment, student housing, student insurance, intramurals, use of physical education facilities, graduate parking permits, and discount admission to sporting and cultural events.

Changing Degree Levels

With department approval, students may change from one degree level to another within a department and without interruption of enrollment. Request the change by submitting to the Office of Graduate Studies a Request to Change Degree Level (Form 1c), paying the application fee, and following the instructions on the back of the form. After receiving a department's recommendation to approve or deny the request, the Office of Graduate Studies will officially notify you.

Changing Departments

To change departments, you must submit another complete application, including another application fee, by the required deadline for the new program.

Discontinuance from BYU

Graduate students who wish to withdraw from the university must initiate that process at the Discontinuance Office, B-150 ASB, telephone (801) 378-7705.

Termination of Graduate Status

Termination of graduate status may result if you:

1. Fail to fulfill the university's minimum registration requirement.
2. Fail to meet the degree time limit.
3. Make a request to withdraw (with the intent to pursue a degree at another university, for personal reasons, or in response to department recommendation).
4. Receive a Marginal or Unsatisfactory rating in a periodic review by the academic department and are unable or unwilling to comply with conditions for continuance outlined by the department.
5. Fail to make what the department or the university deems to be satisfactory progress toward a graduate degree.
6. Fail the departmental comprehensive examination.
7. Fail the final oral examination (defense of dissertation, thesis, or project).
8. Violate the university's Honor Code.

Church Educational System Honor Code

Brigham Young University, Brigham Young University—Hawaii, Ricks College, and LDS Business College exist to provide an education in an atmosphere consistent with the ideals and principles of The Church of Jesus Christ of Latter-day Saints. That atmosphere is created and preserved through commitment to conduct that reflects those ideals and principles. Members of the faculty, administration, staff, and student body at BYU, BYU—H, Ricks College, and LDSBC are selected and retained from among those who voluntarily live the principles of the gospel of Jesus Christ. Observance of such is a specific condition of employment and admission. Those individuals who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standards of conduct, except church attendance. All who represent BYU, BYU—H, Ricks College, and LDSBC are to maintain the highest standards of honor, integrity, morality, and consideration of others in personal behavior. By accepting appointment on the faculty, continuing in employment, or continuing class enrollment, individuals evidence their commitment to observe the Honor Code standards approved by the Board of Trustees "at all times and . . . in all places" (Mosiah 18:9).

Honor Code Statement

We believe in being honest, true, chaste, benevolent, virtuous, and in doing good to all men. . . . If there is anything virtuous, lovely, or of good report or praiseworthy, we seek after these things.
—THIRTEENTH ARTICLE OF FAITH

As a matter of personal commitment, students, faculty, and staff of Brigham Young University, Brigham Young University—Hawaii, Ricks College, and LDS Business College seek to demonstrate in daily living on and off campus those moral virtues encompassed in the gospel of Jesus Christ, and will

Be honest
Obey the law and all campus policies
Live a chaste and virtuous life
Use clean language
Respect others
Abstain from alcoholic beverages, tobacco, tea, coffee, and substance abuse
Observe the Dress and Grooming Standards
Participate regularly in church services
Encourage others in their commitment to comply with the BYU Honor Code.

Specific policies embodied in the Honor Code include (1) the Academic Honesty Policy, (2) the Dress and Grooming Standards, (3) the Residential Living Standards, and (4) the Continuing Student Ecclesiastical Endorsement. (Refer to institutional policies for more detailed information.)

Academic Honesty Policy

The first injunction of the BYU Honor Code is the call to "be honest." Students come to the university not only to improve their minds, gain knowledge, and develop skills that will assist them in their life's work, but also to build character. "President David O. McKay taught that character is the highest aim of education" (The Aims of a BYU Education, p. 6). It is the purpose of the BYU Academic Honesty Policy to assist in fulfilling that aim.

BYU students should seek to be totally honest in their dealings with others. They should complete their own work and be evaluated based upon that work. They should avoid academic dishonesty and misconduct in all its forms, including but not limited to the following: plagiarism, fabrication or falsification, cheating, and other academic misconduct.

Plagiarism

Intentional plagiarism is a form of intellectual theft that violates widely recognized principles of academic integrity as well as the Honor Code. Such plagiarism may subject the student to appropriate disciplinary action administered through the university Honor Code Office, in addition to academic sanctions that may be applied by an instructor. Inadvertent plagiarism, although not in violation of the Honor Code, is nevertheless a form of intellectual carelessness that is unacceptable in the academic community. Plagiarism of any kind is completely contrary to the established practices of higher education, where all members of the university are expected to acknowledge the original intellectual work of others that is included in one's own work. In some cases, plagiarism may also involve violations of copyright law.

Intentional Plagiarism

Intentional plagiarism is the deliberate act of representing the words, ideas, or data of another as one's own without providing proper attribution to the author through quotation, reference, or footnote.

Inadvertent Plagiarism

Inadvertent plagiarism involves the inappropriate, but nondeliberate, use of another's words, ideas, or data without proper attribution. Inadvertent plagiarism usually results from an ignorant failure to follow established rules for documenting sources or from simply being insufficiently careful in research and writing. Although not a violation of the Honor Code, inadvertent plagiarism is a form of academic misconduct for which an instructor can impose appropriate academic sanctions. Students who are in doubt as to whether they are providing proper attribution have the responsibility to consult with their instructor and obtain guidance.

Examples of Plagiarism

Direct Plagiarism—The verbatim copying of an original source without acknowledging the source.

Paraphrased Plagiarism—The paraphrasing, without acknowledgment, of ideas from another that the reader might mistake for your own.

Plagiarism Mosaic—The borrowing of words, ideas, or data from an original source and blending this original material with one's own without acknowledging the source.

Insufficient Acknowledgment—The partial or incomplete attribution of words, ideas, or data from an original source.

Plagiarism may occur with respect to unpublished as well as published material. Acts of copying another student's work and submitting it as one's own individual work without proper attribution is a serious form of plagiarism.

Fabrication or Falsification

Fabrication or falsification is a form of dishonesty where a student invents or distorts the origin or content of information used as authority. Examples include

1. Citing a source that does not exist.
2. Attributing ideas and information to a source that are not included in the source.
3. Citing a source for a proposition that it does not support.
4. Citing a source in a bibliography when the source was neither consulted nor cited in the body of the paper.
5. Intentionally distorting the meaning or applicability of data.
6. Inventing data or statistical results to support conclusions.

Cheating

Cheating is a form of dishonesty where a student attempts to give the appearance of a level of knowledge or skill that the student has not obtained. Examples include

1. Copying from another person's work during an examination or while completing an assignment.
2. Allowing someone to copy from you during an examination or while completing an assignment.
3. Using unauthorized materials during an examination or while completing an assignment.
4 Collaborating on an examination or assignment without authorization.
5. Taking an examination or completing an assignment for another, or permitting another to take an examination or to complete an assignment for you.

Other Academic Misconduct

Academic misconduct includes other academically dishonest, deceitful, or other inappropriate acts that are intentionally committed. Examples of such acts include but are not limited to

1. Inappropriately providing or receiving information or academic works so as to gain unfair advantage over others.
2. Planning with another to commit any act of academic dishonesty.
3. Attempting to gain an unfair academic advantage for oneself or another by bribery or by any act of offering, giving, receiving, or soliciting anything of value to another for such purpose.
4. Changing or altering grades or other official educational records.
5. Obtaining or providing to another an unadministered test or answers to an unadministered test.
6. Breaking and entering into a building or office for the purpose of obtaining an unauthorized test.
7. Continuing work on an examination or assignment after the allocated time has elapsed.
8. Submitting the same work for more than one class without disclosure and approval.

Procedures for Handling Incidents of Academic Dishonesty or Other Academic Misconduct

Faculty are responsible to establish and communicate to students their expectations of behavior with respect to academic honesty and the student's conduct in the course. The responsible instructor shall investigate the incident, determine and take appropriate action, and notify the Honor Code Office of the final disposition of any incident of academic dishonesty to encourage a change in behavior and to discourage repeated violations. If the incident of academic dishonesty involves the violation of a public law, e.g., breaking and entering into an office or stealing an examination, the act should also be reported to University Police. If an affected student disagrees with the determination or action and is unable to resolve the matter to the mutual satisfaction of the student and the instructor, the student may have the matter reviewed through the university's grievance process (Student Academic Grievance Procedure).

Applicable Actions

A wide range of possible actions exists for cases of academic dishonesty. Instructors should take actions that are fair and equitable under the circumstances and should attempt to reach an understanding with

the affected student on the imposition of an appropriate action. In some cases, the department, the college, or the university may also take actions independent of the instructor. Examples of possible actions include but are not limited to the following:

For instructors, programs, departments, and colleges:

- Reprimanding the student orally or in writing.
- Requiring work affected by the academic dishonesty to be redone.
- Administering a lower or failing grade on the affected assignment, test, or course.
- Removing the student from the course.
- Recommending probation, suspension, or dismissal.

For the university:

The university may elect to place an affected student on probation or to suspend or dismiss the student, and to place a temporary or permanent notation on the student's permanent academic transcript that he or she was suspended or dismissed due to academic misconduct.

The university may report an incident of academic misconduct to appropriate law enforcement officials and may prosecute an affected student if the act in question involves the commission of a crime (e.g., breaking into an office or building, stealing an examination, etc.).

Honor Code Office Involvement

The Honor Code Office will maintain a record of all violations of the Academic Honesty Policy reported to it by the faculty. If the occurrence is sufficiently egregious or if a pattern of dishonesty or misconduct is discovered, the Honor Code Office may take additional action on behalf of the university based upon the nature of the infraction(s). The Honor Code Office, in consultation with the involved academic personnel, may determine to place a student on probation or to recommend a student be suspended or dismissed for academic dishonesty and other forms of academic misconduct.

Shared Responsibility Policy Statement

Students are responsible not only to adhere to the Honor Code requirement to be honest but also to assist other students in fulfilling their commitment to be honest.

Faculty Academic Integrity

The substantive standards of academic honesty stated in this policy apply *a fortiori* to faculty. Indeed, all members of the BYU community are expected to act according to the highest principles of academic integrity.

Sources

A large number of publications and policies of colleges and universities were reviewed in creating BYU's Academic Honesty Policy. Some of the content and structure of this policy were adapted from the following sources:

1. "Academic Honesty," a brochure produced by the Office of Judicial Affairs, University of Florida.
2. "Academic Honesty and Dishonesty," a brochure produced by the Office of the Dean of Students, University of Delaware.
3. "Academic Honesty and Dishonesty," a brochure produced by the Dean of Students' Office, Louisiana State University.
4. "A Statement on Plagiarism," a committee report from the October 1994 Conference on the Center for Academic Integrity, Tom Langhorne, Binghamton University (chair).
5. "Definition of Plagiarism," by Harold C. Martin, taken from *The Logic and Rhetoric of Exposition*, by Harold C. Martin, Richard M. Ohmann, and James H. Wheatly, 3rd ed. (New York: Holt, Rinehart and Winston, 1969).
6. *Legal Aspects of Plagiarism*, by Ralph D. Mawdsley (Topeka, Kansas: National Organization on Legal Problems of Education, 1985).
7. "Plagiarism—The Do's and Don'ts," a brochure produced by the Office of Student Judicial Affairs of the University of California—Davis.

Dress and Grooming Standards

The dress and grooming of both men and women should always be modest, neat, and clean, consistent with the dignity adherent to representing The Church of Jesus Christ of Latter-day Saints and any of its institutions of higher learning.

Modesty and cleanliness are important values that reflect personal dignity and integrity, through which students, staff, and faculty of BYU represent the principles and standards of the Church. Members of the BYU community commit themselves to observe the following standards, which reflect the direction of the BYU Board of Trustees and the Church publication *For the Strength of Youth*. The BYU Dress and Grooming Standards are as follows:

Men. A clean and well-cared-for appearance should be maintained. Clothing is inappropriate when it is sleeveless, revealing, or form fitting. Shorts must be knee-length or longer. Hairstyles should be clean and neat, avoiding extreme styles or colors, and trimmed above the collar leaving the ear uncovered. Sideburns should not extend below the earlobe or onto the cheek. If worn, moustaches should be neatly trimmed and may not extend beyond or below the corners of the mouth. Men are expected to be clean-shaven; beards are not acceptable. Earrings and other body piercing are not acceptable. Shoes should be worn in all public campus areas.

Women. A clean and well-cared-for appearance should be maintained. Clothing is inappropriate when it is sleeveless, strapless, backless, or revealing; has slits above the knee; or is form fitting. Dresses, skirts, and shorts must be knee-length or longer. Hairstyles should be clean and neat, avoiding extremes in styles and colors. Excessive ear piercing (more than two per ear) and all other body piercing are not acceptable. Shoes must be worn in all public campus areas.

Continuing Student Ecclesiastical Endorsement

All enrolled continuing undergraduate, graduate, intern, and study abroad students are required to obtain a Continuing Student Ecclesiastical Endorsement for each new academic year. Students must have their endorsements completed, turned in, and processed by the Honor Code Office before they can register for fall semester or any semester thereafter. Priority registration for the upcoming fall semester will begin in early April. To avoid registration delays, endorsements should be submitted to the Honor Code Office by March 15.

LDS students may be endorsed only by the bishop of the ward (1) in which they live and (2) that holds their current Church membership record.

Non-LDS students are to be endorsed by (1) the local ecclesiastical leader if the student is an active member of the congregation,(2) the nondenominational BYU chaplain, or (3) the bishop of the LDS ward in which they currently reside.

Requirements

Whether on or off campus, all students are expected to abide by the Honor Code, which includes: the Academic Honesty Policy, the Dress and Grooming Standards, and the Residential Living Standards.

LDS students must fulfill their duty in The Church of Jesus Christ of Latter-day Saints, attend Church meetings, and abide by the rules and standards of the Church on and off campus.

Students who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standard of conduct. They are encouraged to participate in services of their preferred religion.

Withdrawn Ecclesiastical Endorsement

A student's endorsement may be withdrawn at any time if the ecclesiastical leader determines that the student is no longer eligible for the endorsement. Students without endorsements, except in unusual circumstances, must discontinue enrollment. Excommunication, disfellowshipment, or disaffiliation from The Church of Jesus Christ of Latter-day Saints results in the withdrawal of the student's endorsement. The decision to withdraw an endorsement may be appealed through the appropriate ecclesiastical channels and then to the university through the Honor Code Office.

How Forms Are Obtained

Students are responsible for obtaining their own Continuing Student Ecclesiastical Endorsement Forms. Forms are available at campus information desks, at college advisement centers, from bishops of BYU wards, and from the Honor Code Office in 4440 WSC.

Questions

For additional information regarding any aspect of the Honor Code or Continuing Student Ecclesiastical Endorsements please visit http://byu.edu/stlife/campuslife/honorcode or contact the Honor Code Office at 4440 WSC, (801) 378-2847.

University Policies

Nondiscrimination Statement

Admission to Brigham Young University is nondiscriminatory. The university admits qualified persons regardless of race, color, national origin, religion, age, gender, veteran status, or disability who meet university and academic requirements and agree to abide by the university's standards of conduct and behavior.

Persons who believe they have been unlawfully discriminated against or sexually harassed should contact the Honor Code Office at (801) 378-2847 or the Equal Opportunity Office at (801) 378-5895.

Services for Students with Disabilities (SSD)

The purpose of this office is to assure that students with disabilities are provided access to university programs and information. A variety of services and extensive information are available. Students who have attention, emotional, learning, chronic health, or physical disabilities are encouraged to contact SSD to assist in the coordination of appropriate academic accommodations for classes or university-sponsored programs. For assistance contact 1520 WSC, (801) 378-2767 v/tty, or www.byu.edu/stlife/campuslife/.

Confidentiality of Records Policy

The Family Educational Rights and Privacy Act of 1974 (FERPA) controls access to student education records. Brigham Young University will make a reasonable effort to extend to eligible students and their parents the rights granted by the act. On presentation of appropriate identification and under circumstances that prevent alteration or mutilation of records, a

student will be able to inspect all education records not considered by the university to be held under a pledge of confidentiality or considered to be private records of university personnel. Those with legitimate access to the records will be charged a reasonable fee for copies.

A student is entitled to an explanation of any recorded data and may initiate action pursuant to university policy through the Exception to University Policy Committee, if necessary, to correct or expunge information he or she considers inaccurate or misleading.

Faculty and administrative officers who have a legitimate need to use a student's education records will be allowed access to such records as needed without prior permission from the student. A request from an educational institution to which a student has applied for admission or from a lending institution from which a student is seeking financial aid will be granted without a student's permission. In addition, statistical data may be furnished to university accrediting bodies and governmental officials without a student's permission.

No personally identifiable information contained in a student's educational records, other than directory information, will be given to any third party, except as authorized by the act, without the student's written consent, and then only those records that are accessible to the student. The term *third party* is construed to include parents, spouse, employers, government agencies, or any other people or organizations. Parents or guardians may have access to grade reports and other reports of a student's activity if they establish to the satisfaction of the university that the student is dependent, for income tax purposes, on the parents or guardians for their support.

Court orders and subpoenas for records will be referred to the university's legal counsel and acted on according to the counsel's directions. The university will make a reasonable attempt to notify the student when nondirectory information is released in response to subpoenas or court orders.

Any eligible student or parent who believes that BYU has violated FERPA may file a complaint with the Family Educational Rights and Privacy Act Office, Department of Education, Washington, D.C.

Directory information (i.e., information contained in the educational record of a student that would not generally be considered harmful or an invasion of privacy if disclosed) will be released to news media and to others on request. Directory information includes the following:

Name
Addresses and phone numbers
Month, date, and place of birth
Names of parents or spouse
Major and minor fields of study
Participation in officially recognized activities and sports
Weight and height of members of athletic teams
Current class schedule
Pictures
Dates of attendance (current and past)
Number of months/semesters enrolled
Class standing (freshman, sophomore, etc.)
Total hours earned
Enrollment status (full-time, part-time, less than half-time)
Degrees and awards received
Previous educational institutions attended
Anticipated future enrollments
Course registrations prior to the beginning of a semester or term
Expected date of graduation
Deferred registration eligibility
Religious affiliation to a student's local church or congregation

Students have the right, however, to refuse to permit the designation or disclosure of the above directory information. In that case, this information will not be disclosed except with the consent of the student or as otherwise allowed by FERPA. Any student wishing to restrict the release of directory information must file a written notification with the Registrar's Office, B-150 ASB, PO Box 21114, on or before the tenth day of a semester or the sixth day of a term. Forms for this purpose will be made available at that office upon request.

Student Classification for Undergraduates

At the beginning of each semester, undergraduate students are classified for that semester as follows:

1–29.9	Freshman
30–59.9	Sophomore
60–89.9	Junior
90 and over	Senior

Engineering students having more than 120 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the dean of students, Janet S. Scharman.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of students unless he or she has knowledge of an accident or illness that is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Repeating Classes

To have a previously completed course marked *repeated*, the new course must be equal or greater in credit hours.

When a class has been repeated, the credit used in computing the grade point average is the grade and credit hours earned the last time the repeated class was taken.

You may repeat classes in the following ways:

1. Repeat Brigham Young University courses at Brigham Young University (except for R-suffix courses—see Abbreviations and Symbols in the Using This Catalog section of the current BYU Undergraduate Catalog).
2. Repeat at Brigham Young University courses initially taken at another university. (A statement of equivalency must be supplied by the appropriate BYU department chair.)
3. Repeat at another institution courses taken there and have the credit transferred to Brigham Young University.

Note: A course repeated at an institution other than the one at which it was taken originally and other than at BYU will not be counted as a repeat.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor to students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in the immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract must be completed and signed by the instructor and the fee must be paid before the instructor's submission of the official grade roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which to complete the incomplete, not to exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB, PO Box 21114.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Grade Reports

Grade reports are available at no charge for all day and evening school students after the semester has concluded. Grade reports will be mailed to students who leave self-addressed, stamped envelopes containing their social security number at the Records Office.

Changing College or Major

Undergraduate students who desire to transfer from one major to another, or from one college to another, should go to the advisement center of their new major, fill out a Change of Major Form, and have it signed. Graduate students who want to change departments or degree levels should check with the Office of Graduate Studies for information and necessary forms.

Discontinuance from BYU

A daytime student is not officially withdrawn from the university unless the student has completed the discontinuance process in the Discontinuance Office, B-150 ASB. The nonacademic emergency deadline, June 1 for spring term and July 26 for summer term, is the last day a student can discontinue. (See the University Calendar on page 49 for additional discontinuance deadlines.)

If you find it necessary to withdraw from all your classes, you must do the following:

1. Complete discontinuance forms available from the Discontinuance Office, B-150 ASB, telephone (801) 378-7705.
2. Obtain instructor and clearance signatures if necessary. Beginning the sixth week of the semester or the third week of the term, you become responsible for class grades. Signatures must be obtained from the individual instructors, who indicate your academic status.
3. Submit completed forms and sign out with a member of the Discontinuance Office staff.
4. See the Tuition and Fees section for discontinuance refund information.

When you have discontinued, your student ID will be electronically voided.

Students enrolled through the Evening Classes Office should discontinue in that office, 122 HCEB. Law School students must initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and do not return still have the responsibility to discontinue before the deadline. Initiate official termination by contacting the Discontinuance Office as soon as possible.

Continuing BYU students who interrupt their studies for one semester (fall or winter) only or who serve an LDS mission may request an admission deferment during their absence from the university. Telephone the Admissions Office, (801) 378-2507, for more information. Other students who interrupt their studies should contact the Admissions Office for the appropriate reapplication materials.

Registration for Faculty, Staff, Administrative Personnel, and Their Spouses

Full-time regular faculty, staff, and administrative personnel may register for no more than 6 credit hours per semester, within the guidelines indicated below, and will not be required to pay the cost of tuition. This benefit is applicable to undergraduate and graduate tuition; however, there may be income-tax ramifications on graduate tuition. Before registering for **graduate** courses, personnel must contact the Benefits Office.

Written approval is required for personnel to take daytime classes (7:00 a.m. to 5:00 p.m.). Applications for approval may be obtained at the Benefits Office, D-240 ASB, **before registration**. (Final approval for daytime class work rests with the tuition manager in the Benefits Office.) *Personnel eligible to take daytime classes need to be properly admitted through the Admissions Office.*

Full-Time Regular Faculty, Staff, and Administrative Personnel

(See University Personnel Tuition Policy in the University Electronic Handbook)

To be eligible for tuition benefits during a given semester, individuals must be regular personnel at the close of late registration for that semester. The last day of late registration is specified in each class schedule.

Regular teaching faculty, staff, and administrative personnel may register for courses of study up to 6 hours per semester. Those wishing to take daytime classes will need the written approval of their department chair or supervisor, the dean or director over their area, and the tuition manager of Benefits. Administrative and staff personnel who take classes in the daytime hours are expected to make up the time they are absent from their regular work.

With the required approvals, staff personnel with staggered-hours schedules (see Work Hours Policy in the University Electronic Handbook) may register for daytime classes. A staggered-hours work schedule, which must first be approved by the person's supervisor, allows an individual to work eight hours between 7:00 a.m. and 6:00 p.m. with a meal period of at least one-half hour. Meal periods may not be used for class attendance. The work schedule should remain as constant as possible. Whether or not an individual can have a staggered-hours schedule and take day classes will depend on the seasonal and daily workload of the department.

During the spring and summer terms, faculty members who have teaching duties and staff and administrative personnel may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken spring term, 6 credit hours may not be taken summer term, or vice versa.) However, faculty who are not teaching during a spring or summer term, and who are not on contract with the university for research, administrative, or other special assignments, may take as many credit hours during that term as their department permits.

Spouses of Regular Faculty, Staff, and Administrative Personnel

(See University Personnel Tuition Policy in the University Electronic Handbook)

To be eligible for tuition benefits for their spouses, personnel must (a) be at least age thirty with one year of service **or** (b) have completed five years of service with the university, whichever occurs first. Regular personnel who terminate employment and are rehired may be able to add prior employment to the most recent period of employment, within the limits indicated in the university policy on service credit, to achieve the required years of service for eligibility for spouse tuition benefits.

Eligible spouses of regular, full-time faculty, staff, and administrative personnel may register for undergraduate or graduate courses of study with no limit as to the total number of hours (day or evening classes) and will not be required to pay the cost of tuition. *Those who wish to take daytime classes need to be properly admitted through the Admissions Office.* **Before registering for *graduate courses of study, eligible spouses must contact the Benefits Office regarding possible income-tax ramifications on graduate tuition.***

Part-Time Personnel

(See University Personnel Tuition Policy in the University Electronic Handbook)

Part-time, adjunct, on-call, and temporary personnel and their spouses are not eligible for tuition benefits.

Additional Information

Auditing Classes

All full-time personnel and their eligible spouses who desire to audit daytime classes should go to the Registration Office, B-130 ASB, for auditing procedures. Those wishing to audit evening classes should do so through the Evening Classes office. Any class audited will not appear on official records; however, all audited classes must be cleared through the Benefits Office.

Withdrawals and Registration Discontinuance

Personnel or their spouses enrolled through day school who withdraw from classes and/or discontinue their registration at the university are required to do so through the Discontinuance Office, B-150 ASB, telephone (801) 378-7705. **If this is done on or after the first day of classes, and if attendance has not commenced, the tuition benefit will be forfeited, and accrued fees will be charged to the individual.**

Evening Classes

Registration

Eligible faculty, staff, and administrative personnel and their spouses who wish to register for evening classes *only* may do so at the Evening Classes Office, 122 HCEB. Individuals may obtain their tuition benefit there at the time they register by completing the Clearance to Register Form and presenting their personnel or spouse ID card.

Daytime students taking Evening Classes (sections 400–499) may automatically register through the touch-tone telephone system.

Changes in Registration

When a change in Evening Classes registration becomes necessary, individuals must obtain an add/drop card from 122 HCEB and get the required approval and signature of the instructor. This card must then be returned to 122 HCEB, PO Box 21513.

Discontinuance

A student discontinuing his or her entire registration in Evening Classes is required to discontinue through the Evening Classes Office. A $10 fee is charged to the individual for the service after registration has been finalized.

University Devotionals, Firesides, and Forums

University devotionals and forums, held throughout the year on Tuesdays at 11:00 a.m., form an inspirational and integrative part of the university experience. These assemblies are occasions to celebrate the shared sense of values and community in the university. Participation in these gatherings will renew spiritual commitment and extend knowledge of significant religious, intellectual, and cultural matters.

Devotional speakers, selected from the General Authorities and other leaders of the Church and the university, come to teach the gospel and affirm the spiritual dimension of the university experience for students and faculty. An additional opportunity is provided by regular Church Educational System firesides, usually held on the first Sunday of the month.

Forum speakers are noted authorities in the arts, sciences, humanities, media, and government. They are chosen for their contributions to their field and their ability to communicate their insights. Participation in these assemblies (and in the discussion sessions that may accompany them) prompts inquiry into and understanding of significant intellectual, cultural, and social issues.

Most campus offices and services are closed during university assemblies so that members of the university community may participate.

Academic Advisement for Undergraduates

Where do you go for academic advisement?

If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Open Major Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. Monday–Friday. They will be closed for devotionals on Tuesdays from 11:00 a.m. to noon. Write, visit, or call the advisement center of your choice:

Telephone	Advisement Center	Address	Zip Code

How to Access the BYU Registration System

Touch-Tone Telephone Instructions

1. **Call the system number: (801) 378-5111.**
2. **Enter your social security identification number:** _ _ _ _ _ _ _ _ _ [#]
3. **Enter your personal identification number (PIN):** _ _ _ _ _ _ [#]
   The first time you use TTT enter the four digits representing your birth month and year. (Example: For a March 1978 birthday, enter 0378). You will then be prompted to enter a new six-digit PIN. (Choose one you can remember so you can use it for future touch-tone telephone transactions.)
4. **Enter an action code:**
   (To access another action code when finished in one area, just enter the new action code.)

REGISTRATION

[7][0][*] _ _ _ _ _ [#] **Year:** 2000 = 2000 **Semester Codes:** Winter = 1, Spring = 3, Summer = 4, Fall = 5
Year and Semester

Enter a registration request:

	Registration Code	Star Key	Section Number	Star Key	Registration Number	Pound Key	
Add:	[7][2]	[*]	____	[*]	_____	[#]	If the section requested is full, enter 6#, and the computer will list the next five available sections.
Drop:	[7][3]	[*]	____	[*]	_____	[#]	To drop all classes for the semester, see the Discontinuance action code below.
List open Sections:	[7][6]	[*]	____	[*]	_____	[#]	
Raincheck:	[7][8]	[*]	____	[*]	_____	[#]	If all sections of the course you want are full, and you must have the course this semester, use the Raincheck option to place your name on the department list of students unable to enroll. Continue to monitor the course by phone or by AIM in case students drop. **A raincheck will not guarantee that you will be able to register for the class.**

Listen to schedule: [7][5][#] To listen to your class schedule.

DISCONTINUANCE

[7][9][*] _ _ _ _ _ [#] To drop all your classes or discontinue. This function is available until midnight of the day before classes begin. This may affect your eligibility for future enrollment. See pages 6, 51, and 65 for details.
Year and Semester

GRADES

[8][0][*] _ _ _ _ _ [#] To list grades for semester requested.
Year and Semester

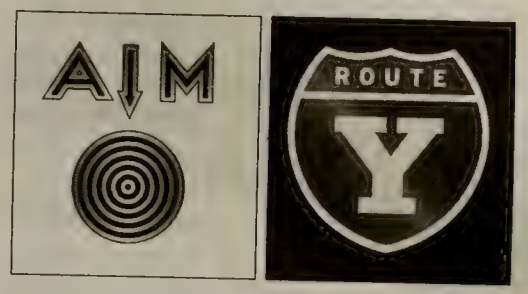

PIN CHANGE

[9][0][#] To change your PIN. (The computer will prompt you to enter your new PIN. All PINs must be six numeric digits.)

EXIT SYSTEM

[#][#] To terminate phone call.

AIM Instructions for Internet Access

You must have an ISP (Internet service provider) in order to register online. Consult a local telephone directory to find a provider that works best with your needs. You must use Netscape Communicator 4.0+ or Internet Explorer 4.0. Both of these browsers are available for downloading on the World Wide Web.

AIM (Academic Information Management) is BYU's online Web-based student information system. You may access AIM from your own home if you have the Internet and have downloaded Netscape Communicator 4.0 or Explorer 4.0. AIM is also available on BYU campus at Access Point Labs and kiosks in most buildings. You can also find computers connected to the Web at most public libraries. To register, follow the steps below:

1. **Open the BYU home page.** The Internet address is ***www. byu.edu.***
2. **Open Route Y** by clicking on its icon at the top right-hand side of the page.
3. **Enter your net ID and password.** When you open Route Y, you will be prompted to enter your net ID and password. If you do not know your net ID, click on "Find net ID" and follow the instructions. The password for first-time users is your birth month, day, and year. (For example, the password for a May 16, 1974, birthday is 051674.) You will be prompted to change your password for security reasons. **If you experience problems entering Route Y with your net ID or password, contact the Registration Office at 378-2824 (8 a.m.–5 p.m. MST).**
4. **Open AIM.** Find the AIM button on the "Interchange" page and click on it.

   
   AIM (Academic Information Management)

5. **Choose "Registration" from the AIM menu options.**
6. **Choose summer term 2000 and begin to register.** A pull-down menu will appear asking you to choose a semester/term. Once you choose, another pull-down menu with the departments will appear. Choose a department and the classes available for that semester/term will appear. Select the classes in the department you wish to take. Choose another department and repeat the process until you have registered for all of your classes.
7. **Select "Exit" to leave the AIM system.**

Registration Work Sheets

We suggest that you use the following form to plan your ideal schedule. Be careful not to select classes that meet at the same time on the same days. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available. The computer will not schedule you in more than one section of the same class (except for R classes and labs).

*Cannot be used for scholarships

◆Cannot be used by Law School

Free application for Federal Student Aid (FAFSA): You must also complete the FAFSA or the Renewal Application if you apply for any of the following: Pell Grant, Subsidized Stafford Loan, Unsubsidized Stafford Loan, need-based scholarships, and many private scholarships.

Returned Missionaries: If you served a portion of your mission in 1998 or 1999, additional information will be required.

Electronic Funds Transfer (EFT): If you request a Stafford or Plus Loan, the touch-tone system will ask whether you authorize your lender to electronically transmit your loan funds to your BYU student account by EFT.

Mailing Address: The Financial Aid Office will mail correspondence to the mailing address on record in the BYU Registration Office. The Scholarship Office will use your permanent address. To update either address, call (801) 378-2824.

Scholarship Information: To apply for need-based and specific private scholarships, visit the scholarship Web site from the university's home page at www.byu.edu. When you apply for scholarships by telephone or the Internet, you authorize the university to release your transcript to appropriate personnel, including scholarship donors.

Registration Requirements

1. Admission

You are eligible to register for summer term 2000 if you registered for and completed regular day school classes during winter semester 2000, spring term 2000, or if you have been issued a valid letter of admission for summer term 2000 by the Admissions Office.

Continuing BYU students can interrupt their studies for one semester (fall/winter) by submitting a Continuing Student Enrollment and Scholarship Deferment Application. Students wanting to serve an LDS mission can defer their admission status by submitting an LDS Mission Deferment Criteria Form. Both are available from the Admissions Office, telephone (801) 378-2507. Students who interrupt their studies for more than one semester (except missionaries) should contact the Admissions Office for the appropriate reapplication materials.

Continuing degree-seeking graduate students are eligible if they have fulfilled the minimum registration requirements (6 hours per year) in the preceding academic year.

Students who graduate from BYU lose their eligibility and will not be allowed to continue to attend classes unless they have been admitted to a graduate or non-degree-seeking graduate program.

2. Continuing Student Ecclesiastical Endorsement Requirement

All enrolled, continuing undergraduate, graduate, intern, or Study Abroad students are required to obtain a Continuing Student Ecclesiastical Endorsement for each new academic year. They must have their endorsements completed, turned in, and processed by the Honor Code Office before they can register for fall semester or any semester thereafter. Priority registration for the following fall semester can begin in early April. To avoid registration delays, students should complete and submit their endorsements to the Honor Code Office by March 15.

LDS students may be endorsed only by the bishop of the ward (1) in which they live and (2) that holds their current Church membership record.

Non-LDS students are to be endorsed by (1) the local ecclesiastical leader if the student is an active member of the congregation, (2) the nondenominational BYU chaplain, or (3) the bishop of the LDS ward in which they currently reside.

Requirements

Whether on or off campus, all students are expected to abide by the Honor Code, which includes: the Academic Honesty Policy, the Dress and Grooming Standards, and the Residential Living Standards.

LDS students must fulfill their duty in The Church of Jesus Christ of Latter-day Saints, attend Church meetings, and abide by the rules and standards of the Church on and off campus. Students who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standards of conduct. They are encouraged to participate in services of their preferred religion.

Withdrawn Ecclesiastical Endorsement

A student's endorsement may be withdrawn at any time if the ecclesiastical leader determines that the student is no longer eligible for the endorsement. Students without endorsements, except in unusual circumstances, must discontinue enrollment. Excommunication, disfellowshipment, or disaffiliation from The Church of Jesus Christ of Latter-day Saints results in the withdrawal of the student's endorsement. The decision to withdraw an endorsement may be appealed through the appropriate ecclesiastical channels and then to the university through the Honor Code Office.

How Forms Are Obtained

Students are responsible for obtaining their own Continuing Student Ecclesiastical Endorsement Forms. Forms are available at campus information desks, at college advisement centers, from bishops of BYU wards, and from the Honor Code Office in 4440 WSC.

3. Health Insurance Requirement

BYU students enrolled at least three-fourths (3/4) time are required to carry adequate medical insurance. This applies the entire time a student has continuing status, including students taking a semester or term off. All participants in groups on tour, Study Abroad, or internships are required to carry adequate medical insurance.

Enrollment in the BYU Student Health Plan (SHP) satisfies the university's insurance requirement, as does enrollment in a comparable group medical plan provided by an employer or a spouse's or parent's employer. Medical insurance other than the SHP must meet the following requirements:

- provide at least 70 percent coverage for all major medical expenses, including physician, hospital, and ancillary services;
- have an individual annual deductible of no more than $500; and
- have an annual plan limit of no less than $25,000.

Students must enroll in the BYU Student Health Plan or provide verification of other adequate insurance coverage when first enrolling at BYU and prior to the beginning of fall semester each year thereafter. Students who do not return a properly completed waiver form to the BYU Insurance Office will be automatically enrolled in and assessed the appropriate premium (single or married student rate) for the BYU Student Health Plan. The insurance fee payment is due with tuition.

Registration Procedures

Registration for summer term is not managed on a priority registration basis. Any student admitted to the university may register beginning on the first registration day, February 1.

To Register Before School Begins

Step 1: Plan Your Schedule

Use the Registration Work Sheet to plan your ideal schedule, blocking out work and study time. **Be careful not to select classes that meet at the same time on the same days.** Consult the Class List beginning on page 9. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

Step 2: Register by Touch-Tone Telephone or AIM

Register: Beginning Tuesday, February 1, 2000

Register using the touch-tone telephone or AIM systems.

If all sections of the course you want are full, and you must have the course this semester, use the raincheck option to be placed on the department list of students unable to enroll (see touch-tone instructions on page 2 or raincheck option on AIM). Continue to monitor the course by phone or by AIM in case students drop. **A raincheck will not guarantee that you will be able to register for the class.**

Once you register you are officially enrolled and committed to attend class. If you decide not to be a student, you must discontinue **before the day school begins** to avoid being charged tuition. (See touch-tone instructions [79*20004#] on page 2 for instructions on how to discontinue prior to the first class day. Once school begins, contact the Discontinuance Office, B-150 ASB, telephone [801] 378-7705. Refer to pages 6, 51, and 65 for further information about discontinuance.)

Holds That May Block Your Registration

College Advisement Center (CAC) Hold

The CAC hold targets students with special needs who will be required to seek assistance from their college advisement center before registering. Students with a CAC hold must visit their college advisement center or department advisor to complete a plan for graduation and will be prevented from registering until the hold is cleared by the college advisement center.

Other

Check with the appropriate office according to your hold:

Academic standards	Academic Support	(801) 378-2723
Ecclesiastical endorsement	Honor Code Office	(801) 378-2847
Financial (prior balance)	Student Accounts	(801) 378-5415
Graduate school	Office of Graduate Studies	(801) 378-4091
University standards	Honor Code Office	(801) 378-2847
CAC hold	Your college advisement center	(see inside front cover)
Loans	Collections Office	(801) 378-7648
	or Financial Services	(801) 378-4104

Step 3: Check Your Schedule

Check the schedule you have listed on your written work sheet against the one you hear listed on the registration system. Make sure that the classes you requested are the ones actually listed on the system.

To Register or Make Class Changes After School Begins

Add/Drop cards may be obtained beginning the first day of class from the Smith Family Living Center (SFLC), college advisement centers, and the Registration Office. The card must be returned to the SFLC step-down area between 8:00 a.m. and 5:00 p.m. during the first six class days.

Adding: June 19–26

You may add classes the first six days of a term. During this time some classes may be added using the touch-tone telephone or AIM systems. All other classes require an add card with the instructor's signature. For details on the add methods assigned to classes see page 8 and the course list. If you wish to audit a class, see the following Auditing Classes section of this class schedule.

Dropping: June 19–26 (without a W)*

All drops can be done using the touch-tone telephone or AIM terminals the first six days of the term. There is no drop fee during these six days.

June 27–July 6 (with a W)*

All drops must be done on an add/drop card. Students will be charged $6 per class and will receive a W (official withdrawal) on their transcript. Drop cards must be submitted to the Registration Office, B-130 ASB.

*A student can be registered for more than one section of an R-suffix course and therefore must drop each unwanted section.

Tuition Payment Deadline June 26, 2000

Whether or not you receive a billing statement, it will be your responsibility to pay tuition by this deadline to avoid the late tuition fee.

The Tuition Billing Statement will be mailed only to students who are registered for at least one class by June 16. **Tuition assessment on the billing is based on anticipated full-time enrollment of 6.0 credit hours or more for the term.** The Federal Pell Grant amount on the Tuition Billing Statement is based on the assumption that enrollment is for 6 credit hours. If your grant eligibility, loan, or scholarship is for less than the tuition due, you must pay the difference by the deadline to avoid a late fee. **If you are a three-fourths-time, half-time, or part-time student, adjust the statement and pay only for the hours you expect to take.** (See Tuition and Fees section for the tuition rate per credit hour.)

A check or money order to cover the amount of tuition due should be mailed in the preaddressed envelope provided with the tuition billing statement. If you do not have this envelope, mail your tuition to the Cashiers' Office, D-148 ASB, Provo, UT 84602-1128. A drop box is provided in D-148 ASB for all students on campus. Do not use campus mail.

Important notice: If you fail to meet the tuition deadline, you will be assessed a $45 late fee. If your tuition check is dishonored by the bank, you will be charged the late fee in effect at the time the check is redeemed.

Discontinuance (Dropping All Classes for the Semester or Term)

What to Do Before Classes Begin

Once you register for classes, you are officially enrolled and committed to attend. If you are not coming to school this semester, you must discontinue or drop your classes prior to the first day of school or they will remain on your record and **you will be charged tuition.** Classes may be dropped using the discontinuance action code (79*20004#—see the touch-tone-telephone instructions in this class schedule) or the AIM system (by dropping each class) until midnight of the day before classes begin.

What to Do After Classes Begin

On the first day of classes and thereafter you will need to contact the Discontinuance Office in B-150 ASB or telephone (801) 378-7705. Tuition will be charged starting the first day of classes to the date of discontinuance at the percentage rate listed in the Tuition and Fees section of this class schedule.

Warning: Discontinuance from fall or winter semester or from the term to which you are newly admitted will forfeit your eligibility to attend future semesters without reapplying through the Admissions Office.

Continuing BYU students who interrupt their studies for one semester (fall or winter) only or who serve an LDS mission may request an admission deferment during their absence from the university. Call the Admissions Office, telephone (801) 378-2507, for more information. Other students who interrupt their studies should contact the Admissions Office for the appropriate reapplication materials.
Note: See pages 51 and 65 for detailed instructions.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 credit hours in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card once school begins. Auditing classes, registering for a class without receiving credit, or registering for Evening Classes constitutes a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) can only do so on an add/drop card during the first ten class days (six days of a term). Students must obtain the instructor's approval on a signed add/drop card. It is not possible to register for an audit class on the touch-tone telephone system. **You are charged the same tuition for auditing classes as for taking classes for credit**. Classes taken on an audit basis will not appear on your official records, will not be considered in calculating enrollment verifications, and do not fulfill the minimum registration requirement for graduate degree-seeking students. Students who are registered for credit and wish to change to audit must first drop the class. The class may then be added for audit during the add period (first ten days of a semester, six days of a term).

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Other rolls, sent out during the second, third, and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

A student's enrollment status is determined by the number of credit hours taken, as follows:

Hours Enrolled		
Semester	**Term**	**Enrollment Status**
12+	6+	Full-time
9–11.5	4.5–5.5	Three-fourths
6–8.5	3–4	Half-time
.5–5.5	.5–2.5	Less than half-time

Audited courses do not count in total enrollment hours. Graduate students should refer to the Graduate Education section of this class schedule. Contact the Records Office, B-150 ASB, for enrollment verification.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they register by touch-tone telephone for day school.

Semester Online Courses

Classes listed in the class schedule as sections 478 are courses offered over the Internet at no additional cost to full-tuition-paying students. Semester Online courses may provide immediate feedback, chat rooms, and informative, exciting links, and they allow students to progress at their own pace within the semester period. Check it out at http://www.byu.edu/home1.html (see Courses Online on the BYU home page).

Independent Study

Independent Study can bring many university courses to your home. You may register for courses any time during the year and take up to a year to finish each course. Tuition is $90 per credit hour—this fee is not included in your regular BYU daytime tuition. Independent Study courses are indicated in the course list by the phrase "Offered by Independent Study." Many courses are now available by Internet, and new courses are continually being added. For further information and a free catalog, contact the Independent Study Office, 206 HCEB, Provo, UT 84602-1514, telephone (801) 378-2868, or www http://coned.byu.edu/is/.

Note: Independent Study courses do not apply toward a **BYU graduate** degree.

Questions/Answers for New Undergraduate Students

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal classroom instruction each week, although you will find some exceptions to this in certain majors. The average student can successfully complete from 14 to 16 credit hours per semester or from 6 to 8 credit hours per term. A total of 120 credit hours is required to graduate. Students who plan to graduate in four years will need to complete an average of 15 hours per semester.

How much preparation or study time is usually needed outside class?

For the average student, the expectation for undergraduate courses is two hours of outside preparation time for every hour spent in class. For example, a 3-credit-hour English class meets for one hour three times a week. A student should be prepared to spend six additional hours each week outside class for study and preparation. However, more time may be required to achieve excellence in a particular subject.

What is general education?

The general education program for undergraduates at BYU assures that you have achieved competence in certain skills and knowledge before graduation. Proof of competency is achieved by successfully passing required courses. Some students pass these required courses by receiving an approved score on an AP exam or by taking special examinations for credit when they arrive on campus. For more information on the GE program, refer to pages 53–58 of this class schedule.

What is a major?

A major is a concentrated group of classes in a particular field designed to help you achieve your educational goals. Colleges and departments establish required and optional courses to be completed for each major. For more information on specific majors, please refer to the BYU Undergraduate Catalog and the respective major on the web; or you may contact the appropriate college advisement center (see list on the inside front cover of this class schedule). You may have selected a major on the admissions application; if so, you should be in contact with the appropriate advisement center. If you are presently undecided or wish to explore additional options, you may contact the Open Major Advisement Center, 2500 WSC, (801) 378-3826.

Do I need to know my major now?

No. In fact, many students have found it helpful to explore various fields of study before deciding on a major. However, if you are leaning toward a major in the sciences, nursing, engineering, or visual arts, there are specific recommendations for classes your first semester. A delay in pursuing a major in these areas can lengthen the time to graduation. For more information in these areas, please contact the appropriate college advisement center (see list on the inside front cover of this class schedule).

I have a documented disability. Are there accommodations available at BYU?

Yes. All students who either have a documented disability or are in the process of obtaining documentation for a physical, emotional, or learning disability (including ADD) are invited to visit with an advisor from Services for Students with Disabilities (SSD), located at 1520 WSC, (801) 378-2767 v/tty. Advisors can assist you with reasonable and appropriate accommodations, testing, and advice concerning your class schedule and can answer questions on accessibility issues.

What if I'm still confused?

Contact the BYU Hotline, 1-800-290-BYU1. From 8:00 a.m. to 5:00 p.m. (MDT) each working day advisors are available to help answer your questions or point you in the right direction. Or you can visit our Web site at http://ar.byu.edu/dept_orientation/orient_home.html or e-mail us at frorientation@byu.edu.

Final Examination Policy and Schedule—Summer Term 2000

Final examinations will be given at the times shown in the schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review, study, and synthesis of the term's work. The reading and the examination periods are firmly scheduled parts of the term; you must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent you from taking an examination at the scheduled time, you are responsible to inform the class instructor as soon as possible. Your instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless you and your instructor together prepare a contractual agreement.
examinations in one day, individual arrangement for alternative test times may be made by the instructor.

Examinations will be held Wednesday and Thursday, August 9 and 10, with a reading day on Tuesday, August 8. Therefore, Monday, August 7, 2000, will be the last day of instruction.

Note to faculty: If an exam hour conflict arises for day classes, please contact the Academic Scheduling Office, B-150 ASB, PO Box 21114, telephone (801) 378-6557. For evening classes, contact the Evening Classes Office, 123 HCEB, PO Box 21513, telephone (801) 378-6258.

Final exams for day and evening (section 400) classes beginning at 5:00 p.m. or later will be conducted on the last class period as follows: Tuesday, August 1; Wednesday, August 2; Thursday, August 3; Friday, August 4; and Monday, August 7.

If a class begins after the hour or is scheduled for more than fifty minutes per class period, **the final exam period is determined by the beginning hour**. For example, a class held from 8:35 to 9:50 *must* use the 8:00 exam period. A class held from 4:45 to 7:15 *must* use the 4:00 exam period. No exceptions to this policy will be granted unless approved *in writing* by the department chair.

Semester Online courses follow the regular exam schedules or as specified in the course outline.

Class Instruction Time	Daily, MTWTh, MWF, MW, M, or ,W	TTh, TThF, TThSa, T, Th, or F

T	Touch-tone telephone five to ten days into the semester
S	Can only be added through the department
Y	Touch-tone telephone/AIM until classes start—instructor signature thereafter
G	Freshman Academy students only by touch-tone telephone
J	Freshman-only envelope classes—first-year composition, Book of Mormon, American Heritage (all required). Sections with a "J" add method are reserved for first-semester freshman registration. Available seats will be opened to all students after freshman registration.
Fee	**Fee required**
$	Class fee
$VAR	Variable class fee

How to Obtain a Fall 2000 Class Schedule

Newly admitted students are sent a free copy of the current class schedule for the semester or term to which they are admitted. For every enrollment thereafter, a student must purchase a copy.

The bottom of the page is an order form with instructions on how to obtain a fall 2000 class schedule (available beginning April 1, 2000).

Just a reminder—you must register for classes in the term or semester for which you are admitted (i.e., spring 2000 or summer 2000) or you will not be permitted to attend fall semester 2000.

BYU Registration Office, B-130 ASB, Provo, UT 84602-1114, telephone (801) 378-2824

Fall 2000 Class Schedule Mail Order Form

Class schedules can be purchased at the BYU Bookstore or form the BYU Registration Office for $1.50 each. To receive the current class schedule by mail, contact BYU Mail Services, 296 UPB, Provo, UT 84602-1930, or telephone (801) 378-3658. VISA, MasterCard, check, or money order is accepted in payment (postage rates subject to change).

$ 4.50 for first-class mail (one-week delivery)

$ 7.80 for second-day airmail

$11.45 for next-day airmail

Foreign addresses (U.S. dollars only)

Canada: $5.15

Mexico: $5.30

Overseas: Contact Mail Services for cost information.

Academic Advisement for Undergraduates

Where do you go for academic advisement?
If you have chosen a major, or if you have one in mind, go to the advisement center for the college that offers that major. If you have no major in mind, visit the Open Major Advisement Center.

All academic advisement centers are open from 8:00 a.m. to 5:00 p.m. Monday–Friday. They will be closed for devotionals on Tuesdays from 11:00 a.m. to noon. Write, visit, or call the advisement center of your choice:

Telephone	Advisement Center	Address	Zip Code

How to Access the BYU Registration System

Touch-Tone Telephone Instructions

1. **Call the system number: (801) 378-5111.**
2. **Enter your social security identification number:** _ _ _ _ _ _ _ _ _ [#]
3. **Enter your personal identification number (PIN):** _ _ _ _ _ _ [#]
   The first time you use TTT enter the four digits representing your birth month and year. (Example: For a March 1978 birthday, enter 0378). You will then be prompted to enter a new six-digit PIN. (Choose one you can remember so you can use it for future touch-tone telephone transactions.)
4. **Enter an action code:**
   (To access another action code when finished in one area, just enter the new action code.)

REGISTRATION

[7][0][*] _ _ _ _ _ [#] **Year:** 2000 = 2000 **Semester Codes:** Winter = 1, Spring = 3, Summer = 4, Fall = 5
Year and Semester

Enter a registration request:

	Registration Code	Star Key	Section Number	Star Key	Registration Number	Pound Key	
Add:	[7][2]	[*]	____	[*]	____	[#]	If the section requested is full, enter 6#, and the computer will list the next five available sections.
Drop:	[7][3]	[*]	____	[*]	____	[#]	To drop all classes for the semester, see the Discontinuance action code below.
List open sections:	[7][6]	[*]	____	[*]	____	[#]	
Raincheck:	[7][8]	[*]	____	[*]	____	[#]	If all sections of the course you want are full, and you must have the course this semester, use the Raincheck option to place your name on the department list of students unable to enroll. Continue to monitor the course by phone or by AIM in case students drop. **A raincheck will not guarantee that you will be able to register for the class.**

	Registration Code	Star Key	Joined or Envelope Number	Pound Key	
Joined or envelope classes:	[7][4]	[*]	____	[#]	This request is for first-semester freshmen only. Joined options are included in this class schedule on page 26. Freshman Academy students will receive their joined options in a separate mailing.

Listen to schedule: [7][5] [#] To listen to your class schedule.

DISCONTINUANCE

[7][9][*] _ _ _ _ _ [#] To drop all your classes or discontinue. This function is available until midnight of the day before classes begin. This may affect your eligibility for future enrollment. See pages 7, 11, and 25 for details.
Year and Semester

GRADES

[8][0][*] _ _ _ _ _ [#] To list grades for semester requested.
Year and Semester

PIN CHANGE

[9][0][#] To change your PIN. (The computer will prompt you to enter your new PIN. All PINs must be six numeric digits.)

EXIT SYSTEM

[#][#] To terminate phone call.

AIM Instructions for Internet Access

You must have an ISP (Internet service provider) in order to register online. Consult a local telephone directory to find a provider that works best with your needs. You must use Netscape Communicator 4.0+ or Internet Explorer 4.0. Both of these browsers are available for downloading on the World Wide Web.

AIM (Academic Information Management) is BYU's online Web-based student information system. You may access AIM from your own home if you have the Internet and have downloaded Netscape Communicator 4.0 or Explorer 4.0. AIM is also available on the BYU campus at Access Point Labs and kiosks in most buildings. You can also find computers connected to the Web at most public libraries. To register, follow the steps below:

1. **Open the BYU homepage.** The Internet address is ***www. byu.edu.***
2. **Open Route Y** by clicking on its icon at the top right-hand side of the page.
3. **Enter your net ID and password.** When you open Route Y, you will be prompted to enter your net ID and password. If you do not know your net ID, click on "Find net ID" and follow the instructions. The password for first-time users is your birth month, day, and year. (For example, the password for a May 16, 1974, birthday is 051674.) You will be prompted to change your password for security reasons. **If you experience problems entering Route Y with your net ID or password, contact the Registration Office at 378-2824 (8 a.m.–5 p.m. MT).**
4. **Open AIM.** Find the AIM button on the "Interchange" page and click on it.

AIM (Academic Information Management)

5. **Choose "Registration" from the AIM menu options.**
6. **Choose fall semester 2000 and begin registering.** A pull-down menu will appear asking you to choose a semester/term. Once you choose, another pull-down menu with the departments will appear. After you choose a department, a pull-down menu of the classes available for that semester/term will appear. Select the course you wish to take. Click on the "A" to add the class and section you desire. You will be asked to confirm your selection. Next you will be informed whether or not the class was added to your schedule. If it was not added, you will be given the reason. Add any other courses within the selected department or choose another department and repeat the process until you have registered for all of your classes.
7. **Select "Exit" to leave the AIM system.**

Registration Work Sheets

We suggest that you use the following form to plan your ideal schedule. Be careful not to select classes that meet at the same time on the same days. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available. The computer will not schedule you in more than one section of the same class (except for R classes and labs).

Ideal Schedule

	Monday	Tuesday	Wednesday	Thursday	Friday
7:00 a.m.					
8:00 a.m.					
9:00 a.m.

Final exams	Aug 15	Aug 16
Graduation—university commencement	Aug 16	
Graduation—college convocations	Aug 17	

University Calendar: Fall Semester 2000

Campus Events and Holidays	*First Day*	*Last Day*
Annual University Conference	Aug 21	Aug 23
Orientation	Aug 24	Aug 26
Labor Day holiday	Sep 4	
No class instruction	Nov 22	
Thanksgiving holiday	Nov 23	Nov 24
Graduation (no exercises)	Dec 15	

Academic Instruction	*First Day*	*Last Day*
Fall semester class instruction	Aug 28	Dec 7
First-block classes	Aug 28	Oct 16
Second-block classes	Oct 17	Dec 7
Reading days	Dec 8	Dec 9
Final exams	Dec 11	Dec 15

Application Information—Undergraduate (801) 378-2507	*First Day*	*Last Day*
New freshman, transfer, and former BYU students submit admissions and scholarship applications for winter semester 2001		Oct 1, 2000
New freshmen submit admissions and academic scholarship applications for spring term, summer term, or fall semester 2001		Feb 15, 2001
International transfer and former BYU students submit admissions and scholarship applications for spring term 2001		Feb 15
U.S. transfer and former BYU students submit admissions and scholarship applications for spring term, summer term, or fall semester 2001		Mar 15
International transfer and former BYU students submit admissions and scholarship applications for summer term and fall semester 2001		Mar 15
Last day to submit a Continuing Student Enrollment and Scholarship Deferment Application for spring or summer terms 2001.		Mar 15

Application Information—Graduate (801) 378-4091	*First Day*	*Last Day*
Refer to the BYU 2000–2001 Graduate Catalog or www.byu.edu/gradstudies/ for fall 2000 departmental application deadlines.		

Financial Aid and Scholarship Information (801) 378-4104	*First Day*	*Last Day*
Submit continuing student scholarship applications for fall semester 2000 and winter semester 2001		Mar 1
Apply for **BYU short-term loans** to pay fall semester 2000 tuition by the deadline		Sep 1
Apply for priority processing of **Federal Pell Grants, Federal Stafford Loans, and BYU loans** for fall semester 2000 and winter semester 2001		Jun 1
Repay BYU short-term loans for fall semester 2000		Nov 15

Tuition and Fees Information (801) 378-7804	*First Day*	*Last Day*
Pay tuition for fall semester 2000 (to avoid late fee)		Sep 11
Pay tuition with **$90 late fee**	Sep 12	

Registration Information (801) 378-2824	*First Day*	*Last Day*
Priority register by telephone or AIM	Mar 27	
Discontinue with no tuition charge		Aug 27
Discontinue with a charge for tuition (see schedule in Tuition and Fees section)	Aug 28	
Add classes once school begins	Aug 28	Sep 11

Registration Information (continued)	*First Day*	*Last Day*
Drop a class without a fee	Aug 28	Sep 11
Drop a class **without a W (official withdrawal)**		Sep 11
Drop a first-block class for academic reasons		Sep 14
Drop a class **for academic reasons**		Oct 2
Discontinue officially from the university without being graded		Oct 2
Discontinue officially from a first-block class for nonacademic emergencies		Oct 2
Drop a second-block class without a fee		Oct 24
Drop a second-block class **without a W (official withdrawal)**		Oct 24
Add second-block classes		Oct 24
Drop a second-block class for academic reasons		Nov 2
Discontinue officially from the university or drop classes for nonacademic emergencies		Nov 21

Graduation Information—Undergraduate	*First Day*	*Last Day*
(Call your college advisement center.)		
Apply and pay the fee for **December 2000 graduation**		Sep 15
Apply and pay the fee for **April 2001 graduation**		Nov 15
Submit to the Records Office all incompletes, T grades, special exams, GE challenges, military credit, official transcripts of work completed at other schools, and any other **information pertaining to December 2000 graduation**		Nov 19
Submit **Independent Study** course work and final exams for **December 2000 graduation**		Nov 24
Submit to the Records Office all incompletes, T grades, special exams, GE challenges, military credit, official transcripts of work completed at other schools, and any other **information pertaining to April 2001 graduation**		Mar 24
Submit **Independent Study** course work and final exams for **April 2001 graduation**		Mar 31

Graduation Information—Graduate (801) 378-4091	*First Day*	*Last Day*
Apply and pay fee for **December 2000 graduation**		Sep 22
Schedule a **final oral examination** (defense of written work) and **submit** one copy of the work to **your department** (if in a dissertation, thesis, or selected project program)		Nov 3
Have a **final oral examination** (if in a dissertation, thesis, or selected project program)		Nov 17
Submit dissertation, thesis, or selected project to the dean of your college for December 2000 graduation.		Dec 1
Submit final copies of a dissertation, thesis, or selected project to the **library business office (2062 HBLL) for binding, complete remaining degree requirements, pay fees, and submit exam results and I and T grade changes** to the Office of Graduate Studies for **December 2000 graduation**		Dec 8

Records Information (801) 378-2631	*First Day*	*Last Day*
Spring term 2000 grades available on AIM and touch-tone telephone system	Jun 27	
Summer term 2000 grades available on AIM and touch-tone telephone system	Aug 21	
Instructors must submit **fall semester 2000 grade rolls** to the Records Office by 9:00 a.m.		Dec 27
Fall semester 2000 grades available on AIM and touch-tone telephone system	Dec 29

*Cannot be used for scholarships

◆Cannot be used by Law School

Free application for Federal Student Aid (FAFSA): You must also complete the FAFSA or the Renewal Application if you apply for any of the following: Pell Grant, Subsidized Stafford Loan, Unsubsidized Stafford Loan, need-based scholarships, and many private scholarships.

Returned Missionaries: If you served a portion of your mission in 1998 or 1999, additional information will be required.

Electronic Funds Transfer (EFT): If you request a Stafford or Plus Loan, the touch-tone system will ask whether you authorize your lender to electronically transmit your loan funds to your BYU student account by EFT.

Mailing Address: The Financial Aid Office will mail correspondence to the mailing address on record in the BYU Registration Office. The Scholarship Office will use your permanent address. To update either address, call (801) 378-2824.

Scholarship Information: To apply for need-based and specific private scholarships, visit the scholarship Web site from the university's homepage at www.byu.edu. When you apply for scholarships by telephone or the Internet, you authorize the university to release your transcript to appropriate personnel, including scholarship donors.

Registration Requirements

1. Admission

You are eligible to register for fall semester 2000 if you registered for and completed regular day school classes during winter 2000, spring term 2000, or summer term 2000, or if you have been issued a valid letter of admission for fall semester 2000 by the Admissions Office.

Continuing BYU students can interrupt their studies for one semester (fall/winter) by submitting a Continuing Student Enrollment and Scholarship Deferment Application. Students wanting to serve an LDS mission can defer their admission status by submitting an LDS Mission Deferment Criteria Form. Both are available from the Admissions Office, telephone (801) 378-2507. Students who interrupt their studies for more than one semester (except missionaries) should contact the Admissions Office for the appropriate reapplication materials.

Continuing degree-seeking graduate students are eligible if they have fulfilled the minimum registration requirements (6 hours per year) in the preceding academic year.

Students who graduate from BYU lose their eligibility and will not be allowed to continue to attend classes unless they have been admitted to a graduate or non-degree-seeking graduate program.

2. Continuing Student Ecclesiastical Endorsement Requirement

All enrolled, continuing undergraduate, graduate, intern, or Study Abroad students are required to obtain a Continuing Student Ecclesiastical Endorsement for each new academic year. They must have their endorsements completed, turned in, and processed by the Honor Code Office before they can register for fall semester or any semester thereafter. To avoid registration delays, students should complete and submit their endorsements to the Honor Code Office by March 15.

LDS students may be endorsed only by the bishop of the ward (1) in which they live and (2) that holds their current Church membership record.

Non-LDS students are to be endorsed by (1) the local ecclesiastical leader if the student is an active member of the congregation, (2) the nondenominational BYU chaplain, or (3) the bishop of the LDS ward in which they currently reside.

Requirements

Whether on or off campus, all students are expected to abide by the Honor Code, which includes: the Academic Honesty Policy, the Dress and Grooming Standards, and the Residential Living Standards.

LDS students must fulfill their duty in The Church of Jesus Christ of Latter-day Saints, attend Church meetings, and abide by the rules and standards of the Church on and off campus. Students who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standards of conduct. They are encouraged to participate in services of their preferred religion.

Withdrawn Ecclesiastical Endorsement

A student's endorsement may be withdrawn at any time if the ecclesiastical leader determines that the student is no longer eligible for the endorsement. Students without endorsements, except in unusual circumstances, must discontinue enrollment. Excommunication, disfellowshipment, or disaffiliation from The Church of Jesus Christ of Latter-day Saints results in the withdrawal of the student's endorsement. The decision to withdraw an endorsement may be appealed through the appropriate ecclesiastical channels and then to the university through the Honor Code Office.

How Forms Are Obtained

Students are responsible for obtaining their own Continuing Student Ecclesiastical Endorsement Forms. Forms are available at campus information desks, at college advisement centers, from bishops of BYU wards, and from the Honor Code Office in 4440 WSC.

3. Health Insurance Requirement

BYU requires all three-quarter- and full-time students (9 credit hours or more for a semester; 4.5 credit hours for a term) to carry adequate medical insurance. This applies the entire time a student has continuing status, including students taking a semester or term off. All participants in groups on tour, Study Abroad, or internships are required to carry adequate medical insurance.

Enrollment in the BYU Student Health Plan satisfies the university's insurance requirement, as does enrollment in a group medical plan provided by an employer or a spouse's or parent's employer. Any other medical insurance plan must meet the following requirements:

- provide at least 70 percent coverage for all major medical expenses, including physician, hospital, and ancillary services;
- have an individual annual deductible of no more than $500; and
- have an annual plan limit of no less than $25,000.

Three-quarter- or full-time students must enroll in the BYU Student Health Plan or provide verification of other adequate insurance coverage when first enrolling at BYU and prior to the beginning of fall semester each year thereafter. Students who do not return a properly completed waiver form to the BYU Insurance Office will be automatically enrolled in and assessed the appropriate premium (single or married student rate) for the BYU Student Health Plan. The insurance premium will be charged to the student's account after the tuition payment deadline each semester and term. The insurance fee payment is due by the first day of class each semester and term.

For the latest insurance rates, check the Web site at http://ar.byu.edu/dept_registration_tuitandfee.html#hir.

Registration Procedures: Priority Registration

PRIORITY IS BASED ON CLASS STANDING OR THE TOTAL NUMBER OF CREDIT HOURS COMPLETED THROUGH FALL SEMESTER 1999.

Priority begins with graduate students, then seniors, juniors, sophomores, continuing freshmen, and non-degree-seeking graduate students. Newly admitted freshmen will register in a separate priority (see Step 3's Priority Registration Schedule).

To Register Before School Begins

Step 1: Receive a Registration Notice

Note Your Beginning Registration Time

The registration system will be open from your beginning time, as indicated on the Registration Notice, until midnight September 11. The registration system will not allow you to register before the given time.

Update Address Information

It is important that your mailing address be updated at the Registration Office, B-130 ASB, Provo, UT 84602-1112, telephone (801) 378-2824. Please call or return the address section of the Registration Notice to the Registration Office if you need to do so. A list of classes and a Tuition Billing Statement will be mailed to you in August if you have registered for at least one class.

Check Holds That May Block Your Registration

Prior Balance Due

If you owe a prior balance as of the date of the Registration Notice, the form will indicate the amount due. You must clear your account before registration will be open to you.

College Advisement Center (CAC) Hold

If you have a CAC hold, it will be indicated after the number of completed hours on the Registration Notice. The CAC hold targets students with special needs who will be required to seek assistance from their college advisement center before registering. Students with a CAC hold must visit their college advisement center or department advisor to complete a plan for graduation and will be prevented from registering until the hold is cleared by the college advisement center.

Other

Check with the appropriate office according to your hold:

Academic standards	Academic Support	(801) 378-2723
Ecclesiastical endorsement	Honor Code Office	(801) 378-2847
Financial (prior balance)	Student Accounts	(801) 378-5415
Graduate school	Office of Graduate Studies	(801) 378-4091
University standards	Honor Code Office	(801) 378-2847
CAC and GE holds	Your college advisement center	(see inside front cover)
Loans	Collections Office	(801) 378-7648
	or Financial Aid	(801) 378-4104

Step 2: Plan Your Schedule

Use a Registration Work Sheet (page 2) to plan your ideal schedule, blocking out work and study time. **Be careful not to select classes that meet at the same time on the same days.** Consult the class list beginning on page 28. After listing your ideal schedule, list additional courses or sections for submission if your first choices are not available.

Step 3: Register by Touch-Tone Telephone or AIM

Priority Registration Schedule:

Credit Hours/Class Standing	*Day You Can Begin Registering*
Graduate students and 115+	Monday, March 27
105–114.5	Tuesday, March 28
95–104.5	Wednesday, March 29
90–94.5	Thursday, March 30
85–89.5	Friday, March 31
80–84.5	Monday, April 3
75–79.5	Tuesday, April 4
70–74.5	Wednesday, April 5
60–69.5	Thursday, April 6
50–59.5	Friday, April 7
45–49.5	Monday, April 10
35–44.5	Tuesday, April 11
25–34.5	Wednesday, April 12
15–24.5	Thursday, April 13
Fewer than 15 and non-degree-seeking graduates	Friday, April 14
Newly admitted freshmen	June 21–30

If all sections of the course you want are full, and you must have this course this semester, use the raincheck option to be placed on the department list of students unable to enroll (see touch-tone instructions on page 1 or raincheck option on AIM). Continue to monitor the course by phone or by AIM in case students drop. **A raincheck will not guarantee that you will be able to register for the class.**

Step 4: Pay Tuition

TUITION PAYMENT DEADLINE SEPTEMBER 11, 2000 (TO AVOID LATE FEE).

WHETHER OR NOT YOU RECEIVE A BILLING STATEMENT, IT WILL BE YOUR RESPONSIBILITY TO PAY TUITION BY THIS DEADLINE TO AVOID THE LATE TUITION FEE.

The tuition billing statement will be mailed only to students who are registered for at least one class by August 20. **Tuition assessment on the billing is based on anticipated full-time enrollment of 12 credit hours or more for the semester.** The Federal Pell Grant amount on the Tuition Billing Statement is based on the assumption that enrollment is for 12 credit hours. If your grant eligibility, loan, or scholarship is for less than the tuition due, you must pay the difference by the deadline to avoid a late fee. **If you are not a full-time student, adjust the statement and pay only for the hours you expect to take.** (See Tuition and Fees section for more information).

A check or money order to cover the amount of tuition due should be mailed in the preaddressed envelope provided with the Tuition Billing Statement. If you do not have this envelope, mail your tuition to the Cashiers' Office, D-148 ASB, Provo, UT 84602-1128. A drop box is provided in D-148 ASB for all students on campus. Do not use campus mail. You may also make online payments through Route Y.

Important notice: If you fail to meet the tuition deadline, you will be assessed a late fee ($90 beginning September 12). You will be assessed a late tuition fee if you pay less than full-time tuition by September 11 and are then enrolled or later become enrolled for more than 11.5 credit hours. Also, if your tuition check is not honored by the bank, you will be charged the late fee in effect at the time the check is redeemed.

To Register or Make Class Changes After School Begins

Add/Drop cards may be obtained beginning the first day of class from the Smith Family Living Center (SFLC), college advisement centers, and the Registration Office. The card must be returned to the SFLC step-down area between 8:00 a.m. and 5:00 p.m. during the first ten class days. The following dates apply to full-semester classes; for block classes see the calendar for deadlines.

Adding: August 28–September 11

You may add classes the first ten days of a semester. During this time some classes may be added using the touch-tone telephone or AIM systems. All other classes require an add card with the instructor's signature. For details on the add methods assigned to classes see page 28 and the class list. If you wish to audit a class, see the Auditing Classes section that follows.

Dropping: August 28–September 11 (without a W)

All drops can be done using the AIM system or touch-tone telephone the first ten days of the semester. There is no drop fee during these ten days.

September 12–October 2 (with a W)

All drops must be done on an add/drop card. Students will be charged $10 per class and will receive a W (official withdrawal) on their transcript. Drop cards must be submitted to the Registration Office, B-130 ASB.

Note: A student can be registered for more than one section of an R-suffix course and therefore must drop each unwanted section.

Discontinuance (Dropping All Classes for the Semester or Term)

What to Do Before Classes Begin

Once you register for classes, you are officially enrolled and committed to attend. If you are not coming to school this semester, you must discontinue or drop your classes prior to the first day of school or they will remain on your record and **you will be charged tuition.** Classes may be dropped using the discontinuance action code (79*20005#—see the touch-tone-telephone instructions in this class schedule) or the AIM system (by dropping each class) until midnight of the day before classes begin.

What to Do After Classes Begin

On the first day of classes and thereafter you will need to contact the Discontinuance Office in B-150 ASB or telephone (801) 378-7705. Tuition will be charged starting the first day of classes to the date of discontinuance at the percentage rate listed in the Tuition and Fees section of this class schedule.

Warning: Discontinuance from fall or winter semester or from the term to which you are newly admitted will forfeit your eligibility to attend future semesters without reapplying through the Admissions Office.

Continuing BYU students who interrupt their studies for one semester (fall or winter) only or who serve an LDS mission may request an admission deferment during their absence from the university. Call the Admissions Office, telephone (801) 378-2507, for more information. Other students who interrupt their studies should contact the Admissions Office for the appropriate reapplication materials.

Note: See Discontinuance sections on pages 11 and 25 for detailed instructions.

Additional Registration Information

Maximum Hours per Semester or Term

Undergraduate students in good standing may register for as many as 18 credit hours in one semester (9 per term) by following the regular registration procedures. The college advisement centers may authorize a student who has demonstrated superior academic ability to register for a maximum of 21 hours (11 per term). This approval is to be noted by the college advisement center on the add/drop card once school begins. Auditing classes, registering for a class without receiving credit, or registering for Evening Classes constitutes a part of your total registration. Exceptions to these rules should be presented to: University Registrar, B-150 ASB.

Auditing Classes

Students desiring to audit classes (register for a class without receiving credit) can only do so on an add/drop card during the first ten class days (six days of a term). Students must obtain the instructor's approval on a signed add/drop card. It is not possible to register for an audit class on the touch-tone telephone system. **You are charged the same tuition for auditing classes as for taking classes for credit.** Classes taken on an audit basis will not appear on your official records, will not be considered in calculating enrollment verifications, and do not fulfill the minimum registration requirement for graduate degree-seeking students. Students who are registered for credit and wish to change to audit must first drop the class. The class may then be added for audit during the add period (first ten days of a semester, six days of a term).

Admission to Class

Students whose names are on the university class roll are officially registered. If your name is not on the official roll, you should contact the Registration Office, B-130 ASB, immediately. Instructors receive rolls of students in their classes the first day of classes. Other rolls, sent out during the second, third, and eighth weeks, include the names of all students currently registered for that class.

Enrollment Verification

A student's enrollment status is determined by the number of credit hours taken, as follows:

	Hours Enrolled	
Semester	**Term**	**Enrollment Status**
12+	6+	Full-time
9–11.5	4.5–5.5	Three-fourths
6–8.5	3–4	Half-time
.5–5.5	.5–2.5	Less than half-time

Audited courses do not count in total enrollment hours. Graduate students should refer to the Graduate Education section of this class schedule. Contact the Records Office, B-150 ASB, for enrollment verification.

Evening Classes

Daytime students taking evening classes (sections 400–499) must register for the courses at the same time they register by touch-tone telephone for day school.

Semester Online Courses

Classes listed in the class schedule as sections 478 are courses offered over the Internet at no additional cost to full-time students. Semester Online courses may provide immediate feedback, chat rooms, and informative, exciting links, and they allow students to progress at their own pace within the semester period. Check it out at http://www.byu.edu/home1.html (see Courses Online on the BYU homepage).

Independent Study

Independent Study can bring many university courses to your home. You may register for courses any time during the year and take up to a year to finish each course. Tuition is $90 per credit hour—this fee is not included in your regular BYU daytime tuition. Independent Study courses are indicated in the course list by the phrase "Offered by Independent Study." Many courses are now available by Internet, and new courses are continually being added. For further information and a free catalog, contact the Independent Study Office, 206 HCEB, Provo, UT 84602-1514, telephone (801) 378-2868, or www http://coned.byu.edu/is/.

Note: Independent Study courses do not apply toward a **BYU graduate** degree.

Questions/Answers for New Undergraduate Students

What is a credit hour?

A credit hour usually refers to the number of hours you will meet for formal classroom instruction each week, although you will find some exceptions to this in certain majors. The average student can successfully complete from 14 to 16 credit hours per semester or from 6 to 8 credit hours per term. A total of 120 credit hours is required to graduate. Students who plan to graduate in four years will need to complete an average of 15 hours per semester.

How much preparation or study time is usually needed outside class?

For the average student, the expectation for undergraduate courses is two hours of outside preparation time for every hour spent in class. For example, a 3-credit-hour English class meets for one hour three times a week. A student should be prepared to spend six additional hours each week outside class for study and preparation. However, more time may be required to achieve excellence in a particular subject.

What is general education?

The general education program for undergraduates at BYU assures that you have achieved competence in certain skills and knowledge before graduation. Proof of competency is achieved by successfully passing required courses. Some students pass these required courses by receiving an approved score on an AP exam or by taking special examinations for credit when they arrive on campus. For more information on the GE program, refer to pages 13–18 of this class schedule.

What is a major?

A major is a concentrated group of classes in a particular field designed to help you achieve your educational goals. Colleges and departments establish required and optional courses to be completed for each major. For more information on specific majors, please refer to the BYU Undergraduate Catalog and the respective major on the Web; or you may contact the appropriate college advisement center (see list on the inside front cover of this class schedule). You may have selected a major on the admissions application; if so, you should be in contact with the appropriate advisement center. If you are presently undecided or wish to explore additional options, you may contact the Open Major Advisement Center, 2500 WSC, (801) 378-3826.

Do I need to know my major now?

No. In fact, many students have found it helpful to explore various fields of study before deciding on a major. However, if you are leaning toward a major in the sciences, nursing, engineering, or visual arts, there are specific recommendations for classes your first semester. A delay in pursuing a major in these areas can lengthen the time to graduation. For more information in these areas, please contact the appropriate college advisement center (see list on the inside front cover of this class schedule).

I have a documented disability. Are there accommodations available at BYU?

Yes. All students who either have a documented disability or are in the process of obtaining documentation for a physical, emotional, or learning disability (including ADD) are invited to visit with an advisor from Services for Students with Disabilities (SSD), located at 1520 WSC, (801) 378-2767 v/tty. Advisors can assist you with reasonable and appropriate accommodations, testing, and advice concerning your class schedule and can answer questions on accessibility issues.

What if I'm still confused?

Contact the BYU Hotline, 1-800-290-BYU1. From 8:00 a.m. to 5:00 p.m. (MDT) each working day advisors are available to help answer your questions or point you in the right direction. Or you can visit our Web site at http://ar.byu.edu/dept_orientation/orient_home.html, or e-mail us at frorientation@byu.edu.

Advanced Placement Credit at Brigham Young University

The credit-granting policy in effect at Brigham Young University for Advanced Placement examinations taken during the 1999–2000 school year (tested in May 2000) is listed below. Every full-year AP course will earn a minimum 3 semester hours of credit for examination scores of 3, 4, or 5. Questions regarding the AP program at BYU should be directed to the Office of School Relations, A-209 ASB, Provo, UT 84602-1229, telephone (801) 378-5000.

Registration for Faculty, Staff, Administrative Personnel, and Their Spouses

Full-time regular faculty, staff, and administrative personnel may register for no more than 6 credit hours per semester, within the guidelines indicated below, and will not be required to pay the cost of tuition. This benefit is applicable to undergraduate and graduate tuition; however, there may be income-tax ramifications on graduate tuition. Before registering for **graduate** courses, personnel must contact the Benefits Office.

Written approval is required for personnel to take daytime classes (7:00 a.m. to 5:00 p.m.). Applications for approval may be obtained at the Benefits Office, D-240 ASB, **before registration**. (Final approval for daytime class work rests with the tuition manager in the Benefits Office.) *Personnel eligible to take daytime classes need to be properly admitted through the Admissions Office.*

Full-Time Regular Faculty, Staff, and Administrative Personnel

(See University Personnel Tuition Policy in the University Electronic Handbook)

To be eligible for tuition benefits during a given semester, individuals must be regular personnel at the close of late registration for that semester. The last day of late registration is specified in each class schedule.

Regular teaching faculty, staff, and administrative personnel may register for courses of study up to 6 hours per semester. Those wishing to take daytime classes will need the written approval of the department chair or supervisor, the dean or director over the area, and the tuition manager of Benefits. Administrative and staff personnel who take classes in the daytime hours are expected to make up the time they are absent from their regular work.

With the required approvals, staff personnel with staggered-hours schedules (see Work Hours Policy in the University Electronic Handbook) may register for daytime classes. A staggered-hours work schedule, which must first be approved by the person's supervisor, allows an individual to work eight hours between 7:00 a.m. and 6:00 p.m. with a meal period of at least one-half hour. Meal periods may not be used for class attendance. The work schedule should remain as constant as possible. Whether or not an individual can have a staggered-hours schedule and take day classes will depend on the seasonal and daily workload of the department.

During the spring and summer terms, faculty members who have teaching duties and staff and administrative personnel may take 3 credit hours per term, or 4 in one and 2 in another. (If no classes are taken spring term, 6 credit hours may not be taken summer term, or vice versa.) However, faculty who are not teaching during a spring or summer term, and who are not on contract with the university for research, administrative, or other special assignments, may take as many credit hours during that term as their department permits.

Spouses of Regular Faculty, Staff, and Administrative Personnel

(See University Personnel Tuition Policy in the University Electronic Handbook)

To be eligible for tuition benefits for their spouses, personnel must (a) be at least age thirty with one year of service **or** (b) have completed five years of service with the university, whichever occurs first. Regular personnel who terminate employment and are rehired may be able to add prior employment to the most recent period of employment, within the limits indicated in the university policy on service credit, to achieve the required years of service for eligibility for spouse tuition benefits.

Eligible spouses of regular, full-time faculty, staff, and administrative personnel may register for undergraduate or graduate courses of study with no limit as to the total number of hours (day or evening classes) and will not be required to pay the cost of tuition. Those who wish to take daytime classes need to be properly admitted through the Admissions Office. Before registering for graduate courses of study, eligible spouses must contact the Benefits Office regarding possible income-tax ramifications on graduate tuition. In the event a spouse who is taking classes becomes full-time BYU faculty, administrative, or staff personnel, that individual's "personnel" status supersedes their "spouse" status, and the tuition benefit is administered accordingly.

Part-Time Personnel

(See University Personnel Tuition Policy in the University Electronic Handbook)

Part-time, adjunct, on-call, and temporary personnel and their spouses are not eligible for tuition benefits.

Additional Information

Auditing Classes

All full-time personnel and their eligible spouses who desire to audit daytime classes should go to the Registration Office, B-130 ASB, for auditing procedures. Those wishing to audit evening classes should do so through the Evening Classes Office. Any class audited will not appear on official records; however, all audited classes must be cleared through the Benefits Office.

Withdrawals and Registration Discontinuance

Personnel or their spouses enrolled through day school who withdraw from classes and/or discontinue their registration at the university are required to do so through the Discontinuance Office, B-150 ASB, telephone (801) 378-7705. **If this is done on or after the first day of classes, and if attendance has not commenced, the tuition benefit will be forfeited, and accrued fees will be charged to the individual.**

Evening Classes

Registration

Eligible faculty, staff, and administrative personnel and their spouses who wish to register for evening classes *only* may do so at the Evening Classes Office, 122 HCEB. Individuals may obtain their tuition benefit there at the time they register by completing the Clearance to Register Form and presenting their personnel or spouse ID card.

Daytime students taking Evening Classes (sections 400–499) may automatically register through the touch-tone telephone system.

Changes in Registration

When a change in Evening Classes registration becomes necessary, individuals must obtain an add/drop card from 122 HCEB and get the required approval and signature of the instructor. This card must then be returned to 122 HCEB, PO Box 21513.

Discontinuance

A student discontinuing his or her entire registration in Evening Classes is required to discontinue through the Evening Classes Office. A fee is charged to the individual for the service after registration has been finalized.

Tuition and Fees

One of the nation's largest private universities, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. A significant portion of the cost of operating the university is paid from the tithes of the Church members. Because of this, students or their families who are Church members already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are assessed higher tuition. This higher tuition still does not cover the total educational cost.

Tuition and class fees are due and payable by the add deadline. It is expected that students who fail to pay tuition by this date will discontinue their enrollment. Students who fail to pay tuition by the scheduled final day to late register will jeopardize their eligibility to enroll for the following semester/term. Past financial delinquencies must be cleared before a new registration may be completed. Refer to Tuition and Fees Information on page 4 for deadlines.

Students are held responsible to pay the correct amount of tuition and fees (in U.S. dollars). Once students register for classes, they are officially enrolled and committed to attend. Students who decide not to attend must officially withdraw from classes prior to the day school begins to avoid being charged tuition. Classes may be dropped using the discontinuance action code (see the touch-tone telephone instructions, page 1) or the AIM system (by dropping each class) until midnight of the day before classes begin. On the first day of classes and thereafter you will need to contact the Discontinuance Office in B-150 ASB or telephone (801) 378-7705. If you do not drop your classes, they will remain on your records and **you will be charged tuition**. Tuition will be charged starting the first day of classes to the date of discontinuance at the percentage rate listed under Tuition Refunds/Charges—Discontinuance.

Students who anticipate receiving financial aid will be held responsible to pay tuition charges incurred whether or not financial aid is available or forfeited.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, 3 hours of lecture a week are considered 3 semester hours and are charged for accordingly. Therefore, if you are taking 10 credit hours plus a noncredit class involving 2 or more lecture hours per week, you are considered to be full-time for tuition assessment. However, noncredit courses do not count for Federal Pell Grant or Federal Stafford Loan eligibility. For courses in which no lecture hours are involved—for example, dissertations and theses—tuition and fees are charged based on hours being carried during the semester, as determined by the supervising professor.

Graduate students (for tuition purposes) are those students who have received their bachelor's degree or will have received it by the beginning of fall semester and are not students of the Law School or the Graduate School of Management.

Full-time classification (for tuition assessment) for all students is registration for 12 or more credit hours per semester or 6 or more credit hours per term.

The university reserves the right to change these figures without notice. Questions regarding fee assessment should be referred to Financial Services.

Tuition and General Fees Per Semester

Undergraduate Students	LDS	Non-LDS
Full-time (12 or more credit hours)	$ 1,470	$ 2,210
Three-fourths time (9–11.5 credit hours)	$1,400	$2,085
Half-time (8.5 credit hours or less) per credit hour	$150	$227
Graduate Students	**LDS**	**Non-LDS**
Full-time (8.5 or more credit hours)	$ 1,730	$ 2,600
Part-time per credit hour	$192	$289
Graduate School of Management Students and Law School Students	**LDS**	**Non-LDS**
Full-time (8.5 or more credit hours)	$ 2,770	$ 4,160
Part-time per credit hour	$308	$462

Tuition will be assessed per half-credit hour. Minimum tuition charged will be $75. The charge for noncredit courses or for auditing courses is the same as when taking them for credit.

Late Tuition Fee

Beginning September 12 . . . . . $90

A late tuition fee will be assessed to all students who fail to pay tuition by the payment deadline. The late fee will also be assessed to students who pay less than full-time tuition by the September 11 deadline and are then or later become registered for more than 11.5 credit hours.

Any student whose tuition check is not honored by the bank will be charged the late registration fee in effect at the time the check is redeemed.

Tuition Adjustments—Change in Credit Hours

After the semester begins, a part-time student who increases the number of credit hours and remains a part-time student must pay for these additional hours **by the last day to add classes.** If this is not done, a late fee will be assessed. A change to three-quarter or full-time status requires that additional tuition be paid to avoid paying the late fee beginning September 12.

A full-time student dropping to part time or a part-time student who decreases credit hours may be entitled to a tuition refund. A refund request must be initiated by the student through the Financial Services Office, D-151 ASB. A full refund of the difference between full-time assessment and part-time assessment will be allowed through September 11. Refunds for courses dropped after that date will be subject to the refund schedule listed under Tuition Refunds/Charges—Discontinuance.

Tuition Refunds/Charges—Discontinuance

Both full-time and part-time students who discontinue school will be charged tuition from the first day of classes until the date of discontinuance. A refund is based on the date they report their discontinuance to the Discontinuance Office, B-150 ASB, telephone (801) 378-7705. The following rates apply:

Discontinuance	Tuition Charged	Refund of Tuition Paid
Before Aug 28	None	100%
Aug 28–Sep 1	10%	90%
Sep 5–Sep 8	15%	85%
Sep 11–Sep 15	20%	80%
Sep 18–Sep 22	25%	75%
Sep 25–Sep 29	30%	70%
Oct 2–Oct 6	35%	65%
Oct 9–Oct 13	40%	60%
Oct 16–Oct 20	45%	55%
Oct 23–Oct 27	50%	50%
Oct 30–Nov 3	55%	45%
After Nov 3	100%	None

A petition for exception to the refund schedule will be considered for students forced to discontinue because of personal medical incapacitation after the 85 percent refund period. Petition forms are in D-208 ASB.

A refund due because of discontinuance from school will be made only by check through the mail. It will be mailed approximately two weeks from the date of **discontinuance.** Refunds due to students who have a Federal Pell Grant and/or Federal Stafford/PLUS Loan will be returned to the lending agency and/or the Pell Grant Program. Contact the Tuition Office, D-151 ASB, for specific information.

Late fees are not refundable.

Refunds for Class Fees

Class fee refunds are based on the same schedule as listed for tuition refunds.

Class Fees

AgHrt 112 . . . . . $90
AgHrt 312 . . . . . $120
AnSc 124, 231R, 331R (equitation) $150
Army ROTC Leadership Laboratory $40

TMA 285, 385, 475R.
VACor 133.
VAStu 104, 105, 106, 204R, 205R, 206R, 216, 217, 218, 219, 349R, 350R, 351R, 354R, 355R, 356R, 358R, 359R, 450R, 451R, 456R, 459R, 656R, 659R.

Miscellaneous Fees and Fines

Activity Cards

Duplicate card fee $10
Identification photo fee $3
Spouse activity card (nonrefundable, does not include Health Center privileges) $6

Admission Evaluation Fee (nonrefundable)

New applying student. $25

Class Drop Fee (fee per class)

Through September 11, free. September 12 and thereafter, $10 per class.

Deposits (payable at department locations)

Industrial education $1
Physical education locker fee (nonrefundable). . . . $4

Dishonored Check Charges $15

Examinations

Examination through Testing Center to exempt student from taking a required class $10
Examination, special equivalency, nonrefundable fee to take exam $20

Graduation Fees (nonrefundable)

Bachelor's degree $15
Master's degree. $20
Doctoral degree. $25

Incomplete Grade Contract

Available in B-150 ASB after the twelfth week of the semester $10

Parking Fees and Information

Motor Vehicles

Parking permits are required to park on campus. To purchase a permit, bring the following to the Parking and Traffic Services Office (in the PTSB):

1. Current vehicle registration
2. Proof of emissions compliance. Vehicles registered in areas that do not have an emissions program meeting Utah County requirements will need to pass an emissions test. For further information contact the Parking and Traffic Services Office, telephone (801) 378-3906.
3. BYU identification card
4. Proof of housing residency such as your housing contract or room key (required only for a singles on-campus housing C permit)
5. Fee

Fees vary by permit and semester as follows:

Permit	*Fall*	*Winter*	*Spring/Summer*
G	$40	$25	See L Permit
Y	$15	$10	See L Permit
C	$ 7	$ 5	$ 3
L (G, Y, R lots for Sp/Su)			$ 5
Motorcycle/ Moped	$10	$ 8	$ 4

G, Y, C, and motorcycle/moped parking permits expire September 15, 2001. L parking permits are valid spring and summer terms only.

Out-of-State Plates

Faculty and staff employees with out-of-state plates must license their vehicles with the state of Utah and clear them for tax payment before they can receive their parking permits.

Bicycles

Bicycles must be licensed within Utah County. Provo City licenses cost $1 at the Parking and Traffic Services Building or at the Provo Police Department. Bicyclists must:

1. Always park bicycles in racks.
2. Never ride on sidewalks during class breaks.
3. Yield to pedestrians.
4. Obey all traffic rules.

Bicycles not parked in racks will be impounded. BYU will not be responsible for cut locks, chains, or cables. Cutting locks, chains, or cables is authorized only when uniformed police or traffic personnel are present.

Other Regulations and Information

Owner/Operators of motor vehicles operated in Utah County should be prepared to pass Utah County Vehicle Emissions Inspection Maintenance requirements.

Neighborhoods adjoining campus are sometimes inundated with parked vehicles. Students are encouraged to obtain BYU parking permits and to park in university parking lots authorized by the permit.

Traffic regulation information may be obtained from Parking and Traffic Services. It is the responsibility of all students, faculty, and staff members to obey all traffic rules and regulations.

Questions may be directed to Parking and Traffic Services personnel at (801) 378-3906.

Parking and Traffic Violation Fines . . . . . $10–$300
Individuals receiving seven or more citations in a 12-month period (whether paid or unpaid) will have their driving and parking privileges revoked.

Records Fees

Search fee (duplicate receipt) $1
Transcript fee (per copy—pay at Records Office) . . $2

Health Insurance Requirement

BYU requires all three-quarter- and full-time students (9 credit hours or more for a semester; 4.5 credit hours for a term) to carry adequate medical insurance. This applies the entire time a student has continuing status, including students taking a semester or term off. All participants in groups on tour, Study Abroad, or internships are required to carry adequate medical insurance.

Enrollment in the BYU Student Health Plan satisfies the university's insurance requirement, as does enrollment in a group medical plan provided by an employer or a spouse's or parent's employer. Any other medical insurance plan must meet the following requirements:

- provide at least 70 percent coverage for all major medical expenses, including physician, hospital, and ancillary services;
- have an individual annual deductible of no more than $500; and
- have an annual plan limit of no less than $25,000.

Three-quarter- or full-time students must enroll in the BYU Student Health Plan or provide verification of other adequate insurance coverage when first enrolling at BYU and prior to the beginning of fall semester each year thereafter. Students who do not return a properly completed waiver form to the BYU Insurance Office will be automatically enrolled in and assessed the appropriate premium (single or married student rate) for the BYU Student Health Plan. The insurance premium will be charged to the student's account after the tuition payment deadline each semester and term. The insurance fee payment is due by the first day of class each semester and term.

For the latest insurance rates, check the Web site at http://ar.byu.edu/dept_registration_tuitandfee.html#hir.

Debt Collection Fees

Students' past-due debts are referred to Student Financial Services for collection. If the BYU debt collection office is unable to collect the debt within a reasonable time, the debt will be referred to an outside collection agency. In addition to paying the debt, the student debtor will be required to pay the collection agency fees before obtaining release of a financial hold on his or her transcript or before being considered for readmission. Also, eligibility for graduation may be delayed or denied.

University Requirements for Undergraduates

There are three components to an undergraduate education at Brigham Young University: religious education, major education, and general education. Religion courses are provided at BYU so that students may progress in their religious understanding and convictions simultaneously with their educational progress in secular fields. Education in the major provides students with depth in a particular academic discipline. It introduces them to the type of thinking, language, and skills that prepare them for a career or further study in postgraduate or professional programs. General education is intended to provide students with intellectual breadth. It covers the range of human accomplishments: the development of language and civilization; the arts; and the social, behavioral, physical, and biological sciences. These three aspects of the baccalaureate degree—religious education, major education, and general education—are described briefly in the following sections.

Religious Education

It has always been the view of The Church of Jesus Christ of Latter-day Saints that education is not complete without proper integration of secular and religious knowledge and values. Secular understanding and skill are important attainments in life and will better serve the individual when accompanied by religious convictions, attitudes, and standards of behavior. Ideally, students should take one religion class each semester of enrollment.

Fourteen hours of religion credit taken ***at BYU*** are needed to graduate—a core of 8 hours plus 6 hours of electives. The core consists of two Book of Mormon courses (RelA 121 and 122, 4 hours); one New Testament course (2 hours); and one Doctrine and Covenants course (2 hours). Students may choose from an array of other courses offered by the Department of Ancient Scripture and the Department of Church History and Doctrine to fill the other 6 hours of religion credit needed.

No more than 4 hours of religion credit per semester may be counted toward the religion requirement.

Students who are not members of The Church of Jesus Christ of Latter-day Saints are encouraged to take Introduction to Mormonism (RelC 100) during their first semester at BYU. This course may be used in lieu of either a New Testament or Doctrine and Covenants course.

Transfer Students

Transfer students must fulfill the BYU graduation requirement in religion. *All students must complete a minimum number of religion credits taken* **at BYU, according to the following table, regardless of the number of religion hours completed elsewhere.**

Religion Requirements for the Baccalaureate Degree	
Courses	***Credit Hours***
Two Book of Mormon courses	4
One New Testament course	2
One Doctrine and Covenants course	2
Elective courses	6

Total Transfer Credits	BYU Religion Hours Required	
0–15.9	14	Book of Mormon (RelA 121 and 122), one New Testament class, and one Doctrine and Covenants class
16–31.9	12	
32–47.9	10	
48–63.9	8	
64–79.9	6	Book of Mormon (RelA 121 and 122) and one Doctrine and Covenants class
80–95.9	4	
96 or more	2	Unless more hours are needed to fill Book of Mormon requirement

Major Education

Brigham Young University students are expected to develop competence in at least one area of concentration. Such competence is acquired through in-depth study in an area referred to as the major. Through the major requirements students encounter a rigorous, coherent, and progressively more sophisticated program of study. Such study is intrinsically valuable, and it prepares students to enter the world of work or to pursue further study. By the time they graduate, students should have a grasp of their discipline's essential knowledge and skills and thus be able to compete in and contribute to the larger world outside the university.

BYU offers approximately 150 undergraduate major programs. Most of these programs are centered in the more than 50 academic departments, but several interdisciplinary programs are also available. The complete list of these degrees is given in the BYU Undergraduate Catalog under the heading Alphabetical List of Undergraduate Majors at BYU. Of the 120 credit hours required as a minimum for the baccalaureate degree, the major program typically comprises between 40 and 60 credit hours, although some exceed 60 credit hours. Requirements for major programs are detailed under specific departments in the catalog. Students need not feel undue pressure to declare a major immediately upon entering the university, and they may wish to enroll in general education courses that can introduce them to possible areas for major study. However, some majors, including those in the natural sciences, engineering, music, and the visual arts, are tightly structured. Efficient graduation from these programs requires students to undertake degree requirements during the first semester of their freshman year. Students who are considering these programs are encouraged to begin them as soon as possible. The academic departments and college advisement centers can provide advice about particular degree requirements and selecting a major.

General Education

The general education (GE) program at Brigham Young University complements the other two areas of a university education. Through its perspective we gain vantage points from which to view the development of our own culture and how it relates to others.

GE courses teach one to think critically, and they pose questions that foster the development of moral judgment and aesthetic and cultural sensitivities. At Brigham Young University these courses are taught in the context of the restored gospel and the implications that the gospel of Jesus Christ holds for knowledge, truth, and society.

GE Program Modified

The general education program was revised in 1995. Students who entered the university prior to fall 1995 have the option to continue with their original GE program or to switch to the newer program. Students enrolled prior to fall 1995 should visit their college advisement center to discuss the optimal program, given their current status.

Modifications to the 1988 GE program are:

- A music option was added to satisfy the Advanced Languages requirement.
- A combination of courses may satisfy some of the core requirements.
- The number of required Arts and Letters elective courses was reduced from four to three.
- The Physical Education and Health university requirement has been changed to the Wellness requirement and is now included as part of general education.

Students who entered BYU fall 1995 or thereafter are automatically on the GE program described on the following pages.

Description of the GE Program

The GE program is separated into three categories called Languages of Learning, the Liberal Arts Core, and Arts and Sciences Electives.

The objectives for each of the three areas are explained below. Brief statements of the ways to satisfy GE Program requirements are provided in the accompanying table. Detailed information concerning the mechanisms available to complete each requirement is given in the General Education Courses section of this class schedule.

Languages of Learning

In our modern, complex society, the ability to communicate effectively is deemed a critical skill. Under the Languages of Learning category are grouped the areas of writing, mathematics, foreign language, and music, each of which represent an important way to convey information and understanding. Because writing at the college level is considered essential to success at the university, students are asked to complete a First-Year Writing course. Later, once students have identified an area for major study, they are provided with an opportunity to develop writing skills in that discipline. To function in a technological society, a basic knowledge of mathematics as a means of communication and problem solving is essential. All students, upon admission, are asked to certify a basic level of numeracy, either with an appropriately high score on the Mathematics section of the ACT or SAT exams or by completion of a BYU course. We then ask that students exhibit a mastery of either mathematics, music,

or a foreign language at an advanced level. At this level students achieve an exposure to cultures and to the ways in which practitioners of the language structure their knowledge. See the tables on pages 16 and 17 for more information.

Liberal Arts Core

A traditional university education includes introductions to the core or fundamental areas of knowledge. These typically cover the biological and physical sciences and aspects of cultures and civilizations. Here at BYU we also include as part of our core American Heritage, an introduction to the political and economic foundations of the American democratic system, and Wellness, a requirement to assist in developing one's physical and mental well-being.

For every requirement in the core, with the exception of Civilization, there are two pathways to complete the requirement—a one-course option and a multiple-course (two or three) option. The multiple-course options are structured to cover much of the same material that is included in the one-course options but in greater depth.

The options for different core requirements are independent of each other. That is, one may choose the two-course sequence to satisfy the Biological Science core requirement but choose the one-course option for the Physical Science, American Heritage, and Wellness requirements. In general, students will find it most efficient to take the one-course options for a given requirement. However, students in some majors will find that a particular core requirement can be satisfied using the multiple-course pathway with courses they are already taking for their major. Students with career or personal interests outside their major may find that the two-course options better serve their needs. For example, the philosophy or language major who hopes to become a physician may satisfy the Physical and/or Biological Science core requirement by virtue of the science courses required for admission to medical school.

Both the Languages of Learning and the Liberal Arts Core provide for multiple ways to satisfy individual requirements. The number of courses and credit hours needed to satisfy a requirement will vary with the particular option chosen and/or the student's previous preparation. See the table on page 17 for more information.

Arts and Sciences Electives

The Arts and Sciences electives are divided into three categories: Arts and Letters, Natural Sciences, and Social and Behavioral Sciences. These three divisions encompass the spectrum of human endeavors. The objective of elective courses certified to satisfy this requirement is to introduce students in a more focused way than the core courses to specific disciplines or areas of study. Students must take **one** course from **each** of the three areas. Unless the major program dictates a specific course, students are free to select from a large list of approved courses. These courses are certified for approval by a faculty council, and students are encouraged to check a current class schedule for an up-to-date list of approved courses.

Some courses are approved as both Arts and Sciences electives and as one of the two-course sequences for the alternate option to the Liberal Arts Core requirements. The same course cannot be used for both the elective requirement and to partially complete the core requirement.

Because a significant objective of general education is to provide breadth to the student's education, we recommend that elective courses be taken outside the major. However, once a course certified to satisfy an elective is completed, the GE requirement will be considered satisfied. Changes in majors will not affect the student's progress toward completion of the GE program. Nevertheless, the new major may impose additional requirements, such as a particular Advanced Writing course.

Where variable numbers of courses or credit hours are indicated, the effort required to complete the requirement depends upon the student's level of preparation. The complete list of courses currently certified to satisfy a particular requirement and additional details of how to complete the requirements are given in a later section of this class schedule entitled General Education Courses. See the tables on page 18 for more information.

GE and the Honors Program

The Honors Program offers a number of courses that satisfy both GE and Honors requirements. These courses provide a deeper, more intense exposure to the subject matter for the student who is interested in a challenging experience. Additional information concerning these courses may be obtained from the General Education and Honors Office, 102-A MSRB, telephone (801) 378-5497, or by consulting the "University Honors Program Course Guide."

Selection and Timing of GE Classes

To gain approval to meet a GE requirement, a course is subjected to a rigorous evaluation. Such approval is not granted lightly, and students should ensure that the courses they select are, in fact, approved for GE credit. This information is updated each semester/term and published in the current class schedule.

Although the time to complete GE requirements varies according to the major, all new students are required to complete the First-Year Writing, American Heritage, and two Book of Mormon classes during their freshman year. If these requirements are not completed by the end of their freshman year, students will be prevented from subsequent registrations until they meet with an academic advisor. We recommend that new freshmen complete the first Book of Mormon class and either First-Year Writing or American Heritage their first semester, and the second Book of Mormon class and either First-Year Writing or American Heritage (whichever they have not already completed) their second semester.

Students planning to satisfy the Biological Science, Physical Science, and Precollege Mathematics core requirements with the one-course options (e.g., Biol 100, PhyS 100, and Math 110) should also complete these during the freshman year. Civilization courses are designed as sophomore-level courses, although some programs include them during the freshman year. Advice as to when to complete the other GE requirements can be obtained at college advisement centers or department offices.

Ways to Complete GE Requirements Other Than by Course Work

In addition to taking approved courses, there are several mechanisms by which students may satisfy the components of the GE program: transferring acceptable credit from other academic institutions; receiving credit from advanced placement (AP) and International Baccalaureate (IB) examinations or from the College Level Examination Program (CLEP); or passing special examinations at the university.

Transfer Credit

The application of transfer credit to GE requirements is handled by the Transfer Evaluation Office, B-238 ASB. Consortium agreements have been reached with several junior and community colleges to facilitate the transfer process for students who have completed certain associate degrees. The Transfer Evaluation Office can be contacted for up-to-date information regarding the status of those agreements with a particular junior or community college.

Advanced Placement and International Baccalaureate Credit

The results of some Advanced Placement (AP) and International Baccalaureate (IB) exams may be used to waive certain GE requirements and to obtain general university credit. AP or IB credit posted to a transfer institution will be evaluated upon BYU's standards and not those of the transfer institution. The Academic Advisement Office, B-238 ASB, telephone (801) 378-3641, can be contacted for details regarding credit hours and exemption from GE requirements for both AP and IB exams.

College Level Examination Program

BYU will grant credit for the College Level Examination Program (CLEP). For each general examination on which a student scores 610 or higher, the university will grant 3 hours of credit. Students can contact the Admissions Office, A-153 ASB, telephone (801) 378-2507, for additional information.

Exemption and Challenge Examinations

Some requirements can be accomplished by successfully completing an examination. Two types of examinations are available, the exemption exam and the challenge exam. *A student may only take an exemption or challenge exam once during each exam period.* Students do not have to be enrolled in a course to take an exemption or challenge exam. However, some of the exams are given early enough each semester/term so that students who are enrolled and pass the exam may drop the course. Students not enrolled in a course have an opportunity to take the challenge or exemption exams offered at the Testing Center during the middle of fall and winter semesters. Please consult the table on page 15 for specific exam dates.

Exemption Exams: No Credit or Grade

(Offered for select general education courses only)

Exemption exams do not earn academic credit or grades. Exemption exams are given in the Testing Center on the dates shown on the table that follows. A fee payable at the Testing Center is required for the exams. A passing score on an exemption exam is reflected on the Advisement-by-Computer (ABC) report as fulfilling the requirement. However, no academic credit will be posted on the transcript of grades. The procedure to take an exam and request exemption from a course follows.

Challenge Exams: Graded Credit

Some challenge exams for credit are offered in the Testing Center, and others are arranged through the department offering the course. A fee payable at the Testing Center is charged for exams offered in the Testing Center. A fee payable at the Cashiers' Office in D-155 ASB is required for exams that are offered through individual departments. **Check with the department to see if the exam is offered in the department or in the Testing Center.** To earn academic credit and a letter grade for the course, the student must submit a Special Examination Form, provided by the Testing Center or the department, to the Records Office, B-150 ASB. No additional fees are charged to post credits to the transcript. The student's transcript and grade point average reflect the grade earned on the exam. The procedure to take exams and request academic credit follows.

Procedure for Exemption and Challenge Exams Given at the Testing Center

A. Procedure for Exemption Exams

1. Contact the appropriate academic department for exam procedure and content before going to the Testing Center.
2. Go to the Testing Center (265 HGB) on one of the examination dates listed on this page.
3. Pay the required fee at the Testing Center.
4. If you are enrolled in the course when you pass its exemption exam, you **must** also complete an Add/Drop Card and drop the course. Students who drop the class after the *add deadline* (ten class days after a semester starts or six class days after a term starts) will receive a W on their transcript for dropping the course, and their ABC report will reflect fulfillment of the GE requirement. If the exempted course is not *officially* dropped before the drop deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.

Note: If you pass an exemption exam at the Testing Center, your ABC Report will be updated automatically at the end of the semester. Please retain your score report for your records.

B. Procedure for Challenge Exams Given at the Testing Center

1. Contact the appropriate academic department for exam procedure and content before going to the Testing Center.
2. Go to the Testing Center (265 HGB) on one of the examination dates listed on this page.
3. Pay the required fee at the Testing Center.
4. After the exam is graded, if you choose to receive graded credit, obtain a Special Examination Form at the Testing Center and have it validated there. To accept the grade and receive credit for the course, turn in the Special Examination Form to the Records Office, B-150 ASB, within one year from the date the exam is taken. Graded credit will be added to your official university transcript, and the ABC Report will show any GE requirement as fulfilled. (Students taking the Physical Science exam may take the grade or an exemption if their score is 75 percent or above. If their score is between 60 and 74 percent, then they may receive graded credit.)
5. If you are enrolled in the course when you pass its challenge exam, you **must** also complete an Add/Drop Card and drop the course. Students who drop the class after the *add deadline* (ten class days after a semester starts or six class days after a term starts) will receive a W on their transcript for dropping the course, and their ABC Report will reflect fulfillment of any GE requirement. If the course is not *officially* dropped before the drop deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.

Procedure for Challenge Examinations *Not* Given at the Testing Center

A. Whether or not you are enrolled in the course you are challenging:
   1. Complete the Special Examination Form available from the department.
   2. Arrange with the department to take the exam.
   3. Pay the required $20 testing fee at the Cashiers' Office, D-155 ASB, and have the form validated there ($20 fee per course except for the language exams).
   4. Present the validated form to the department examiner.
   5. Have the grade and credit recorded on the form by the examiner and obtain the necessary departmental signatures.
   6. Present the completed form to the Records Office, B-150 ASB, within one year from the date the exam is taken.

B. If you are enrolled in the course when you pass its challenge exam, you **must** also complete an Add/Drop Card and drop the course. Students who drop the class after the *add deadline* (ten class days after a semester starts or six class days after a term starts) will receive a W on their transcript for dropping the course, and their ABC Report will reflect fulfillment of any GE requirement. If the course is not *officially* dropped before the drop deadline, the grade given by the instructor based on class performance will appear on the transcript of grades.

How Do You Get Help with Specific Questions Concerning General Education?

The essential information concerning general education is found in the current BYU Undergraduate Catalog. Additional, late-breaking information, plus advice, about general education requirements can be obtained from your college advisement center. The eleven college advisement centers, together with the Open Major Advisement Center, 2500 WSC, provide assistance with registration, graduation requirements, policies and procedures, fields of study, changes of major, and many other aspects of academic life. Computer terminals are available in the advisement centers and at other locations on campus to provide you with an up-to-date report of your academic status. In addition, an Advisement-by Computer (ABC) Report is sent to you early each semester. These list the GE courses you have completed and also the GE requirements that remain to be completed.

Schedule of Exemption and Challenge Examinations Given in the Testing Center

The Testing Center, 265 HGB, offers special examinations for some GE classes on the dates noted below. Please contact the appropriate academic department before going to the Testing Center for specific exam information.

FALL SEMESTER 2000

Course	Term	Exemption Exam (No Credit or Grade)	Challenge Exam (Graded Credit)	Fee (Pay at Testing Center)	Last Day to Drop w/o W on the Transcript	Department Contact
Precollege Math (Math 97)	Fall	Aug 30–Sep 11 Oct 20–25 (score of 64% and above)		$10	Sep 11	Math Lab 60 KMB
Biological Sciences (Biol 100)	Fall		Aug 30–Sep 11 Oct 20–25	$20	Sep 11	Biol 100 Office 2276 SFLC
First-Year Writing (Engl 115)	Fall		Aug 29–Sep 6	$20	Sep 11	Engl Comp Office 3110 JKHB
Physical Science (PhyS 100)	Fall	Aug 30–Sep 11 Oct 20–25 (score of 75% and above)	Aug 30–Sep 11 Oct 20–25 (score of 60% to 74%)	$10	Sep 11	PhyS 100 Office N252 ESC
American Heritage (AHtg 100)	Fall		Aug 30–Sep 11 Oct 20–25	$20	Sep 11	AHtg Office 2303 SFLC

For information regarding all other challenge examinations, please contact the department that offers the course or exam.

Testing Center Hours

	Center Open	Exams Collected	Center Vacated
Mon–Fri	8:00 a.m.	9:00 p.m.	9:30 p.m.
Sat	9:00 a.m.	12:30 p.m.	1:00 p.m.

General Education Program

Note: The courses listed in the tables on pages 16–18 are subject to change each semester. Some classes listed have approval on a trial basis and may be removed from the list at a later date. Please consult a current class schedule each semester/term to ensure that the class you take is still approved for GE. Some requirements can also be satisfied via AP or IB credit. Check with the Academic Advisement Office, B-238 ASB, telephone (801) 378-3641, for the current mapping of AP/IB exams to GE requirements.

Requirement	Options		Total Hours Req.
LANGUAGES OF LEARNING			
Precollege Math	ACT math subscore of 22 or above; SAT math subscore of 500 or above; or Math 97, 110, 111, or any higher college-level calculus course.		0–3
First-Year Writing	Engl 115, 216H, HonP 200, Phil 105, or Phil 105H.		3
Advanced Writing	Prerequisite is First-Year Writing or its equivalent. See the list of approved courses in the current class schedule. Some majors require a specific course. Recommended to be taken during junior year.		3
Advanced Languages Four options: Advanced Math, Statistics, Foreign Language, or Advanced Music	Requirement to be satisfied either in mathematics, statistics, one of three music tracks, or a foreign language. See the current class schedule for approved math, statistics, music, and foreign language classes.		3–16
***LIBERAL ARTS CORE** (Check with your college advisement center to know which courses you should take.)			
	Option A	**Option B**	
Biology	One course: Biol 100; 130; Mcbio 130; HonP 260; or Zool 101 *and* 102	One course each from two of the three groups: Group 1: Biol 150, Botny 125 Group 2: Biol 276, Zool 205, 355, 276 Group 3: Mcbio 221	3–6
Physical Science	PhyS 100; or PhyS 110A *and* 110B; or HonP 259	One course each from two of the three different departments: Chem 100, 101, 105, 111, 111H, 152 Geol 101, 101H, 103, 111, 330 Phscs 100, 105, 121, 122, 127, 127H	3–7
American Heritage	One course: AHtg 100, 100H, or HonP 240	One of the following two-course combinations: Hist 120 and PlSc 110; or Hist 120 and Econ 110; or PlSc 110 and Econ 110; or Hist 121 and PlSc 110	3–6
Wellness	HEPE 129 or three physical education or dance activity courses (See detailed information on page 17 of this class schedule.)		1.5–2
Civilization	One 201 and *one* 202 course from the approved list in the current class schedule		6
***ARTS AND SCIENCES ELECTIVES**			
Natural Sciences	Choose from the approved list.		3
Social and Behavioral Sciences	Choose from the approved list.		3
Arts and Letters	Choose from the approved list.		3
			Subtotal: 37.5**

*Classes in the Liberal Arts Core under Option B cannot be used to satisfy both the Liberal Arts Core and the Natural Sciences or Social and Behavioral Sciences Electives; one course or combination of courses cannot fulfill more than one requirement.
**Total "required" hours of general education courses equal 37.5 hours. Students may choose or be required by their department to take options that will add hours, e.g., a 6-hour core option or Foreign Language or Music Advanced Languages tracks. On the other hand, high school algebra or an ACT math score of 22 or above reduces the required GE hours to 34.5.

General Education Courses

Languages of Learning, Liberal Arts Core, and Arts and Sciences Electives

The official list of all courses that satisfy GE requirements for fall 2000 follows. In addition, a GE code appears within the class list in this class schedule. The codes identify all GE courses, both required and elective. Definitions of these codes are listed under Class List Codes on page 28.

Languages of Learning

Requirement	Two Ways to Satisfy Precollege Math Requirement		Comments or Advice
	(1)	(2)	
Precollege Math (Precollege Math is equivalent to algebra 2 in high school or Math 97 at BYU) **Note:** Math 97 is a non-credit course and requires an extra fee.	If ACT Math subscore is 22 or above or SAT Math subscore is 500 or above, then no college course is required.	Any ONE of the following math courses satisfies the Precollege Math requirement: Math 97, 110, or any higher college-level calculus course.	*Freshmen:* If your ACT Math subscore was 22 or above, you have satisfied this requirement. If your score was 21 or below and the last high school math class you passed was (1) algebra 1 or geometry, take Math 97; if (2) algebra 2, take Math 110 or the Precollege Math exemption exam administered by the BYU Testing Center. If you had a full year of college-preparatory mathematics in high school following a year of algebra 2, you have had the material contained in math 110; to satisfy the Precollege math requirement if your ACT Math subscore was less than 22, then take the exemption exam or a math course from the previous column that repeats the last course you had in high school. If you are uncertain of your preparation, please consult the Mathematics Department, 292 TMCB, (801) 378-2061. *Transfer Students:* If your ACT Math subscore was 22 or above, you have satisfied this requirement. If not, submit transfer credit equivalent to any of the courses listed in the previous column, or take the exemption exam. Regarding transfer credit, consult Transfer Evaluations, B-238 ASB, (801) 378-3641.
First-Year Writing (One course, to be completed during freshman year)	Engl 115, 216H, HonP 200, Phil 105, 105H		*Freshmen:* We **strongly** encourage you to take a First-Year Writing course even if you have received AP credit for English, because the skills taught in these courses are essential to a successful university education.
Advanced Writing (One course or sequence)	ArtHC 300; Chem 391; Engl 252, 311, 311H, 312, 313, 315, 315H, 316, 316H; MCom 320, 320H; Phil 311, 311H; HonP 300; PlSc 200 **plus** one of the following: 400, 410, 430, 450, 470; Hist 200 **plus** 490.		Completion of the First-Year Writing requirement is a prerequisite for all Advanced Writing courses. Most, but not all, programs recommend completing this requirement in the junior year. Consult your college advisement center.

Languages of Learning (continued)

Requirement		Two Ways to Satisfy Requirement	Comments or Advice
Advanced Languages (Requirement to be satisfied either in Mathematics, in one of three music tracks, or in a foreign language.)			
Mathematics		Math 112, 112H, 113, 113H, or 119; Stat 221, 221H; Phil 305	The mathematics and statistics courses have Math 110 as a prerequisite; Phil 305 has Phil 205 as a prerequisite.
Music	**Option A**	Music 205	Music 105 or equivalent and 3 hours of Music 160R are prerequisite to Music 205. See the College of Fine Arts and Communications Advisement Center for details. Recommended for non–music majors.
	Option B	Music 301	Music 301 has prerequisites. See the current BYU Undergraduate Catalog for details. Recommended for music majors only.
	Option C	Music 300, Dance 300, and TMA 300	These courses have prerequisites. See the current BYU Undergraduate Catalog for details. Recommended for music dance theatre majors only.
Foreign Language (Complete a culminating course in an approved language, or, for less commonly taught languages that have no culminating course, pass proficiency exam and then Anthr 420.) **Returned Missionaries** or others with similar foreign residency should enroll in the 300-level course listed; however, returned missionaries with proficiency in Cantonese, Mandarin Chinese, Japanese, or Korean should enroll in the appropriate 200-level course.		**Approved Culminating courses:** Afrik 202, Arab 301, ASL 301, Bulgn 202, 330, Cant 202, Chin 202, 301, Czech 202, 330, Dansh 202, 340, Dutch 202, 340, Finn 202, 340, Fren 202, 340, Germ 202, 330, Greek (Classical) 301, 302, Heb (Modern) 202, Heb Biblical) 431, Hung 202, 330, Iclnd 202, 429, Ital 202, 340, Japan 202, 221, 301, Korea 202, 301, Latin 301, 301, Norwe 202, 340, Polsh 330, Port 202, 302, 345, 355, Rom 340, Russ 202, 330, Span 202, 302, 345, 355, SrbCr 202, 330, Swed 202, 340, Ukrai 202, 330 **Less commonly taught languages:** Aymara, Cakchiquel, Indonesian, Maori, Navajo, Quechua, Rarotongan, Samoan, Tagalog, Tahitian, Thai, Tongan, Vietnamese, Welsh	For languages with approved culminating courses: The culminating courses are intended to allow the student to access major historical, intellectual, literary, and artistic accomplishments of a foreign culture in its native language. Students entering with high school, college, or extensive prior experience with a foreign language may be able to enroll directly in a culminating course. Others will require more basic instruction in the language to achieve the level necessary to succeed in the culminating course. The Humanities Publications Center Lab administers placement testing to determine the appropriate level at which students should begin their course work in 3065 JKHB, telephone (801) 378-7428. Grammar or conversation courses will not substitute for a culminating course. *For less commonly taught languages:* Students independently prepare themselves to take a proficiency exam administered by the Humanities Research Center. Following completion of the exam, students enroll in Anthr 420, where they work with cultural anthropology and linguistics faculty and conduct, in their language of choice, an ethnographic interview project. After successful completion of the proficiency exam and the foreign language section of Anthr 420, students are responsible for petitioning to have the foreign language credit posted to their transcripts. Contact the Humanities Research Center, 3060 JKHB, telephone (801) 378-3511, for additional information. *Nonnative speakers of English:* These students may fulfill the requirement through Engl 230, 232, or Hum 261. However, they are encouraged to fulfill the requirement by completing work in a language other than English or their native tongue.

Liberal Arts Core

Requirement	Ways to Satisfy Requirement		Comments or Advice
Biological Science	**Option A (Core)**	**Option B (Noncore)**	
	One course from Biol 100, Biol 130, Mcbio 130, HonP 260, Zool 101 and 102	One course each from two of the three groups: Group 1: Biol 150, Botny 125 Group 2: Biol 276, Zool 205, 355, 276 Group 3: Mcbio 221	Classes used under Option B to satisfy the core requirement cannot be used to satisfy simultaneously the Natural Sciences elective.
Physical Science	Once course from PhyS 100 or HonP 259; or PhyS 110A *and* 110B	One course each from two of the three departments: Chem 100, 101, 105, 111, 111H, 152 Phscs 100, 105, 121, 122, 127*, 127H* Geol 101, 101H, 103, 111, 330 *Astronomy classes	Classes used under Option B to satisfy the core requirement cannot be used to satisfy simultaneously the Natural Sciences elective.
American Heritage	AHtg 100, 100H, or HonP 240	One of the following two-course combinations: Hist 120 and PlSc 110; Hist 120 and Econ 110; PlSc 110 and Econ 110; Hist 121 and PlSc 110	Classes used under Option B to satisfy the core requirement cannot be used to satisfy simultaneously the Social and Behavioral Sciences elective.
Wellness	HEPE 129	Three physical education or dance activity classes: a. Three 100-level physical education or dance classes *or* b. Two 100-level physical education or dance classes *plus* one enrollment in an intercollegiate or extramural sports or dance performance company class.	An enrollment in PE 100R, 200R, 201R, Dance 468R, 478R, 488R, or 498R may be counted only one time toward the three-course requirement under Option B.
Civilization (One course that covers antiquity to the 1500s *and* one that covers from the 1500s to modern times)	***Course Number*** / ***Course Title*** ArtHC 201, 201H; 202, 202H — World Civilization to 1500; World Civilization Since 1500 ClCv 201, 202; 201H, 202H — The Classical Tradition 1, 2 CLit 201, 202; 201H, 202H — History of Civilization: Literature 1, 2 Engl 201, 202; 201H, 202H — Masterpieces of World Literature 1, 2 Hist 201, 201H; 202, 202H — World Civilization to 1500; World Civilization Since 1500 HonP 201, 202 — History of Civilization 1, 2 Hum 201, 202; 201H, 202H — Arts in Western Culture 1, 2 Mfg 201, 202 — History of Creativity in the Arts, Science, and Technology 1, 2 Music 201, 202 — History of Civilization: Music 1, 2 Phil 201, 202; 201H, 202H — History of Philosophy 1, 2 Phil 210, 211; 210H, 211H — Science of Civilization 1, 2 PlSc 201, 202; 201H, 202H — Western Political Heritage 1, 2		A number of departments offer two-course sequences arranged chronologically, with the dividing line at approximately 1500 A.D. Students are to take one class from each of the two time periods. The courses need not be taken from the same department nor in chronological order. Some major programs specify a particular civilization sequence, so students are advised to check major requirements before selecting their civilization courses.

Arts and Sciences Electives

Requirement	Ways to Satisfy Requirement	Comments or Advice
Arts and Letters (One course) In addition to the courses listed to the right, courses offered by the Honors Program with numbers HonP 203–220* or HonP 303–320 or by the General Education and Honors Office with numbers GE 203–220 or GE 303–320 will fill an Arts and Letters elective. *HonP 214R is ***not*** an Arts and Letters elective.	***Course Number*** — ***Course Title*** ArtHC 111 — Introduction to Art History ArtHC 260 — Survey of Western Architecture ClCv 110, 110H — Introduction to Greek and Roman Literature ClCv 241, 241H — Greek and Roman Mythology ClCv 245 — Golden Age of Greece ClCv 246 — Golden Age of Rome Comms 150 — Public Speaking Dance 260, 260H — Introduction to Dance Engl 230 — Fiction, Drama, Poetry Engl 232 — Shakespeare Engl 235 — Masterpieces of American Literature Engl 236 — Masterpieces of English Literature Engl 300 — English Literature in a Cultural Setting Engl 336 — The American Novel Engl 350 — The Bible as Literature Engl 359 — The Short Story Engl 368 — Literature of the Latter-day Saints Engl 391 — Introduction to Folklore FnArt 270 — European Fine Arts Foreign Literature Chin 344; Germ 430, 431; Ital 460; Japan 343, 344, 353, Korea 340; Port 339; Russ 241, 242; Span 339. Enrollment in an ensemble course before concurrent enrollment in Music 200 will not count toward filling the elective requirement. You will be responsible for having the Arts and Letters credit posted to your transcript after completing the combination. This can be accomplished at your college advisement center. Music majors will not receive elective credit for Music 200 or the ensemble courses. VAStu 100 must be taken prior to or concurrently with the studio course. Once both classes have been completed, the student is responsible for having the Arts and Letters credit posted to the transcript.

Arts and Sciences Electives (continued)

Natural Sciences
(One course)

In addition to the courses listed below, courses offered by the Honors Program with numbers HonP 241–258 or HonP 341–358 or by the General Education and Honors Office with numbers GE 241–258 or GE 341–358 will fill a Natural Sciences elective.

Brigham Young University Honors Program

University Honors is a distinction awarded to all graduates of BYU who have met the honors requirements in general education as described below. This prestigious designation is recorded on the university diploma, on the official transcript of grades, and in the graduation program. It is widely recognized as an indication of exceptional academic achievement.

Participation in Honors

Honors education provides an unusually rich and challenging experience for capable and motivated undergraduate students. Its purpose is to assist students as they establish lifelong patterns of learning and appreciation of the world's great treasures of knowledge. Honors education is not merely a more intensive general education or a more strenuous program in a major. Rather, it provides students with the advantages of an enriched education in a small-class setting with excellent professors, while utilizing all of the advantages of a large university. Students who pursue an honors education at Brigham Young University take honors courses that meet general education requirements and participate in an intensive honors thesis experience in their major.

To graduate from BYU, students must meet not only the requirements of a major department but also the requirements of general education and religion. Most students complete the nonmajor requirements through courses in the general university curriculum. Because all students must complete general education requirements, some required general education classes have high enrollments, and there is little opportunity for students to interact with the professors. The Honors Program invites capable and motivated students to satisfy general education and religion requirements through honors as alternatives to the standard general and religious education programs. Honors courses have small enrollments (usually less than 30 students per class) and are focused on class discussion and writing.

Although it is hoped that students will choose to complete all of the requirements for the University Honors designation, those who do not intend to do so are welcome to participate in the Honors Program to whatever extent they choose. All students are invited to consider honors as a way to achieve the kind of academic experiences they seek. Students may register for honors courses at any time during their undergraduate years without necessarily intending to complete all the honors graduation requirements.

Honors education is open to all students who choose to participate; there is no formal membership in the Honors Program. Students who intend to graduate with University Honors should complete a commitment form that may be obtained from the Honors Advisement Center in 102A Maeser Building (MSRB).

Facilities and Opportunities Available to Honors Students

The Honors Program is housed in the historic Maeser Building on the southwest part of campus. This quiet corner of campus is surrounded by beautiful grounds and wooded areas. The building is named after Karl G. Maeser, the first principal of Brigham Young Academy (the school that later became Brigham Young University). A bronze statue of Karl G. Maeser stands at the building's east entrance. The Maeser Building was constructed in 1911 and is the oldest building on the current campus. Its marble halls are richly decorated with oak and brass trim. The building was restored in 1985 with modern electrical and ventilation systems, but its historic architecture and decoration were retained.

Facilities for honors students in the Maeser Building include the Honors Reading Room in 150 MSRB, with study tables and a small library of reference works and classics; the Honors Common Room in 102 MSRB where students can meet for informal discussions; an art gallery in the lower-floor hall; the Honors Advisement Center in 102A MSRB, where students receive counseling about their honors education; and the Martha Jane Knowlton Coray Lecture Hall in 321 MSRB, where classes, lectures, and musical concerts are held.

Students who have committed to graduate with University Honors and are active participants in the Honors Program are eligible for reduced-rate or free admission to selected musical and theatrical performances, some of which include visiting performers of international renown. They also have priority registration privileges for honors courses. The Honors Program sponsors lectures, concerts, symposia, and socials. The students can also participate in intercampus events with honors students from other universities and colleges. Each week during fall and winter semesters the Honors Program sponsors an honors devotional featuring a religious presentation by a professor or member of the community. Students are invited to participate with the Honors Student Advisory Council, a group of student representatives who assist in policy development, social activities, and academic functions of the Honors Program.

Who Should Participate in Honors

The characteristics that best define honors students are motivation and a strong desire to obtain the most from the educational experience that BYU has to offer. Honors students seek breadth in their education by taking honors courses outside their majors. They excel within their majors by learning how to conduct research and scholarly work within their chosen fields. They usually tend to work harder and spend more time on their course work than other students, not because their courses are more difficult but because they take courses that interest them. They attend concerts, plays, films, lectures, and art exhibitions, and they participate in informal discussions with their professors and fellow students. Because many of their classes are small and discussion-oriented, they are personally acquainted with their professors. They become well-rounded, literate, and humane scholars whose faith in the restored gospel is strong. Their thirst for knowledge lasts a lifetime. They are not necessarily those with the highest grade-point averages or the highest standardized test scores, nor do all honors students have scholarships. Approximately 9 percent of the BYU student body participates in honors, but many of these students do not complete all of the requirements for graduation with University Honors. To whatever degree students participate in honors, they benefit from an enriched education. The Honors Program invites all BYU students who seek enhancement in their educational experience to take advantage of the many opportunities that the Honors Program offers.

Overview of Requirements for Graduation with University Honors

This section provides a brief overview of the requirements to graduate with University Honors. Detailed explanations of each requirement follow this section. The staff in the Honors Advisement Center, 102A MSRB, (801) 378-5497, is available to answer questions about honors requirements. To graduate with University Honors, a student must:

1. Commit to graduate with University Honors and consult with an Honors Advisement Center representative once each semester.
2. Complete the honors curriculum requirement.
3. Complete the honors Great Works requirement.
4. Complete the honors Advanced Languages requirement.
5. Complete the honors service requirement.
6. Complete the honors thesis requirement.
7. Have a cumulative grade point average of at least 3.5.
8. Submit a graduation portfolio that summarizes the student's honors experiences.

These requirements for graduation with University Honors are intended to enhance all three components of a student's BYU undergraduate education: major education, general education, and religious education. The honors curriculum, Great Works, and Advanced Languages requirements enhance the general and religious education components, and the honors thesis requirement enhances the major education component.

Detailed Explanations of Requirements for Graduation with University Honors

1. Commitment to Graduate with University Honors and Consult with an Honors Advisement Center Representative Once Each Semester.

Students may commit to graduate with University Honors at any time during their undergraduate years by completing a form available at the Honors Advisement Center. Students who have formally committed to graduate with University Honors have certain privileges, among them the opportunity to preregister for honors courses and to receive reduced-rate admission to certain musical and theatre performances and films. To keep the commitment current, students must enroll in at least one honors course per semester for the first two years in the program and consult with an Honors Advisement Center representative once each semester. Consultation with the advisement center allows the Honors Program to know students' plans so advisement personnel can help them register for the correct classes and keep them informed of honors activities.

2. Honors Curriculum Requirement.

Nearly all honors courses and honors sections of department courses meet the general and religious education requirements that all BYU students must complete. Students should consult the "University Honors Program Course Guide" to be sure which general and religious education requirements are met by the courses for which they choose to register.

To fulfill the honors curriculum requirements, students must complete 22 credit hours selected from honors courses and honors sections of department courses, subject to the following limitations:

a. Three of the 22 credit hours must be from one of the following writing courses: HonP 200, Phil 105H, or Engl 200H.
b. No more than 12 credit hours from honors sections of department courses can be used to meet this requirement. Of these, no more than 4 credit hours can be from honors sections of religion courses.
c. No more than 3 credit hours of HonP 214R can be used to meet this requirement.

All BYU students must complete at least 37.5 credit hours to meet general education requirements and 14 credit hours to meet religious education requirements. Honors options are available for nearly all of these requirements. HonP 499R (honors thesis) does not count as credit for the honors curriculum requirement but can be used as credit for completion of the honors thesis requirement.

3. Great Works Requirement.
The honors Great Works requirement introduces you to the world's treasures of literature, music, theatre, film, and art. It is intended to enhance not just their undergraduate education but their entire life as it encourages them to develop a lifelong pattern of experiencing the great works of humanity. Students can fulfill this requirement entirely on their own, or they may include works of literature, music, theatre, film, and art that they study as part of their course work. BYU provides many opportunities to fulfill this requirement within its course offerings and its rich schedule of musical, theatrical, and artistic productions. Some of the Great Works are part of many honors courses. The Honors Program provides reduced-rate admission for honors students to attend selected performance events. Most faculty and student recitals and most art exhibitions are open to students and the public with no admission charge.

This requirement must be met during the time students are undergraduates. They cannot reduce the requirement by counting works that they studied during high school. Students will benefit most from this requirement if they spread it out over their undergraduate years. Each area requires students to study or attend sixteen works, performances, or exhibitions—which is four per year in each area if spread out over a period of four years. A packet entitled "How to Complete the Honors Great Works Requirement" provides detailed information about this requirement and is available in the Honors Advisement Center (102A MSRB) or electronically at http://ucs.byu.edu/gened/honors/greatworks/. This packet includes the detailed information students will need and a checklist that they can use to ensure that they properly complete this requirement.

To fulfill this requirement during their four years as an undergraduate, students must:

a. Read sixteen works of literature from the approved reading list in the "How to Complete the Honors Great Works Requirement" packet or from approved substitutions to that list. Students must choose at least one work from each of the following categories of literature in the Western tradition: classical, medieval, renaissance and reformation, seventeenth and eighteenth centuries, nineteenth century, and twentieth century; and at least one work from the non-Western tradition. The remaining nine works can be from any of the time periods and from Western or non-Western traditions. As students make their selections, they should choose at least one work from each of the following fields: science and mathematics, social science, female authors, and persons of color.

   Inclusion of works not on the approved list is permitted but requires completion of a substitution letter (information available in the Honors Advisement Center) that must be preapproved by the dean or an associate dean of General Education and Honors before students begin reading the substituted work.
b. Attend students' theatrical performances, including at least one play by Shakespeare.
c. Attend students' musical performances. The performances must include at least two symphonies, one concerto, one opera, four faculty or student recitals, one jazz performance, and one dance performance.
d. Attend students' films presented through BYU's Department of Theatre and Media Arts or the International Cinema program. At least eight of the films should be in a language other than English. (Foreign language films shown in International Cinema have English subtitles.)
e. Attend students' art exhibitions (either traveling exhibitions or permanent collections) at local art museums (BYU Museum of Art, Springville Museum of Art, and Church Museum of History and Art) and/or at renowned national or international art museums. Students who have the opportunity to travel are strongly encouraged to visit renowned national or international art museums to meet this requirement.
f. As part of their graduation portfolio, students submit ten response papers that examine two works of literature, two theatrical works, two pieces of music, two films, and two works of art from the lists included in the "How to Complete the Honors Great Works Requirement" packet. The packet also contains detailed instructions on how to write responses.

4. Honors Advanced Languages Requirement.
Honors students must gain proficiency in a foreign language (at least two semesters of foreign language study, or the equivalent) and proficiency in advanced mathematics, statistics, or logic (at least one course from Math 112, 112H, 113, 113H, 119, Stat 221, 221H, Phil 305, or an acceptable substitute). Fulfillment of this requirement meets and exceeds the general education advanced languages requirement.

5. Honors Service Requirement.
Students who participate in honors are invariably gifted and highly motivated. The Honors Program encourages students to share their gifts with others through meaningful service. To complete this requirement students must participate in some form of service that draws upon their unique talents and abilities during their undergraduate years. This requirement is flexible in that it allows students to define the form of service they plan to use to meet this requirement. Their contribution may be in a single project or spread out over several projects. Examples of service projects that students have used to complete this requirement include volunteer tutoring of high school or college students; assistance in programs that benefit people who are handicapped, elderly, ill, or impoverished; service as a volunteer in museums, hospitals, parks, or other public facilities; and participation on restoration or conservation projects. This service can be part of activities sponsored by educational, religious, government, business, or charitable organizations, including BYU and the LDS Church, or students can plan and carry out service on their own. For those students who serve full-time LDS missions, the service that meets this requirement should be carried out while a student and should be in addition to any service performed as a full-time missionary. Missions often provide students with skills and opportunities that they can use to provide significant service after their full-time missions are completed.

6. Honors Thesis Requirement.
The honors thesis requirement gives students the opportunity to participate in original research or creative work in the discipline of their major. Honors students typically complete the thesis requirement during their junior and senior years after they have obtained sufficient training in their major to conduct independent work in a specialized academic field. Each student chooses a faculty advisor in the department of his or her major and in consultation with the advisor chooses a thesis topic. The topic must be one that is acceptable for a master's thesis in the discipline. The level of an honors thesis does not need to be as high as a master's thesis, although many honors theses achieve the same level as a good master's thesis.

Students should complete significant course work within the subject area of the thesis (usually at least 30 credit hours, several of which are from 300- or 400-level major courses). The thesis is intended to acquaint students firsthand and in depth with the type of scholarly work that characterizes the field they intend to pursue professionally. For these reasons, only under very rare circumstances is an honors thesis topic outside the major area approved. In most cases students who complete a thesis outside the major do so in a very closely related area. In a few cases a thesis topic outside a student's major may be approved if the student intends to pursue a career in the area of the thesis and has significant academic preparation in that area. For example, a music major who intends to enroll in medical school may have taken 30 credit hours of course work in chemistry, mathematics, physics, and biology in preparation for medical school and may complete a thesis in an area such as cancer research, even though the thesis has little to do with the student's major. In the absence of such justification, students should not pursue thesis work outside their majors.

Before students begin work on an honors thesis, they must submit a written thesis proposal and have it approved by the Honors Program Office. Guidelines for writing the thesis proposal are available in a packet entitled "How to Complete the Honors Thesis Requirement" that will soon be available in the Honors Advisement Center or electronically at http://ucs.byu.edu/gened/honors/thesis/. Students can request financial support as a part of the thesis proposal. Many honors students obtain competitive undergraduate research grants from BYU's Office of Research and Creative Activities for honors thesis work. Also, many professors and departments have research funding that can be devoted to research on an honors thesis. Personnel in the Honors Program Office can help students explore the various opportunities that are available to support their work on an honors thesis.

After the thesis research is complete and the thesis is written, each student must present a thesis defense. The thesis advisor, a faculty referee, and the dean or an associate dean of General Education and Honors will attend the thesis defense. After the thesis defense is completed and all final changes are incorporated into the thesis, the Honors Program will have the thesis bound and make it available for others to read.

7. Cumulative Grade Point Average (GPA) of at Least 3.5.
Honors students are not necessarily those with the highest GPAs, although most perform very well in their classes. Rather than select easy courses to receive high grades, honors students tend to seek challenging courses taught by excellent professors, and they participate in a variety of activities. Honors students are expected to perform well academically, defined as a minimum GPA of 3.5 at the time of graduation.

8. Graduation Portfolio That Summarizes the Honors Experiences.
The honors portfolio is a record of the student's undergraduate experience. It is a file kept by all candidates for University Honors graduation and is submitted for review at the same time the completed thesis is submitted. The portfolio contains samples of the student's best academic work from his or her undergraduate program. Although students should place their best work in the portfolio, the file is intended as a record of growth; thus early struggling attempts also have their place. It is always illuminating to students to see where they have been and how far they have come.

When submitted for examination, the portfolio should contain (but is not limited to):

a. A one- or two-page summary, semester by semester, of the major highlights and achievements of the student's undergraduate experience.
b. A one-page evaluation of the most memorable service the student contributed as an undergraduate.

c. A current transcript indicating a GPA of at least 3.5.
d. A list of three faculty members who know the student and can recommend his or her academic record.
e. A representative collection of the student's best academic work, reflecting educational progression throughout the undergraduate years.
f. Ten Great Works response papers.

Note: The general Web site for the BYU Honors Program is http://ucs.byu.edu/gened/honors/.

Honors Courses

Dates and times for honors classes are listed in the class list of this class schedule under Honors or by any class with the suffix *H* accompanied by a section number in the 200s.

The "University Honors Program Course Guide" also contains a complete list of honors courses and detailed course descriptions. It is an essential supplement to the current undergraduate catalog and this class schedule. To obtain the course guide or further information about the Honors Program, contact the Honors Advisement Center, 102A MSRB, telephone (801) 378-5497.

Brigham Young University Academic Standards

Academic Support Office, 2500 WSC, (801) 378-2723

A student's academic standing at BYU is determined according to the grades that the student earns at BYU. The following outline shows the conditions and expectations according to the student's academic standing. **Note:** College advisement centers (CACs) may also set registration blocks on students not progressing toward timely graduation. In such cases, students must also meet with their CAC to have this block removed.

ACADEMIC STANDING		*UNDER THESE CONDITIONS*	*EXPECTATIONS*
GOOD	SATISFACTORY	When the most recent semester/term GPA and the BYU cumulative GPA are 2.0 or above.	The student should continue to maintain a BYU cumulative GPA of 2.0 or higher until graduation.
GOOD	PREVIOUS	The same as Satisfactory standing but distinguishes students who have been on Probation or Suspension standing in the past.	The student should continue to maintain a BYU cumulative GPA of 2.0 or higher until graduation. The student will go directly to Probation if in the future the student has a semester or term GPA below 2.0.
WARNING	WARNING **Includes** a registration block.	When the most recent semester/term GPA is below 2.0 and the student has not been on Probation or Suspension standing in the past. OR When the most recent semester/term GPA is 2.0 or higher but the BYU cumulative GPA is below 2.0 and the student has not been on Probation or Suspension standing in the past.	The student must contact the Academic Support Office to review the student's academic standing. Any enrollment beyond the current semester/term will be dropped, and the student **WILL NOT** be allowed to register for future semesters/terms until faculty mentor support is obtained and the student is cleared through the Academic Support Office.
PROBATION	PROBATION **Includes** a registration block.	When the most recent semester/term GPA is below 2.0 and the student was on Warning standing. OR When the most recent semester/term GPA is below 2.0 and the student has been on Probation or Suspension in the past (was on Previous standing). OR When the most recent semester/term GPA is 2.0 or higher but the BYU cumulative GPA is below 2.0 and the student has been moved to Probation standing.	The student must contact the Academic Support Office to review the student's academic standing. Any enrollment beyond the current semester/term will be dropped and the student **WILL NOT** be allowed to register for future semesters/terms until faculty mentor support is obtained and the student is cleared through the Academic Support Office. **Note:** If a student is receiving university or federal financial aid, the student must also contact the Financial Aid Office, A-41 ASB, (801) 378-4104. Students on Probation are usually not eligible for financial aid.
SUSPENDED	SUSPENSION	When the most recent semester/term GPA is below 2.0 and the student was on Probation standing. OR When a student fails to comply with the conditions prescribed by the Academic Standards Committee.	1. A student who is academically suspended from BYU will be dropped immediately from all enrollment in day, evening, or extension classes (except Independent Study). 2. A suspended student is denied enrollment in BYU day, evening, or extension classes (except Independent Study) for a minimum of twelve months. After twelve or more months out of BYU, the student may apply for readmission for winter semester or spring or summer term. If the student completes any college-level work while on Suspension, the student must receive an overall GPA of 3.0 or higher to be allowed readmission to BYU. The student should contact the Admissions Office, A-153 ASB, (801) 378-2507, for details and pertinent information about deadlines for consideration and expectations upon readmission. 3. A student with extenuating circumstances who has appropriate support and justification may appeal the twelve-month period out of BYU through the Academic Standards Committee. The student should contact the Academic Support Office for assistance. No other appeals will be considered. 4. "SUSPENSION FOLLOWING (specific semester/term)" will be noted on the student's official BYU transcript.
SUSPENDED	DISMISSED	When a student is suspended a second time from the university.	"DISMISSED FOLLOWING (specific semester/term)" will be noted on the student's official BYU transcript. The student is denied any future enrollment at Brigham Young University. No appeals will be considered.

Graduate Studies

Brigham Young University offers doctoral and master's degrees in a broad range of fields, as well as professional degrees in law and management. The doctoral degree requires you to demonstrate an impressive scholarly competence, which includes the ability to conduct and report significant research in a highly effective way. Advanced systematic study in a discipline is also essential, and it is followed by comprehensive examinations that require you to integrate and understand the collective knowledge of your discipline. An impeccably written dissertation resulting from independent research is scrutinized and tested in a concluding oral examination. The master's degree also requires advanced course work, demonstrated mastery in vital aspects of a discipline, skill in research methodology and theory, and preparation for future creative work. Nearly all nonprofessional master's programs at Brigham Young University require integrating examinations and a major culminating piece of written work—usually a thesis, sometimes a project—and an oral examination on that work. Professional programs also demand high-level performance of students, blending scholarly insight with technical knowledge and skill.

Admission to Graduate Study

Application to graduate study is made through the Office of Graduate Studies, B-356 ASB, PO Box 21339. Except in a small number of integrated programs, the bachelor's degree is required before you may register in a graduate program. Admission to graduate study is determined by individual departments, once standard university requirements have been met. Applicants are admitted to study in specific programs, many of which are highly selective and admit only a limited number of students each year. If you are a prospective applicant, you should communicate your interest to the specific departments to which you wish to apply, and they will forward program and admission information. Also, applicants may now apply online at http://www.byu.edu/gradstudies/admissions/applications/onlineapp.html.

Advisement of Graduate Students

Once admitted to a department graduate program, you are advised by particular faculty members and the department graduate coordinator rather than through college advisement centers. Direct general questions about university admissions, procedures, and graduation to the Office of Graduate Studies, where advisors work individually with students and departments in admitting students and seeing them through their programs to graduation. Graduate students should read and regularly consult the current BYU Graduate Catalog for information about university policies and procedures as well as department programs.

Degree Requirements

University minimums require 54 credit hours for the doctoral degree and 30 credit hours for the master's degree. A number of programs, particularly professional programs, require more than those minimums. The highly individual nature of graduate work is reflected in the specialized programs offered by departments and the selection of courses appearing on each student's program of study. Except in professional programs, programs of study are tailored for individual students, and their progress through those courses is tracked by the Office of Graduate Studies and reported to the students and their department advisors three times a year.

Graduate Curriculum

Graduate courses in the university are numbered in the five, six, and seven hundreds. Seniors with exceptional ability may, on occasion, register for courses numbered in the 500 series but should be aware that such courses are taught at a graduate level, and expectations may exceed the undergraduate's preparation. Graduate courses generally require significant research and individual initiative.

Registration Requirements

Given the more intensive nature of graduate study, a normal semester registration is from 9 to 12 credit hours. Some programs limit students to a 6-hour registration. It is the responsibility of each graduate student to understand and follow both the general university requirements for graduate work and the specific department requirements for individual programs.

U.S. graduate students must register for a minimum 6 semester hours per academic year and must be registered for a minimum 2 semester hours in the semester or term in which they are (a) admitted into a graduate program or (b) plan to graduate. No D, E, UW, NS, or I grades; audits; or correspondence courses may count toward these totals or toward a graduate degree.

Immigration regulations require international students to register for at least 9 semester hours each fall and winter semester until they have fewer than 9 credit hours remaining to finish their programs. Then they must register for at least 2 semester hours and receive clearance from International Services, 1351 WSC, PO Box 25520.

Academic Standards

Grade Point Average (GPA) Requirements

Graduate students whose graduate program of study GPA falls below 3.0 (prerequisite and skill courses are exempted) will not be allowed to graduate and may be dismissed from their graduate programs. No D credit may apply toward a graduate degree.

Annual Reviews of Graduate Students

Departments are asked to make a formal evaluation of the performance of graduate students at least once a year; some evaluate more frequently. Each department establishes its own evaluation criteria and the standards it requires graduate students to meet, but generally evaluations are based on students' total academic performance, their fulfillment of program requirements (program of study submitted, courses completed on schedule, prospectus approved by department, student advanced to candidacy), and their professional performance (including quality of teaching and research).

Enrollment Verification

Graduate students may request verification of their enrollment status as full-time or part-time students, for loans or for other purposes, from the Records Office, B-150 ASB, PO Box 21114, telephone (801) 378-2631. Registration for a minimum 8.5 credit hours constitutes full-time enrollment in a semester, and 4.5 credit hours does so in a term. Registration for fewer hours constitutes part-time enrollment.

Graduate students (master's and doctoral students) who are enrolled for at least 2 hours per semester, and who can be certified by their department as being engaged full-time in pursuit of their degrees, can petition for graduate full-time status. Requests for such an exception should be directed to the Office of Graduate Studies.

Campus Privileges for Graduate Students

Graduate students who are registered for at least 2 hours per semester or 1 hour per term receive a university (ID) activity card and are eligible for all on-campus privileges afforded students who are registered full-time, i.e., on-campus employment, student housing, student insurance, intramurals, use of physical education facilities, graduate parking permits, and discount admission to sporting and cultural events.

Changing Degree Levels

With department approval, students may change from one degree level to another within a department and without interruption of enrollment. Request the change by submitting to the Office of Graduate Studies a Request to Change Degree Level (Form 1c), paying the application fee, and following the instructions on the back of the form. After receiving a department's recommendation to approve or deny the request, the Office of Graduate Studies will officially notify you.

Changing Departments

To change departments, you must submit another complete application, including another application fee, by the required deadline for the new program.

Discontinuance from BYU

Graduate students who wish to withdraw from the university must initiate that process at the Discontinuance Office, B-150 ASB, telephone (801) 378-7705.

Termination of Graduate Status

Termination of graduate status may result if you:

1. Fail to fulfill the university's minimum registration requirement.
2. Fail to meet the degree time limit.
3. Make a request to withdraw (with the intent to pursue a degree at another university, for personal reasons, or in response to department recommendation).
4. Receive a Marginal or Unsatisfactory rating in a periodic review by the academic department and are unable or unwilling to comply with conditions for continuance outlined by the department.
5. Fail to make what the department or the university deems to be satisfactory progress toward a graduate degree.
6. Fail the departmental comprehensive examination.
7. Fail the final oral examination (defense of dissertation, thesis, or project).
8. Violate the university's Honor Code.

Church Educational System Honor Code

Brigham Young University, Brigham Young University—Hawaii, Ricks College, and LDS Business College exist to provide an education in an atmosphere consistent with the ideals and principles of The Church of Jesus Christ of Latter-day Saints. That atmosphere is created and preserved through commitment to conduct that reflects those ideals and principles. Members of the faculty, administration, staff, and student body at BYU, BYU—H, Ricks College, and LDSBC are selected and retained from among those who voluntarily live the principles of the gospel of Jesus Christ. Observance of such is a specific condition of employment and admission. Those individuals who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standards of conduct, except church attendance. All who represent BYU, BYU—H, Ricks College, and LDSBC are to maintain the highest standards of honor, integrity, morality, and consideration of others in personal behavior. By accepting appointment on the faculty, continuing in employment, or

continuing class enrollment, individuals evidence their commitment to observe the Honor Code standards approved by the Board of Trustees "at all times and . . . in all places" (Mosiah 18:9).

Honor Code Statement

We believe in being honest, true, chaste, benevolent, virtuous, and in doing good to all men. . . . If there is anything virtuous, lovely, or of good report or praiseworthy, we seek after these things.
—THIRTEENTH ARTICLE OF FAITH

As a matter of personal commitment, students, faculty, and staff of Brigham Young University, Brigham Young University—Hawaii, Ricks College, and LDS Business College seek to demonstrate in daily living on and off campus those moral virtues encompassed in the gospel of Jesus Christ, and will

Be honest
Obey the law and all campus policies
Live a chaste and virtuous life
Use clean language
Respect others
Abstain from alcoholic beverages, tobacco, tea, coffee, and substance abuse
Observe the Dress and Grooming Standards
Participate regularly in church services
Encourage others in their commitment to comply with the BYU Honor Code.

Specific policies embodied in the Honor Code include (1) the Academic Honesty Policy, (2) the Dress and Grooming Standards, (3) the Residential Living Standards, and (4) the Continuing Student Ecclesiastical Endorsement. (Refer to institutional policies for more detailed information.)

Academic Honesty Policy

The first injunction of the BYU Honor Code is the call to "be honest." Students come to the university not only to improve their minds, gain knowledge, and develop skills that will assist them in their life's work, but also to build character. "President David O. McKay taught that character is the highest aim of education" (The Aims of a BYU Education, p. 6). It is the purpose of the BYU Academic Honesty Policy to assist in fulfilling that aim.

BYU students should seek to be totally honest in their dealings with others. They should complete their own work and be evaluated based upon that work. They should avoid academic dishonesty and misconduct in all its forms, including but not limited to the following: plagiarism, fabrication or falsification, cheating, and other academic misconduct.

Plagiarism

Intentional plagiarism is a form of intellectual theft that violates widely recognized principles of academic integrity as well as the Honor Code. Such plagiarism may subject the student to appropriate disciplinary action administered through the university Honor Code Office, in addition to academic sanctions that may be applied by an instructor. Inadvertent plagiarism, although not in violation of the Honor Code, is nevertheless a form of intellectual carelessness that is unacceptable in the academic community. Plagiarism of any kind is completely contrary to the established practices of higher education, where all members of the university are expected to acknowledge the original intellectual work of others that is included in one's own work. In some cases, plagiarism may also involve violations of copyright law.

Intentional Plagiarism

Intentional plagiarism is the deliberate act of representing the words, ideas, or data of another as one's own without providing proper attribution to the author through quotation, reference, or footnote.

Inadvertent Plagiarism

Inadvertent plagiarism involves the inappropriate, but nondeliberate, use of another's words, ideas, or data without proper attribution. Inadvertent plagiarism usually results from an ignorant failure to follow established rules for documenting sources or from simply being insufficiently careful in research and writing. Although not a violation of the Honor Code, inadvertent plagiarism is a form of academic misconduct for which an instructor can impose appropriate academic sanctions. Students who are in doubt as to whether they are providing proper attribution have the responsibility to consult with their instructor and obtain guidance.

Examples of Plagiarism

Direct Plagiarism—The verbatim copying of an original source without acknowledging the source.

Paraphrased Plagiarism—The paraphrasing, without acknowledgment, of ideas from another that the reader might mistake for your own.

Plagiarism Mosaic—The borrowing of words, ideas, or data from an original source and blending this original material with one's own without acknowledging the source.

Insufficient Acknowledgment—The partial or incomplete attribution of words, ideas, or data from an original source.

Plagiarism may occur with respect to unpublished as well as published material. Acts of copying another student's work and submitting it as one's own individual work without proper attribution is a serious form of plagiarism.

Fabrication or Falsification

Fabrication or falsification is a form of dishonesty where a student invents or distorts the origin or content of information used as authority. Examples include

1. Citing a source that does not exist.
2. Attributing ideas and information to a source that are not included in the source.
3. Citing a source for a proposition that it does not support.
4. Citing a source in a bibliography when the source was neither consulted nor cited in the body of the paper.
5. Intentionally distorting the meaning or applicability of data.
6. Inventing data or statistical results to support conclusions.

Cheating

Cheating is a form of dishonesty where a student attempts to give the appearance of a level of knowledge or skill that the student has not obtained. Examples include

1. Copying from another person's work during an examination or while completing an assignment.
2. Allowing someone to copy from you during an examination or while completing an assignment.
3. Using unauthorized materials during an examination or while completing an assignment.
4 Collaborating on an examination or assignment without authorization.
5. Taking an examination or completing an assignment for another, or permitting another to take an examination or to complete an assignment for you.

Other Academic Misconduct

Academic misconduct includes other academically dishonest, deceitful, or other inappropriate acts that are intentionally committed. Examples of such acts include but are not limited to

1. Inappropriately providing or receiving information or academic works so as to gain unfair advantage over others.
2. Planning with another to commit any act of academic dishonesty.
3. Attempting to gain an unfair academic advantage for oneself or another by bribery or by any act of offering, giving, receiving, or soliciting anything of value to another for such purpose.
4. Changing or altering grades or other official educational records.
5. Obtaining or providing to another an unadministered test or answers to an unadministered test.
6. Breaking and entering into a building or office for the purpose of obtaining an unauthorized test.
7. Continuing work on an examination or assignment after the allocated time has elapsed.
8. Submitting the same work for more than one class without disclosure and approval.

Procedures for Handling Incidents of Academic Dishonesty or Other Academic Misconduct

Faculty are responsible to establish and communicate to students their expectations of behavior with respect to academic honesty and the student's conduct in the course. The responsible instructor shall investigate the incident, determine the facts, and take appropriate action. Instructors should also notify the Honor Code Office of the final disposition of any incident of academic dishonesty to encourage appropriate behavior and to discourage repeated violations. If the incident of academic dishonesty involves the violation of a public law, e.g., breaking and entering into an office or stealing an examination, the act should also be reported to University Police. If an affected student disagrees with the determination or action and is unable to resolve the matter to the mutual satisfaction of the student and the instructor, the student may have the matter reviewed through the university's grievance process (Student Academic Grievance Procedure).

Applicable Actions

A wide range of possible actions exists for cases of academic dishonesty. Instructors should take actions that are fair and equitable under the circumstances and should attempt to reach an understanding with the affected student on the imposition of an appropriate action. In some cases, the department, the college, or the university may also take actions independent of the instructor. Examples of possible actions include but are not limited to the following:

For instructors, programs, departments, and colleges:

- Reprimanding the student orally or in writing.
- Requiring work affected by the academic dishonesty to be redone.
- Administering a lower or failing grade on the affected assignment, test, or course.
- Removing the student from the course.
- Recommending probation, suspension, or dismissal.

For the university:

The university may elect to place an affected student on probation or to suspend or dismiss the student, and to place a temporary or permanent notation on

the student's permanent academic transcript that he or she was suspended or dismissed due to academic misconduct.

The university may report an incident of academic misconduct to appropriate law enforcement officials and may prosecute an affected student if the act in question involves the commission of a crime (e.g., breaking into an office or building, stealing an examination, etc.).

Honor Code Office Involvement

The Honor Code Office will maintain a record of all violations of the Academic Honesty Policy reported to it by the faculty. If the occurrence is sufficiently egregious or if a pattern of dishonesty or misconduct is discovered, the Honor Code Office may take additional action on behalf of the university based upon the nature of the infraction(s). The Honor Code Office, in consultation with the involved academic personnel, may determine to place a student on probation or to recommend a student be suspended or dismissed for academic dishonesty and other forms of academic misconduct.

Shared Responsibility Policy Statement

Students are responsible not only to adhere to the Honor Code requirement to be honest but also to assist other students in fulfilling their commitment to be honest.

Faculty Academic Integrity

The substantive standards of academic honesty stated in this policy apply *a fortiori* to faculty. Indeed, all members of the BYU community are expected to act according to the highest principles of academic integrity.

Sources

A large number of publications and policies of colleges and universities were reviewed in creating BYU's Academic Honesty Policy. Some of the content and structure of this policy were adapted from the following sources:

1. "Academic Honesty," a brochure produced by the Office of Judicial Affairs, University of Florida.
2. "Academic Honesty and Dishonesty," a brochure produced by the Office of the Dean of Students, University of Delaware.
3. "Academic Honesty and Dishonesty," a brochure produced by the Dean of Students' Office, Louisiana State University.
4. "A Statement on Plagiarism," a committee report from the October 1994 Conference on the Center for Academic Integrity, Tom Langhorne, Binghamton University (chair).
5. "Definition of Plagiarism," by Harold C. Martin, taken from *The Logic and Rhetoric of Exposition*, by Harold C. Martin, Richard M. Ohmann, and James H. Wheatly, 3rd ed. (New York: Holt, Rinehart and Winston, 1969).
6. *Legal Aspects of Plagiarism*, by Ralph D. Mawdsley (Topeka, Kansas: National Organization on Legal Problems of Education, 1985).
7. "Plagiarism—The Do's and Don'ts," a brochure produced by the Office of Student Judicial Affairs of the University of California—Davis.

Dress and Grooming Standards

The dress and grooming of both men and women should always be modest, neat, and clean, consistent with the dignity adherent to representing The Church of Jesus Christ of Latter-day Saints and any of its institutions of higher learning.

Modesty and cleanliness are important values that reflect personal dignity and integrity, through which students, staff, and faculty of BYU represent the principles and standards of the Church. Members of the BYU community commit themselves to observe the following standards, which reflect the direction of the BYU Board of Trustees and the Church publication *For the Strength of Youth.* The BYU Dress and Grooming Standards are as follows:

Men. A clean and well-cared-for appearance should be maintained. Clothing is inappropriate when it is sleeveless, revealing, or form fitting. Shorts must be knee-length or longer. Hairstyles should be clean and neat, avoiding extreme styles or colors, and trimmed above the collar leaving the ear uncovered. Sideburns should not extend below the earlobe or onto the cheek. If worn, moustaches should be neatly trimmed and may not extend beyond or below the corners of the mouth. Men are expected to be clean-shaven; beards are not acceptable. Earrings and other body piercing are not acceptable. Shoes should be worn in all public campus areas.

Women. A clean and well-cared-for appearance should be maintained. Clothing is inappropriate when it is sleeveless, strapless, backless, or revealing; has slits above the knee; or is form fitting. Dresses, skirts, and shorts must be knee-length or longer. Hairstyles should be clean and neat, avoiding extremes in styles and colors. Excessive ear piercing (more than two per ear) and all other body piercing are not acceptable. Shoes must be worn in all public campus areas.

Continuing Student Ecclesiastical Endorsement

All enrolled continuing undergraduate, graduate, intern, and study abroad students are required to obtain a Continuing Student Ecclesiastical Endorsement for each new academic year. Students must have their endorsements completed, turned in, and processed by the Honor Code Office before they can register for fall semester or any semester thereafter. To avoid registration delays, endorsements should be submitted to the Honor Code Office by March 15.

LDS students may be endorsed only by the bishop of the ward (1) in which they live and (2) that holds their current Church membership record.

Non-LDS students are to be endorsed by (1) the local ecclesiastical leader if the student is an active member of the congregation,(2) the nondenominational BYU chaplain, or (3) the bishop of the LDS ward in which they currently reside.

Requirements

Whether on or off campus, all students are expected to abide by the Honor Code, which includes: the Academic Honesty Policy, the Dress and Grooming Standards, and the Residential Living Standards.

LDS students must fulfill their duty in The Church of Jesus Christ of Latter-day Saints, attend Church meetings, and abide by the rules and standards of the Church on and off campus.

Students who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standard of conduct. They are encouraged to participate in services of their preferred religion.

Withdrawn Ecclesiastical Endorsement

A student's endorsement may be withdrawn at any time if the ecclesiastical leader determines that the student is no longer eligible for the endorsement. Students without endorsements, except in unusual circumstances, must discontinue enrollment. Excommunication, disfellowshipment, or disaffiliation from The Church of Jesus Christ of Latter-day Saints results in the withdrawal of the student's endorsement. The decision to withdraw an endorsement may be appealed through the appropriate ecclesiastical channels and then to the university through the Honor Code Office.

How Forms Are Obtained

Students are responsible for obtaining their own Continuing Student Ecclesiastical Endorsement Forms. Forms are available at campus information desks, at college advisement centers, from bishops of BYU wards, and from the Honor Code Office in 4440 WSC.

Questions

For additional information regarding any aspect of the Honor Code or Continuing Student Ecclesiastical Endorsements, please visit http://byu.edu/stlife/campuslife/honorcode or contact the Honor Code Office at 4440 WSC, (801) 378-2847.

University Policies

Nondiscrimination Statement

Admission to Brigham Young University is nondiscriminatory. The university admits qualified persons regardless of race, color, national origin, religion, age, gender, veteran status, or disability who meet university and academic requirements and agree to abide by the university's standards of conduct and behavior.

Persons who believe they have been unlawfully discriminated against or sexually harassed should contact the Honor Code Office at (801) 378-2847 or the Equal Opportunity Office at (801) 378-5895.

Services for Students with Disabilities (SSD)

The purpose of this office is to assure that students with disabilities are provided access to university programs and information. A variety of services and extensive information are available. Students who have attention, emotional, learning, chronic health, or physical disabilities are encouraged to contact SSD to assist in the coordination of appropriate academic accommodations for classes or university-sponsored programs. For assistance contact 1520 WSC, (801) 378-2767 v/tty, or www.byu.edu/stlife/campuslife/.

Confidentiality of Records Policy

The Family Educational Rights and Privacy Act of 1974 (FERPA) controls access to student education records. Brigham Young University will make a reasonable effort to extend to eligible students and their parents the rights granted by the act. On presentation of appropriate identification and under circumstances that prevent alteration or mutilation of records, a student will be able to inspect all education records not considered by the university to be held under a pledge of confidentiality or considered to be private records of university personnel. Those with legitimate access to the records will be charged a reasonable fee for copies.

A student is entitled to an explanation of any recorded data and may initiate action pursuant to university policy through the Exception to University Policy Committee, if necessary, to correct or expunge information he or she considers inaccurate or misleading.

Faculty and administrative officers who have a legitimate need to use a student's education records will be allowed access to such records as needed without prior permission from the student. A request from an educational institution to which a student has applied for admission or from a lending institution from which a student is seeking financial aid will be granted without a student's permission. In addition,

statistical data may be furnished to university accrediting bodies and governmental officials without a student's permission.

No personally identifiable information contained in a student's educational records, other than directory information, will be given to any third party, except as authorized by the act, without the student's written consent, and then only those records that are accessible to the student. The term *third party* is construed to include parents, spouse, employers, government agencies, or any other people or organizations. Parents or guardians may have access to grade reports and other reports of a student's activity if they establish to the satisfaction of the university that the student is dependent, for income tax purposes, on the parents or guardians for their support.

Court orders and subpoenas for records will be referred to the university's legal counsel and acted on according to the counsel's directions. The university will make a reasonable attempt to notify the student when nondirectory information is released in response to subpoenas or court orders.

Any eligible student or parent who believes that BYU has violated FERPA may file a complaint with the Family Educational Rights and Privacy Act Office, Department of Education, Washington, D.C.

Directory information (i.e., information contained in the educational record of a student that would not generally be considered harmful or an invasion of privacy if disclosed) will be released to news media and to others on request. Directory information includes the following:

Name
Addresses and phone numbers
Month, date, and place of birth
Names of parents or spouse
Major and minor fields of study
Participation in officially recognized activities and sports
Weight and height of members of athletic teams
Current class schedule
Pictures
Dates of attendance (current and past)
Number of months/semesters enrolled
Class standing (freshman, sophomore, etc.)
Total hours earned
Enrollment status (full-time, part-time, less than half-time)
Degrees and awards received
Previous educational institutions attended
Anticipated future enrollments
Course registrations prior to the beginning of a semester or term
Expected date of graduation
Deferred registration eligibility
Religious affiliation to a student's local church or congregation

Students have the right, however, to refuse to permit the designation or disclosure of the above directory information. In that case, this information will not be disclosed except with the consent of the student or as otherwise allowed by FERPA. Any student wishing to restrict the release of directory information must file a written notification with the Registrar's Office, B-150 ASB, PO Box 21114, on or before the tenth day of a semester or the sixth day of a term. Forms for this purpose will be made available at that office upon request.

Student Classification for Undergraduates

At the beginning of each semester, undergraduate students are classified for that semester as follows:

0–29.9	Freshman
30–59.9	Sophomore
60–89.9	Junior
90 and over	Senior

Engineering students having more than 120 semester hours are classified as fifth-year professional students.

Class Attendance Policy

You are expected to attend classes for which you are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. Officially excused absences are required only when you are away representing the university on official business. All officially excused absences must be approved through the dean of students, Janet S. Scharman.

Faculty should tell you what relationship attendance has to your final grade for the course, but you must take the responsibility for your actions. It is not necessary for the instructor to report absences to the office of the dean of students unless he or she has knowledge of an accident or illness that is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is your responsibility.

Repeating Classes

To have a previously completed course marked *repeated*, the new course must be equal or greater in credit hours.

When a class has been repeated, the credit used in computing the grade point average is the grade and credit hours earned the last time the repeated class was taken.

You may repeat classes in the following ways:

1. Repeat Brigham Young University courses at Brigham Young University (except for R-suffix courses—see Abbreviations and Symbols in the Using This Catalog section of the current BYU Undergraduate Catalog).
2. Repeat at Brigham Young University courses initially taken at another university. (A statement of equivalency must be supplied by the appropriate BYU department chair.)
3. Repeat at another institution courses taken there and have the credit transferred to Brigham Young University.

Note: A course repeated at an institution other than the one at which it was taken originally and other than at BYU will not be counted as a repeat.

The I (Incomplete) Grade

The letter grade I (incomplete) is given on a contractual basis with the instructor to students who are eligible to complete the work in a prescribed time period. An incomplete is only given when extenuating circumstances (serious illness, death in the immediate family, etc.) occur after the twelfth week of a semester or the sixth week of a term. The Incomplete Grade Contract must be completed and signed by the instructor and the fee must be paid before the instructor's submission of the official grade roll at the end of the semester or term. A copy of the Incomplete Grade Contract must accompany the grade roll. If the contract is not attached to the roll, the grade will be changed to an E.

An incomplete is never given when one is failing or has failed the course. The instructor should indicate a specific length of time in which to complete the incomplete, not to exceed one year. Class attendance in a subsequent semester or reregistration is not permitted to make up the incomplete. Once the work has been completed, the instructor should fill out the portion of the Incomplete Grade Contract that indicates the grade earned and submit the form to the Records Office, B-150 ASB, PO Box 21114.

An incomplete is computed in the grade point average as a failing grade until the course work has been completed and the official grade has been submitted by the instructor.

Grade Reports

Grade reports are available at no charge for all day and evening school students after the semester has concluded. Grade reports will be mailed to students who leave self-addressed, stamped envelopes containing their social security number at the Records Office.

Changing College or Major

Undergraduate students who desire to transfer from one major to another, or from one college to another, should go to the advisement center of their new major, fill out a Change of Major Form, and have it signed. Graduate students who want to change departments or degree levels should check with the Office of Graduate Studies for information and necessary forms.

Discontinuance from BYU

A daytime student is not officially withdrawn from the university unless the student has completed the discontinuance process in the Discontinuance Office, B-150 ASB. The nonacademic emergency deadline, November 21 for fall semester, is the last day a student can discontinue. (See the University Calendar on page 4 for additional discontinuance deadlines.)

If you find it necessary to withdraw from all your classes, you must do the following:

1. Complete discontinuance forms available from the Discontinuance Office, B-150 ASB, telephone (801) 378-7705.
2. Obtain instructor and clearance signatures if necessary. Beginning the sixth week of the semester or the third week of the term, you become responsible for class grades. Signatures must be obtained from the individual instructors, who indicate your academic status.
3. Submit completed forms and sign out with a member of the Discontinuance Office staff.
4. See the Tuition and Fees section for discontinuance refund information.

When you have discontinued, your student ID will be electronically voided.

Students enrolled through the Evening Classes Office should discontinue in that office, 122 HCEB. Law School students must initiate their discontinuance through the office of the Law School dean, 348 JRCB.

Students who leave the university under emergency conditions and do not return still have the responsibility to discontinue before the deadline. Initiate official termination by contacting the Discontinuance Office as soon as possible.

Continuing BYU students who interrupt their studies for one semester (fall or winter) only or who serve an LDS mission may request an admission deferment during their absence from the university. Telephone the Admissions Office, (801) 378-2507, for more information. Other students who interrupt their studies should contact the Admissions Office for the appropriate reapplication materials.

Semester Online Courses

Classes listed in the class schedule as sections 478 are courses offered over the Internet at no additional cost to full-time students.

Semester online courses may provide immediate feedback, chat rooms, and informative and exciting links, and they allow students to progress at their own pace within the semester period.

Dept.	Course #	Sec #	Reg #	Credit Hr.	Instructor
ASLP	133	478	9817	1.0	Staff
ENGL	115	478	1833	3.0	Staff
GEOL	101	478	2305	3.0	Christiansen, E
HEPE	129	478	9081	2.0	Hager, R
IP&T	515R	478	6085	V3.0	Merrill, P
ORG B	320	478	8969	3.0	Cherrington, D
ORG B	321	478	4191	3.0	Cherrington, D
REL C	324	478	5044	2.0	Perkins, K
REL C	325	478	5045	2.0	Garrett, H

FAQs

What are online courses? Semester online courses are completed electronically over the World Wide Web. Internet access is essential, and a computer with CD capability is required.

When will I receive materials to begin? Materials will be available at the BYU Bookstore. Required materials may include textbooks, CDs, and course instructions.

How long do I have to complete an online course? Each course must be completed within the registered semester. All university registration deadlines, policies, and procedures apply to students who take semester online courses.

Where and when do I take midcourse and final examinations? All examinations are taken at the BYU Testing Center, 265 HGB. Appointments are necessary for midterm examinations; consult your course materials for specific information.

What is the tuition rate for semester online courses? Semester online courses are included in full-time students' tuition. For part-time students, semester online courses are paid according to university tuition rates (see Tuition and Fees section of this class schedule).

Whom do I contact for help? For course information, call (801) 378-2875.

Joined Classes

There are two kinds of joined classes, Freshman Academy envelopes and freshman joined classes. Joined means classes are registered for as a unit. There is only one registration number for both of the classes (or all three in the case of Freshman Academy envelopes). All new freshmen will have the opportunity to register for joined classes. An advantage of registering for joined classes is that you will get to know the same people in these classes and be able to form study groups.

Freshman Academy Envelopes

Many of you will be Freshman Academy students. The academy provides new freshmen with the opportunity to take three classes with students who live in the same residence area.

If you would like more information on Freshman Academy, please call (801) 378-8176, or you can access the academy Web page at http://www.byu.edu/academy.

Freshman Academy students will be asked to register for three joined classes (an envelope). Information on registering for Freshman Academy envelopes will be sent to participating students.

Although not all Freshman Academy envelopes include the general education classes required of all freshmen (First-Year Writing, American Heritage, and Book of Mormon), academy students should still plan to fulfill these requirements by the end of their first year. They may add courses individually if their envelope does not include American Heritage or First-Year Writing.

Freshman Joined Classes

New freshmen who are not in Freshman Academy will be provided with a selection of joined classes for which they can register. These classes are different from Freshman Academy envelopes in that they link only two classes. The two always include two of the three required general education courses for new freshmen: RelA 121 (first part of the Book of Mormon) and a class that fills either the First-Year Writing or the American Heritage requirement.

Class offerings can be found in the Fall 2000 Class Schedule or at http://ar.byu.edu/course_info.html. You can also find these sections throughout the class schedule—they are indicated by the J in the Add Method column. You can register for them as a unit until July 11, at which time the classes will be unlinked.

Students who are unable to find joined classes that fit their schedule can register for RelA 121 and either a First-Year Writing or an American Heritage class individually. New freshmen registering after July 11 will register for all classes individually—unless they participate in Freshman Academy, whose envelopes will remain intact.)

Honors

Honors students, take note! There are honors sections of classes offered in both Freshman Academy and non–Freshman Academy joined class sections. These classes may be titled "Honors," or they are often designated with the H suffix in the class schedule or on AIM. For more information on the Honors Program, see page 19 of this class schedule or check their Web site at http://ucs.byu.edu/gened/honors/.

FRENCH AND ITALIAN (4002 JKHB, 378-2542)

♦ **PLACEMENT EXAM: A placement examination is given in room 3065 JKHB during the first week of the semester for students of FREN 101, 102, or 201. Accelerated classes; FREN 101 sections 001, 002, and 003 are designed for students who have had previous exposure to French or romance language and also pass a placement test. These sections should be taken with FREN 102 sections 001, 002 and 003**

University Devotionals, Firesides, and Forums

University devotionals and forums, held throughout the year on Tuesdays at 11:00 a.m., form an inspirational and integrative part of the university experience. These assemblies are occasions to celebrate the shared sense of values and community in the university. Participation in these gatherings will renew spiritual commitment and extend knowledge of significant religious, intellectual, and cultural matters.

Devotional speakers, selected from the General Authorities and other leaders of the Church and university, come to teach the gospel and affirm the spiritual dimension of the university experience for students and faculty. An additional opportunity is provided by regular Church Educational System firesides, usually held on the first Sunday of the month.

Forum speakers are noted authorities in the arts, sciences, humanities, media, and government. They are chosen for their contributions to their field and their ability to communicate their insights. Participation in these assemblies (and in the discussion sessions that may accompany them) prompts inquiry into and understanding of significant intellectual, cultural, and social issues.

Most campus offices and services are closed during university assemblies so that members of the university community may participate.

Final Examination Policy Fall Semester 2000

Final examinations will be given at the times shown in the schedule. Examinations are not given early. The examination period is preceded by reading days, which give time for conscientious review, study, and synthesis of the semester's work. The reading and the examination periods are firmly scheduled parts of the semester; you must not make plans that interfere with these important academic activities. If illness or other uncontrollable circumstances prevent you from taking an examination at the scheduled time, you are responsible to inform the class instructor as soon as possible. Your instructor may give the grade *Incomplete*, depending on the circumstances. The incomplete cannot be given unless you and your instructor together prepare a contractual agreement.

Second-block class examinations will be given at the time shown in the schedule. First-block examinations will be given during the last regular class period. In cases where you have conflicting examinations or *more than* three examinations in one day, individual arrangement for alternative test times may be made by the instructor.

Examinations will be held December 11, 12, 13, 14, and 15, with reading days December 8 and 9. Therefore, Thursday, December 7, 2000, will be the last day of instruction.

Note to faculty: If an exam hour conflict arises for day classes, please contact the Academic Scheduling Office, B-150 ASB, PO Box 21114, telephone (801) 378-6557. For evening classes, contact the Evening Classes Office, 122 HCEB, PO Box 21513, telephone (801) 378-2872.

All section 400 classes beginning at 4:00 p.m. or later ***must*** follow the evening exam schedule to avoid day class conflicts. (If the class begins before 4:00 p.m., use the day class schedule.)

If a class begins after the hour or is scheduled for more than fifty minutes per class period, **the final exam period is determined by the beginning hour**. For example, a class held from 8:35 to 9:50 *must* use the 8:00 exam period. A class held from 4:45 to 7:15 *must* use the 4:00 exam period. No exceptions to this policy will be granted unless approved *in writing* by the department chair.

Semester Online courses follow the regular exam schedules at the right or as specified in the course outline.

Final Exam Schedule—Fall Semester 2000

Day Classes

Class Instruction Time	Daily, MTWTh, MWF, MW, M, or ,W	TTh, TThF, TThSa, T, Th, or F
